

181st Annual Report

of the

TOWN OF NATICK

MASSACHUSETTS

for the

Year ending December 31

1961

WELLESLEY PRESS, INC.

Wellesley, Massachusetts

Information for Voters

Natick was incorporated as a town on February 19, 1781.

Location: 18 miles west of Boston.

Population: 28,645 (1960 census).

Registered Voters: 14,680 (April, 1961).

Area: 15.99 square miles.

Assessed Valuation: \$70,480,350 (January 1, 1961).

Town Offices: Masonic Building and Clark's Block;
Tax Collector, 8 East Central Street.

State Senator: Charles W. Olson of Ashland.

United States Senators: Leverett Saltonstall and Benjamin A. Smith, 2nd.

Representative in Congress: Joseph W. Martin, Jr., of North Attleboro —
14th Congressional District.

Representative in General Court: Walter T. Burke.

Member of Governor's Council: John W. Costello.

Voting Qualifications: Must be 21 years of age, born in United States or
fully naturalized; a resident of Massachusetts one year and of Natick
six months, both continuously.

Registration of Voters: (1) Monday evenings, 7:30 to 8:30, Registrars'
Office in Clark's Block. (2) Special sessions previous to all elections.

Where to Vote:

Precinct No. 1 — Center School, Natick.

Precinct No. 2 — School House Hall, South Natick.

Precinct No. 3 — Brown School, West Natick.

Precinct No. 4 — First Congregational Church, Natick.

Precinct No. 5 — Lilja School, Oak Street, East Natick.

Precinct No. 6 — Bennett-Hemenway School on East Evergreen Road.

Precinct No. 7 — Harold Johnson School on South Main Street.

Precinct No. 8 — West School on Mill Street.

Tax Bills: Due and payable on or before October 1. Law provides for addition of interest from October 1 on bills unpaid after November 1. Poll and motor excise taxes and water bills are payable 30 days from date of issue.

Library Hours: Morse Institute, daily except Sundays and holidays, 9 A.M. to 6 P.M. Mondays and Fridays to 9 P.M.

Children's Library, 12 Noon to 6 P.M. Saturdays and vacations 10 A.M. to 6 P.M.

Bookmobile schedule available at the Library.

McGrath was appointed a Permanent Patrolman to fill the vacancy caused by the resignation of Harold W. Peterson, on July 3, 1961 John J. Quilty, Jr., was appointed a Regular Patrolman to fill the vacancy caused by the resignation of John J. Malaney, Jr. Richard H. Keene was appointed to fill the vacancy caused by the resignation of Edward R. White who retired under a disability. Francis M. Keane was appointed to fill the vacancy caused by Edward Burke who, having reached the age of 65, retired. On July 3rd, 1961 Richard J. Fair and Robert N. Wilhauck were appointed Reserve Patrolmen; October 23, 1961 Donald F. Hoey and Raymond T. Angleton received their appointments with John F. Zaccagnini receiving his on November 14, 1961.

Town Meetings

Sixty-one Articles for the Annual Town Meeting were received by the Board and after consulting with the Departments that sponsored the Articles it was voted to include the Sixty-one Articles in the Warrant for the Annual Town Meeting which was called for March 14, 1961 in the Senior High School Auditorium.

A Special Town Meeting was called for June 13, 1961 to act on 16 Articles which included changes and amending of Zoning By-Laws, Appropriations for operation and maintenance of the Town Dump, Construction of Sewer Mains, Appropriation for Leonard Morse Hospital Consultant, Accept provisions of Section 8C of Chapter 40 of the General Laws, Appoint a Town Conservation Commission, Sell Town owned land and accept an easement from the Boston Edison Company.

A Special Town Meeting was called on September 26, 1961 to Act on 10 Articles which included the amending of the Zoning By-Laws on Worcester Street. The Selling of the Natick Sewer Bed Land. The offer of the Town of Framingham in regards to selling and conveying the Framingham Sewer Bed Land on Worcester Street. Amend Zoning By-Laws by the Natick Housing Authority for land on Cedar Avenue. Appropriate money supplementing a Stabilization Fund. Authorize the Selectmen to secure and execute

a blanket form of Insurance for Town Property. Appropriate money to reconstruct and drain Speen Street from Hartford Street, approximately 2600 feet.

Go Slow Children Signs

Go Slow Children signs were erected on Pine Street, Washington Avenue, Grant Street near Sherman, Speen Street from Pond going towards Sherborn and Speen Street coming from Sherborn, Western Avenue near Concord Street. Crosswalks and go slow were again painted on the streets near the Schools to promote safety of the children crossing the Streets and white lines were painted on the center of many streets where the traffic is heavy.

Street Signs

Street signs were ordered to be erected on "D" Street at the Natick-Framingham Line, Maple Street at West Central Street and Rice Street at North Avenue.

Parking Meter Fees

Fees collected for Parking Meters for 1961 were \$13,078.20.

Annual Town Report

The Board appointed the Town Report Committee for 1961 with Wendell O. Poley, Chairman, Ruth Leavitt, Edmund Coolidge, Douglas Russell, Jean B. Thompson, Herbert Black, 2nd, and Kenneth W. Blennerhassett. It was voted to have 3500 copies printed. The Selectmen advertised for bids and received three for the printing of the Annual Town Report. The Board accepted the Bid of the Wellesley Press of Wellesley in the amount of \$19.90 Price per page complete.

Gasoline and Fuel Storage

After Public Hearings were held the Board of Selectmen granted the following licenses:

- (1) American Oil Co., 67 East Central Street. Increase in storage of gasoline by 2000 gallons.
- (2) The Congdon and Carpenter Corporation, 6 Congdon Rd. 2000 gallons, gasoline for owners' use only.

Non-Contributory Retirement

Under General Laws, Chapter 32, Section 58, Clarence M. Augustine retired from the Fire Department after 30 years of Service to the Town.

Street Lighting

The Annual Town Meeting of 1961 Authorized the Selectmen to install additional street lights for the year. After investigating each request the Board ordered the installation of the following: five 11,000 Lumen Mercury, two 20,000 Lumen Mercury, one 2500 Lumen and thirty-two 1,000 Lumen. 20,000 Lumen Mercury lights were installed on Worcester Street from Speen Street to the Framingham line. 11,000 Lumen Mercury lights have been installed on West Central Street from Spring Street to Cemetery Street.

Notes and Bonds

During the year 1961 the Selectmen approved and signed notes for the borrowing of \$1,933,000.00 and Bonds for \$190,000.00.

Other Activities

William H. Haywood, Jr., of 84 Walnut Street was granted a six months leave of absence from the Police Department for Military Service beginning January 22, 1961.

Mrs. A. Christine Hedderig of 70 East Central Street was appointed a member of the Council for the Aging.

Natick Transportation Committee arranged an open meeting to hear details of the Boston and Western Suburbs Transportation Council Inc.

Selectmen requested the Town Counsel, James P. Murray, to appear before the Joint Committee on Taxation at the State House on March 15, 1961 on House Bill #1757 to enable Towns to tax concessions on the Massachusetts Turnpike.

A Special Meeting of the Board was held March 8, 1961 at 3 P.M. to organize for the ensuing year. Mr. McGee was elected Chairman with Richard S. Sanderson as Clerk, William F. Wells as the third member of the Board.

At the regular meeting of the Board on March 20, 1961 the following yearly appointments were made: Town Counsel, James P. Murray; Director of Veterans' Services, Michael J. Torti; Dog Officer, Pompillo Zullo; Moth Superintendent, William F. Young; Director of Civil Defense, William F. Wells; Lock-up Keeper, W. Joseph Shea; Fence Viewers, Board of Selectmen; Veterans' Grave Officer, Michael J. Torti; Veterans' Burial Officer, Michael J. Torti; Field Driver, Edward Zullo; Board of Appeals, Joseph

Under date of May 12, 1961, the Board received an Annual Report made by the Long Range Capital Expenditures Committee which was stated to be its final report and in addition reviewed all of its works since it was established by this Board in May of 1957. The Board voted to accept this report as the final report of this Committee and to discharge the Committee as recommended therein. In doing so, the Board voted unanimously to thank the Committee through its acting chairman, Charles F. Murphy for a job excellently done.

FRANCIS G. MCGEE, *Chairman* RICHARD S. SANDERSON, *Clerk*
WILLIAM F. WELLS

<i>Year</i>	<i>Employees</i>	<i>Budget</i>	<i>Expended</i>
1960	2	\$11,760.00	\$10,463.09
1961	2	11,860.00	11,594.60

To comply with the policy of the Town Report Committee in curtailing the voluminous reports of some Town Departments, this department is pleased to co-operate by omitting the enumerating of the many duties of the Town Clerk as established by Statute.

JAMES H. FLEMING, *Town Clerk*

Sealer of Weights and Measures

I hereby submit the following report for 1961:

SCALES, WEIGHTS AND MEASURES

<i>Adjusted</i>	<i>Sealed</i>	<i>Not Sealed</i>	<i>Condemned</i>
57	1120	3	1

TRIAL WEIGHINGS OF GOODS PUT UP FOR SALE

<i>Tested</i>	<i>Correct</i>	<i>Under</i>	<i>Over</i>
2237	1747	238	252

Inspections of Clinical Thermometers, Paper and Fibre Cartons, Pedlers' Licenses, Milk Jars, and Junk Scales numbered 817.

THOMAS H. SHINKWIN,
Sealer of Weights and Measures

Veterans' Services

I hereby submit my report of Veterans' Services for the year ending December 31, 1961.

Veterans' Benefits:

Natick settled cases, 374, State settled cases, 10
Natick settled persons, 874, State settled persons, 42

Class of cases aided:

Widows
Married couples
Single persons
Widows with children
Families
Mothers
Parents

580 Veterans' Benefits cases investigated during the year

7 Death cases

185 Cases were found ineligible and suspended or refused benefits

3 Liens, pending

1 Assignment, pending

Veterans' Services

910 Photostatic copies of the following were made:

Discharges of Veterans
Birth certificates
Marriage certificates
Divorce certificates
Letters and documents
Checks

Some of these were made for Town Officials.

- 57 Widows and Parents of Veterans have made application through this office for Bronze Plaques for Veterans' Graves. These are supplied by the Veterans Administration.
- 89 World War I Veterans and Widows, World War II, and Korean Veterans and Widows were aided in making application for V.A. Pension. Have helped World War I Veterans in getting Aid and Attendance. Helped Widows and Veterans in filing for Social Security Pensions.
- 5589 Requests for information, advice, and assistance in making applications were given by telephone, and personal contact in the office. The number of requests for information has increased, and the applicants' problems have become greater. Much time has been spent on these problems.

In the past year 27 Veterans have passed away:

- 2 Spanish-American War, both buried out of town
- 17 World War I Veterans, buried in Natick
- 8 World War II Veterans, buried in Natick

For complete details, list of expenditures and receipts, I would refer you to the Report of the Town Accountant.

MICHAEL TORTI, *Director*

I hereby submit my report of Care of Veterans' Graves for the year ending December 31, 1961.

In examining every Veteran's grave, I replaced bronze markers in the following Cemeteries:

St. Patrick's	15
Dell Park	12
New Dell Park	13
Jewish	2
North	5
Eliot	3
Glenwood	10
Boden Lane	2
	—
Total	62

The Town of Natick appropriates \$530.00 for care of Veterans' graves.

Caretaker of North Cemetery receives	\$200.00
Caretaker of Eliot Cemetery receives	76.00
Caretaker of Glenwood Cemetery receives	30.00

The balance of this appropriation goes for Bronze markers and flags, and maintenance of maps.

MICHAEL TORTI, *Graves and Burial Officer*

Town Counsel

I submit herewith the annual report of the legal department of the Town of Natick. Your present Town Counsel succeeded to the post on December 4, 1961 following the resignation of James P. Murray, Esq.

Among the many matters turned over to me, I noted that Mr. Murray had pending, approximately 30 cases in various courts in the Commonwealth involving the Town. I also noted his attendance at the Annual Town Meeting, Two Special Meetings and all weekly and special meetings of the Board of Selectmen. I also noted a considerable volume of correspondence with the Boards, Departments and Committees of the Town.

A review of the closed and pending cases evidenced the appearance of many courts on both the District and Superior Court levels by Mr. Murray.

FRANCIS E. SULLIVAN, *Town Counsel*

Police Department

<i>Year</i>	<i>Full Time Employees</i>	<i>Part Time Employees</i>	<i>Budget</i>	<i>Expended</i>
1959	38	18	\$251,034.34	\$249,454.38

1961	43	22	\$299,657.60	\$294,051.00

Below is a comparison of the department statistics for the years 1960 and 1961.

	<i>1960</i>	<i>1961</i>
Complaints requiring investigation	8745	9270
Arrests following investigations	767	482
Fines levied after conviction	\$12,740.00	\$13,162.00
Jail sentences	31 yrs., 5 mos.	72 yrs., 1 mo.
Value of goods recovered	\$18,974.38	\$17,502.72
Parking tags issued	3750	3000
Checks made on vacant homes by request	7130	7430
Monies collected from parking meters	\$12,570.75	\$13,078.20
Parking meter fines levied	\$654.00	\$199.00
Miles Police Cruisers travelled	275,661	281,028
Persons fingerprinted (aliens, security, etc.)	510	485
Traffic citations referred to registrar of motor vehicles for action.		1467

The expanding industrial and commercial operations in our community during the past year have significantly affected the functioning of the Police Department by increasing the amount of essential Police activity in the town and also raising a number of serious problems faced by the Police.

Complaints requiring investigation increased in 1961 by 525 over the previous year's figure. This represents an increase in activity of more than 6% over 1960. This percentage, however, does not accurately represent the actual rise in all activities, particularly efforts relating to crime and accident prevention. Because of newly constructed commercial property and as a result of a substantial expansion of retail trade, both in Natick and in

neighboring communities, the ever changing pattern of traffic flow has demanded a renewed concentration of effort in traffic law enforcement, especially in the Route 9 area. It has also resulted in additional and different types of property demanding protection. The shopping centers for example, the modern island of stores set in rather isolated districts are entitled to the same protection afforded the center of town. This requires an expansion of night patrols and continuous vigilance.

A planned program of professional police training has always been the prime objective of the Natick Police Department. This past year has been exceptionally productive in this field. Five officers graduated from the four week basic Police Training Course at the Massachusetts State Police Academy in Framingham. Every member of the department earned first aid certificates following a nine week training course. At the Middlesex County House of Correction, two men took part in classes concerned with arrest, care, transportation and handling of prisoners. At Wakefield and Newton, a one week course in the techniques of arrests and investigations sponsored by the Federal Bureau of Investigation was attended by four ranking officers. Four men have graduated from specialized interrogation and accident investigation courses conducted by the New England Police Institute at Northeastern University. Two more men are working towards Bachelor of Science degrees in law enforcement and security. Every effort is being made to make the Natick Police Department among the best trained departments in the state.

Natick has continued to remain free of gambling activity during the past year. Four males and one female were brought before the court on gaming charges as against three males brought before the court in 1960. The department has also continued its policy of working in close cooperation with all other law enforcement agencies in maintaining strict enforcement of all laws.

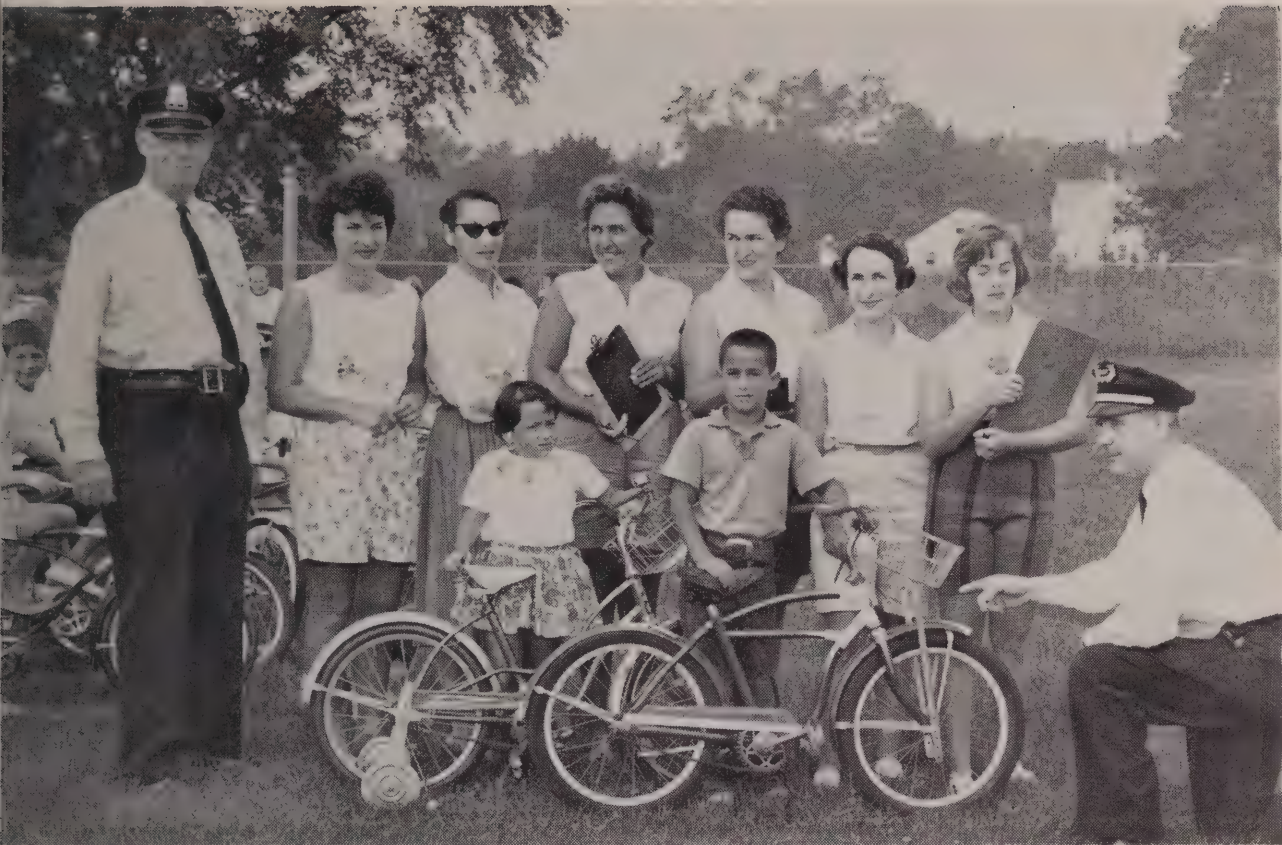

Whereas many communities are facing serious juvenile delinquency problems, Natick has remained surprisingly free of corrupting influences on our teen age population. More youngsters have appeared before the juvenile session of the court this year than in the previous year but of the total of 41, some 21 were from other towns and 20 were from Natick. In common with the national trend of girls participating in lawlessness along with boys, 4 of our juvenile offenders were female.

This has been another successful year for the department in its attempt to maintain a low crime rate for the town. This was accomplished by the dedicated efforts of all the officers and Auxiliary Police and was highlighted by instances of individual courage and bravery in the face of danger.

While statistics released by J. Edgar Hoover for the year 1961 show that crime has reached an all time high across the nation, Natick can be proud of its maintenance of the public safety and its ranking position among those towns and cities that have outstanding records in law enforcement.

Sincere thanks are extended to the town officials, the public, and to our news media for their understanding and assistance during 1961.

The entire number of arrests for offenses committed in Natick for the year ending December 31, 1961 was 482. Of these 446 were males and 36 were females. The number of residents arrested was 218 while the total

Bicycle Safety Clinic

POLICE DEPARTMENT INSTRUCTION

First Aid

of non-residents was 284. There were 441 Adults and 41 Juveniles combined in this overall total. In addition there were some 658 warrants and summonses served for other police departments in the commonwealth.

A total of 41 Juveniles appeared before the Juvenile Session of the Natick District Court during the past year.

Motor vehicle accidents on public ways in Natick for the year 1961 which resulted in death, injury to persons or property damage are enumerated as follows:

	Injured	Males	Females	Males	Females	Fatals	Personal Injury Acc.	Property Damage Acc.	H & R Acc.	Total Accidents
		ADULTS		MINORS						
January	39	11	12	10	6	1	22	21	2	46
February	13	4	6	3	0	0	9	17	0	26
March	19	11	7	0	1	0	14	3	1	18
April	25	10	3	10	2	1	17	8	3	29
May	32	15	8	7	2	0	20	7	0	27
June	34	5	15	10	4	0	16	16	1	33
July	21	7	8	5	1	0	15	12	1	28

September	26	8	9	3	6	1	11	4	3	19
October	26	8	12	4	2	0	14	12	0	26
November	29	15	8	3	3	0	23	10	1	34
December	41	12	19	6	4	0	25	12	1	38
	324	118	112	63	31	3	202	129	15	349

During the year 1961 there were 349 accidents investigated which is 34 less than in the year 1960. Accidents which resulted in personal injuries numbered 202, an increase of 31 over last year. Included in this figure are 18 accidents in which pedestrians were involved.

During the year 3 fatal accidents occurred resulting in 5 deaths. The first of these occurred in January, and involved an elderly gentleman, who alighted from a bus on East Central Street near University Drive and was struck by a passing car. A woman was drowned along with her two children when her car went through a narrow opening at the West end of Willow Bridge and into Lake Cochituate. The situation which caused this accident and nearly took the life of another female operator later in the year has since been remedied by the erection of a heavy metal guard rail by the Massachusetts Department of Public Works — this accident happened in April. The third and final fatal of the year took place in August when a small child playing in the roadway of a residential area was struck by a passing automobile.

It is a source of gratification to all those interested in traffic enforcement and control to note that the total number of accidents in Natick during 1961 was almost 12% under the 1960 figure. However, the accidents in which people were injured showed a 15% increase.

It is hoped that the heavy metal guard rails erected by the Massachusetts Department of Public Works will eliminate the problem of cars jumping the center reservation in the stretch of Route 9 between Route 27 and Speen Street.

W. JOSEPH SHEA, *Chief of Police*

Fire Department

<i>Year</i>	<i>Employees</i>	<i>Budget</i>	<i>Expenditures</i>
1959	61	\$367,383.28	\$361,329.99
1960	61	384,871.00	383,607.44
1961	68	424,866.00	420,290.32

The Natick Fire Department had the busiest year on record answering a total of 958 calls, of which 384 were fire calls, 218 for rescue and the balance miscellaneous emergency calls, needless calls and false alarms. The Rescue service has been utilized by a greater number of persons, 66 having been given resuscitation due to drownings, gas asphyxiation, heart ailments and respiratory afflictions. With resuscitators at all fire stations a person may receive treatment within a very short time and until such time as a doctor may arrive. The doctors, through their emergency service program, now give to the townspeople much more efficient service than previously was rendered.

With the addition of the Ladder-Pump Combination, carrying a complete light rescue unit, assigned to Station Four, West Natick, this area can be serviced more readily and without drawing the other ladder equipment from the center of Town thereby for long periods of time leaving the balance of the Town without adequate protection.

Through the assistance and cooperation of the Office of Civilian Defense we now have a heavy rescue unit which would be most valuable in the event of a natural disaster or war emergency. Included in this unit is the underwater diving equipment which has been used on several occasions. More

Fire Department with Emergency Ambulance and Light Rescue Unit

Police, School and Bus officials
cooperate for safety of youngsters

training and equipment of this type is necessary and will be added as funds are available.

Clarence M. Augustine was granted meritorious retirement on October 1, 1961 after having completed more than thirty-four years as a permanent member of this Department. During the past year the personnel of the Department was increased by adding three permanent men as authorized by the Annual Town Meeting. These men were used as vacation replacements during the summer season and were permanently assigned on October 1, 1961 increasing the manpower of Station Three, East Natick.

A request is now in the budget for additional personnel at Station Two, South Natick. With the growth of this section of the Town and with several homes for the aged in the area consideration must be given to strengthening the fire protection. With the manpower having been consistently increased it is my belief that more efficient fire protection is being rendered the entire town. Every effort is being made to give the Town the best possible fire protection not inconsistent with the ability to finance it.

In the 1962 Warrant is an article to increase the number of permanent Fire-Fighters for the purpose of reducing the work week. While many Cities and Towns of our general size and character have had a 48-hour work week for many years, Natick Fire Fighters have worked a 56-hour week and responded on off time an additional 56 hours. The work week should at this time be reduced to 50.4 hours. This I believe is a reasonable request and should be honored.

During the year there has been 513 inspections conducted monthly of Schools, Churches, Rest Homes, the Hospital, and all manufacturing and mercantile property. There were 662 new oil burners and liquefied petroleum installations inspected. Fire prevention is becoming a greater part of a Fire Department's duties.

Steps will be taken during the coming year to formulate a more extensive fire prevention program and in 1963 it is hoped that a Fire Prevention Code will be ready for acceptance. This Code will strengthen the program and will greatly assist the Department in its endeavors to eliminate fire hazards and correct conditions which may cause major fires or loss of life.

During the year extension of the Fire Alarm System has continued. It has now progressed to the point where a sub-station should be added so that circuits can be reduced in size and in the event of storm or disaster a much smaller segment of the Town would be without alarm communication. This is not due to any particular development, but is normal growth, and this sub-station has been previously planned.

The cooperation of all Town Departments and Boards adds to the efficient operation of this department and through their cooperation better service is rendered to the Townspeople.

<i>Year</i>	<i>Value of Property Involved by Fire</i>	<i>Amount Damaged by Fire</i>
1959	\$ 486,543.00	\$ 79,687.50
1960	1,183,726.00	462,538.00
1961	1,111,825.00	188,392.74

LYMAN G. BROWN, *Chief*

Department of Public Works

This is the forty-first Annual Report of the Public Works Department.

The Department was saddened by the loss of Mr. Carl Mattson, Power Shovel Operator in the Highway Division, who passed away suddenly in September. He had worked for the department since 1935. His devotion to duty and fine character will always be remembered by his fellow employees and friends.

Following are the work reports of the various Divisions during 1961.

Highway Division:

New Equipment added in 1961.

6-8 Yd. Dump Truck
Paint Machine
Sand Spreader
Sidewalk Tractor
Hot Top Curbing Machine

Farwell Street was completed this year with Chapter 718 funds.

Francis Avenue was constructed under the Betterment Act with 100% of the cost to be paid by the abutters.

Sidewalks and curbing, under the Betterment Act, were constructed.

Following are lengths of the various streets and sidewalks constructed throughout the Town during 1961:

<i>Name</i>	<i>St. Length</i>	<i>Sidewalk Length</i>	<i>Curbing Length</i>
Francis Avenue (Betterments)	470'		935'
Marshal Road		194'	167'
Bacon Street		127'	109'
South Main Street		171'	121'
Bacon Street			181'
Fisher Street		110'	92'
High & Atherton St.		166'	166'
Millbrook Road			288'
Farwell Street (Chapter 718)	2,675' (1960-1961)		4,500'
Elwin Road (Betterments)			1,140'
Hemlock Drive			926'
W. Commonwealth Rd. (Chap. 90)	1,200'		2,400'
E. Commonwealth Rd.	" " 250'		350'
Oak Street	" " 750'		1,150'
Possum Hollow Rd. (Developer)		2,500'	2,189'
Total Lengths		3,268'	14,714'

Following streets were treated with asphalt and oiled peastone; in whole or portions of:

Border Road	Dwight Avenue
Richmond Road	Felch Road
Erlandson Road	Irving Road
Grove Road	Appleton Street
Laconia Road	Drury Lane
Shore Road	Charles Street
Spring Valley Road	Overhill Road
Sheffield Road	Park Avenue
Lyman Street	Tower Court
Westlake Road	Pleasant Street
Bacon Street	Edwards Road
Oakridge Avenue	Belmore Road
Rolling Lane	Lodge Lane
College Road	Bishop Street
Union Street	Hartford Street

Mill Avenue

The following streets were surfaced with asphalt and sand in whole or portions of:

Highland Street	Wood Court
Florence Street	Kimball Court
Sawin Street	Elmwood Avenue
Middle Street	Mechanic Street
Shattuck Street	Hillside Road
Washington Street	Lowell Road
Harvard St. & Ext.	Rathbun Road
Vale Street	Hawthorne Street
Rice Street	Lupine Street
Tibbets Street	Circular Avenue
Franklin Street	Keane Road
Orchard Road	Perry Road

Pine Street

Portions or all of the following sidewalks were recapped:

Willow Street	South Avenue
Grove Street	Hillside Road
Pond Street	Beaver Dam Road

Dewey Street

Pleasant Street, South Natick was resurfaced under Chapter 90 Maintenance for a distance of 1,250 feet. Also South Main Street was resurfaced for a distance of 2,000 feet.

Drainage installed throughout the Town during this year is as shown below:

SIZE OF PIPE

<i>Street Name</i>	<i>12"</i>	<i>18"</i>	<i>24"</i>	<i>8"</i>	<i>C.I. Basin</i>	<i>Catch Manholes</i>
Club House Lane (Developer)	1,182'	380'	245'		10	8
Tech Drive	395'				4	1
Farwell Street	520'			180'	7	4
W. Commonwealth Rd.	300'				4	2
Francis Avenue	432'				2	2
Winter Street	200'			32'	2	
Lincoln St. (So. Natick)				120'	1	
Morningside Ave. (Developer)	500'				4	
E. Commonwealth Rd.	40'				1	
Wildwood Dev. (off Glen St. South Natick)		345'				2
Totals	3,569'	725'	245'	332'	35	19

Improvement of the Gravel Plant at the Oak Street Pit is near completion.

A Swing Conveyor has been added to the screening plant. This allows the plant to stock-pile sand and crushed gravel directly from the bins thereby increasing the efficiency of the operation. A gyratory crusher was also added. This is a fine reduction crusher and its by-product will be peastone. Our road resurfacing program will therefore cost less since we formerly had to buy all our peastone from a stone quarry.

Water Division:

New Equipment added in 1961:

1/2 Ton Pick-up Truck
Tractor Mounted Backhoe
Meter Readers Vehicle (second-hand)

The Department continued to make improvements to the water system during 1961. A twelve (12) inch main was laid in Worcester Street and continued on Speen Street southerly from Hartford Street. This line will eventually tie into the main in Pond Street, thus completing the loop. This work is being done piece-meal in order to spread the cost over a number of years, and to allow our own forces to do the work. Six (6) inch mains were laid in Ridge Avenue and Rathbun Road.

A search for new well sites was carried out during the fall. Locations in East Natick and in South Natick were tested extensively, but no suitable locations were found. One location in North Natick has the proper qualifications and plans are being made for the acquisition of the land.

Following is a listing of the various size pipe, gates and hydrants installed this year:

<i>Size of Pipe</i>	<i>Length in Feet</i>
2"	152'
4"	522'
6"	770'
8"	1,227'
10"	650'
12"	3,451'

<i>Size of Gates</i>	<i>Number Installed</i>
6"	8
8"	2
10"	1
12"	2

Six (6) hydrants were installed.

Sixty-nine (69) new services were installed throughout the year with forty-seven (47) services being relaid. The Town was reimbursed for this work by the property owners.

Total number of services — domestic and industrial — in use at the present time are 7,931.

MONTHLY PUMPING REPORT

<i>Month</i>	<i>Gallons Pumped</i>
January	123,270,000
February	114,282,000
March	136,151,000
April	137,167,000
May	140,770,600
June	148,849,000
July	156,022,000
August	167,551,000
September	142,085,000
October	127,524,000
November	119,986,000
December	118,333,000

Total Gallons Pumped during 1961	1,631,990,600
----------------------------------	---------------

The largest amount of water pumped on any one day occurred on July 24th when 7,102,000 gallons were recorded through our meters.

Sewer Division:

The Sewer Division installed fifty-one (51) new services during 1961. A flushing program of the mains was carried out this year.

Two (2) sewer main extensions completed under the Betterment Act on Drury Lane and Felch Road, and Franconia Avenue.

The North Main Street Area Sewer Project was started in August by the successful bidder and will be completed early in 1962, at which time the Department expects a large number of requests to connect to the system. The mains are already installed and only the construction of the pumping station remains.

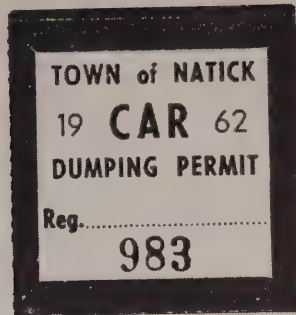

Following is a listing of the various size sewer mains added to the system this year:

<i>Size</i>	<i>Length in Feet</i>
6"	568'
8"	13,686'
10"	600'
12"	800'

A total of sixty-five (65) manholes were added this year.

December	1768
Total	22264

Bids were advertised for the new garage to house the Sanitation Division Vehicles. The bids received exceeded the appropriation for the construction of the garage. Specifications have been modified and an appropriation will be requested next year.

As stated last year, this structure is needed to relieve the over-taxed facilities now used in housing vehicles of the Public Works Department.

The Commissioners of Public Works wish to express their appreciation to all Public Works Employees for their considerate service rendered the Town during the past year.

JAMES ROBERTSON

EDWARD J. ODELL
Board of Public Works

THOMAS L. HUDDY

Forestry Department

The Tree and Moth Department reports the removal and disposal of over 150 confirmed Dutch Elm Diseased trees during 1961. There is no control measure known which can be used directly against the fungus. Research groups have found certain encouraging leads such as proper sanitation in disposing of diseased trees. Proper trimming, pruning, spraying and removal of infected wood was carried out by the Tree Department in 1961. The Tree Department reports the removal and disposal of 30 Dutch Elm Diseased trees on private property under Article 43 passed at the annual Town Meeting in 1961. A dormant spray was applied to all our elms in late March and early April in an effort to curtail the Elm Bark Beetle, which is the carrier of the Dutch Elm Disease. During May and June a leaf spray was applied to our elms for the elm leaf beetle. A spray was applied to all our birches for Birch Leaf Miner with continued success. A spray was applied to all our Oak trees for Oak Leaf Miner with success. The Oak Leaf Miner was not as severe as in 1959 or 1960. A considerable amount of spraying was done on private property for the above mentioned in 1961.

The Department reports the planting of approximately 100 new trees in various sections of the town. The majority of these trees being planted were Norway Maples, a few Oaks and Flowering trees of different species. Most of these trees were replacements for trees removed by Dutch Elm Disease, the remainder were for the newer developments. With the development of a town nursery in its second year the department hopes to plant a greater number this coming year.

A uniform program of trimming of low hanging branches over sidewalks and streets was carried out throughout the town this past year.

Unforeseen ice storms in January and February of 1961 caused severe damage to trees in some parts of town. The Gypsy Moth condition remains excellent as in the past.

Town Forest

As in the past a considerable amount of trimming and pruning has been done in this area. Two gates were installed at the Oak Street entrance and the Bacon Street entrance so that access to the forest could be restricted to reasonable hours. The people of Natick are invited to make use of the possibilities of this area. Future plans for this natural science park are:

1. To create interest in turning what could be called "lazy acres" into productive woodland crops.
2. To encourage forest management and tree planting for full utilization.
3. To point up the full multiple-use values and possible earnings through managed timberlands.

WILLIAM F. YOUNG, *Tree Warden and Moth Superintendent*

School Committee

D. Gregory Grogan, an effective and interested School Committeeman, resigned as of November 20, 1961. During his tenure of office he made many worthwhile contributions to the benefit of our school system. He also served as Chairman of the Building Committee on the addition to the Coolidge Junior High School. In November 30, 1961, at a joint meeting of the Board of Selectmen and the School Committee held in accordance with the provisions of Section 11, Chapter 41, of the Annotated Laws of the Commonwealth of Massachusetts, Roger D. Williams was elected to serve the remainder of Mr. Grogan's term.

In order to have continuous improvement in the instructional program of our public schools, periodical reports were made at meetings by the Assistant Superintendent — Secondary Education, the Assistant Superintendent — Elementary Education, and members of various faculty committees such as Civil Defense and Safety. These visits and reports were used not only to keep the School Committee informed on what is being taught and how, but also to use as a reference point for further action and for improvement of classroom instruction. From these meetings have evolved curriculum studies resulting in evaluated and printed programs covering grades K-12 in the areas of English and Mathematics; Elementary Science Experiments for K-6; Supervisors' Manual; Idearama; Kindergarten Curriculum Guide and a Manual for Special Classes. During the current academic year an evaluation of the offerings in social studies and science is being made. A workshop in the summer of 1962 will be devoted to refining these studies for a coordinate curriculum covering grades K-12.

The additions to the East School and to the Bennett-Hemenway School were opened on December 18, 1961. The Building Committee is to be commended for the excellent and functional additions that will mean so much to the educational system. For their many hours of research, planning, and hard work the School Committee is most grateful.

During the academic year the School Committee agreed to work with students in the Administrative Career Program at the Harvard University Graduate School of Education to acquaint them with the realities of school administration. These students are provided with a direct experience of activities and problems of a school system and its community, as viewed by the Superintendent of Schools and his staff.

The Capital Budget Program for the immediate future was approved as follows:

1962	Plans and specifications for a third junior high school.
1962-63	Construction of a third junior high school.
1963	Land acquisition in South Natick for elementary school purposes.
1965	Addition to the high school.

The School Committee carefully screens the budget prior to final approval. This is a most difficult task, for the needs of school and community must always be foremost in consideration. In the pursuit of excellence, the great concern is the attraction and retention of superior teachers. Although the Committee has approved a salary schedule of \$4300-\$7100

with an attainable maximum of \$8000, for teachers with a Bachelor's degree, it realizes that such a schedule will place us in the middle of the spectrum on salaries and that in the very near future greater strides must be taken on this matter.

The Town of Natick is education-minded — a fact which is most fortunate for the young people in the community. The primary objective of the School Committee is to provide the finest education for the children. This will ever be the goal of every member of the Committee.

Below, some of the publications of the school department.

Superintendent of Schools

The main function of school administration is to coordinate a variety of activities and services into an effective educational program. Every condition of management and organization is worthwhile to the extent that it is beneficial to teaching and learning, and contributes to the community of which the school is a part. Responsibility for the successful functioning of the school is, therefore, held by the Superintendent. An opportunity, however, is provided for all concerned with the educational program to participate in its development. Only through cooperative efforts can such programs be provided which will enable pupils to develop desirable knowledge, skills, habits, attitudes, and ideas for life in our American democracy.

Such cooperative effort is readily seen in the detailed reports of the various administrators and supervisors in the Annual Report of the Public Schools; in the extraordinary amount of work by the professional staff in curriculum development as evidenced by the brochures prepared for classroom use; and in the continuous search for improvement through in-service training and professional work at colleges and universities.

In addition, the Natick system assumes its share of responsibility in the training and preparation of future teachers and administrators. Since 1955 we have been associated with the Harvard Graduate School of Education Internship Program. These trainees work in pairs starting with intensive preliminary training at the Harvard-Newton Summer School followed by a teaching assignment in the Natick schools for one-half year. The other semester is spent in graduate studies at Harvard in preparation for the degree of Master of Arts in Teaching. We have been fortunate to add some of these young people to our regular staff.

Under the Harvard Graduate School of Education Administrative Career Program two young men have been observers in our schools and offices during the academic year. The purpose of the assignment is to provide them with the realistic experiences of the activities and problems of a school system and its community as viewed by the Superintendent of Schools and his staff. There is no doubt that this type of experience is invaluable to the students in training school administrators of the future.

Our system is also included with seven other communities in the Northeastern Teacher Internship Plan. This well-known Co-operative Plan has been applied to the field of Teacher Education and qualified students may profit from realistic educational experience. Beginning in the sophomore year students preparing for careers in elementary or secondary schools alternate ten-week periods of study and similar periods of actual employment. Thus, each intern spends two ten-week periods each year in the schools of the community. In most cases such students may be assigned for the full sequence of three or four years to a training program within our system. Their duties fall into the three general categories: tasks of a clerical nature, tasks related to instruction, and the tasks of actual instruction.

We have participated for many years with other colleges and teacher-training institutions in their work with student teachers. Among these are Boston College, Boston University, Wellesley College, Tufts, Leslie, and the

State Colleges. Qualified students are permitted to observe a class in operation, to assist the teacher by performing certain classroom duties, and to teach under supervision during a part of the training period.

From these preceding paragraphs, it can be noted that the classroom teacher is the most important ingredient in a school system. In the Natick system there are many excellent teachers. For the most part these people have gained their ability as teachers by hard individual work, by a deep interest in their students' progress and welfare and usually after an extensive period of individual experimentation and development.

On this basis, therefore, a great deal of time and effort is devoted to the selection of our teachers. The search for candidates, and the evaluation and appointment of each individual becomes one of our primary tasks. Effective teaching in the modern school requires certain qualities which were unknown a generation ago. The changing plan of school today brings a new series of tasks for the school and those who teach in it. We continue to expect our teachers to have intellectual curiosity and a good background in general education. We expect them to know their profession, the nature of young people, a considerable body of knowledge of one or more fields commonly taught in our schools, and an awareness of the relationship among these fields in developing curriculum.

Having completed curriculum guides in English and mathematics, the administrators and teachers have begun a similar study in science and the social studies. This will include a review of our present offerings, research on modern acceptable practices in these fields, and finally writing a program covering the range from Kindergarten through Grade 12. A summer workshop will be in session to refine these programs. Following adoption and acceptance by the School Committee there will be an intensive in-service training program for all teachers to implement the guides.

A committee is working on the possibility of establishing a limited type summer school program for Natick. This is not intended to replace our current participation in the Harvard-Newton or Wellesley summer programs but to devote probably our attention to remedial aspects. No determination can be made until a full and completed report is made by this committee.

The following paragraphs are recapitulations of reports submitted annually by our supervisors and are indicative of some of the accomplishments undertaken in our schools.

Elementary Education

Highlights during the year 1961 include the further development of our hearing and speech program, an expansion of the coordinated library facilities, the growth of instrumental music instruction, added emphasis in the teaching of creative arts and crafts, an effective psychological clinic with special classes, an appropriate and necessary home-teaching program for the physically-handicapped, and an extensive supply of audio-visual aids.

Modern curriculum trends and practices are continually being evaluated in terms of further developing quality education and generally upgrading instruction. Controlled experimental work includes specific programs in

homogeneous grouping, team learning, conversational French, meaningful arithmetic, inter-class exchange of pupils at the same grade level, and laboratory emphasis in the teaching of science. Each program is being observed on a small-scale basis for future expansion, if it proves successful. The Natick Elementary Schools will develop as a result of established research which truly passes the test of improving the learning growth and intellectual achievement of our students. Curriculum changes would not be justified for any other reasons.

The school children continue to view television programs as shown on the 21 Inch Classroom. This educational material supplements the teaching in such subject areas as reading, literature, science, and current events. Twelve of our sixth grade classes are participating for the third year in the *Parlons Français Series*. On a controlled experimental basis these children are learning conversational French. Two thirty-minute periods per week are provided for this purpose.

The in-service-training program has been expanded through the co-operative efforts of our teachers, supervisors, and administrators. Each principal has been designated a specific subject area for special study and research. Trips are often made to evaluate special programs in other communities. The final reports are shared by the entire staff.

We wish to acknowledge the scholarly booklets recently authored by some of the elementary school personnel. The titles include *A Supervisor's Manual*; *Curriculum Guides for the Teaching of Mathematics and English*; *Science Experiments for Elementary Schools*. It should be noted that these curriculum guides outline the subject matter from the kindergarten through grade twelve.

In the course of a year many unique fund-raising activities are conducted by the various P.T.A. groups, and it has been the good fortune of the school libraries to share in the profits and thus add generous amounts of money to that appropriated in the annual school department budget. These two sources of income combined over a period of years enabled the elementary schools to acquire approximately 8,600 volumes. Much credit is given to those who have contributed so generously of their talents and time to cooperate in this ever-expanding program. Each library is now organized under the same system and is operating on similar schedules.

Working closely with the school psychologist, special classes have been set up according to chronological age and achievement levels. The children receive both academic instruction and an introduction to vocational skills. Each child's program is carefully planned to meet his individual needs and to help him cope with his own unique problem. Many of the children have multiple handicaps such as epilepsy, aphasia, hearing difficulties, and speech.

Provisions for improving the instruction of the emotionally disturbed child are being carefully studied. Chapter 750 of the Acts of 1960 provides for the instruction, training, and support of certain emotionally disturbed children. This new program marks another significant milestone which places the Commonwealth in the vanguard in the fields of education and mental health. As a first step the School Department shall ascertain, under regulations prescribed jointly by the State Department of Education and the Department of Mental Health, the number of children of school age who are emotionally disturbed.

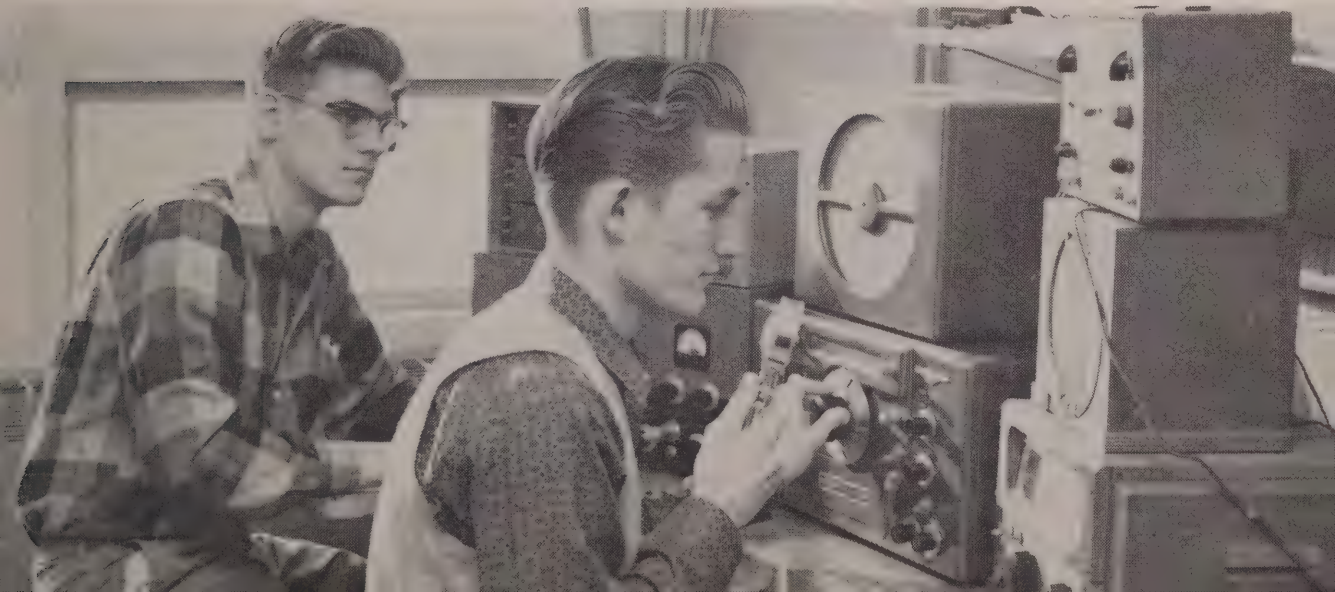

Something IS done about the weather at Natick High.

Open House at the addition to East Natick School.

Hams

Secondary Education

Natick High School was notified in September that two members of the Class of 1962 had been selected as semifinalists in the National Merit Scholarship Program. The semifinalists represent less than one percent of the seniors in each state. Notification was also received that five other high school students were selected for "Letters of Commendation."

During the year, the course of study was revised for all science courses, Spanish courses, and all industrial arts courses. The English department edited all original copy of the K-12 Language Arts Curriculum Guide.

Growth through increased offering in foreign languages is evidenced by the increase in the number of students electing French III. From our modest beginning with a French III class of five students in 1957, French III enrollments have risen to two sections of thirty-three students each for 1961. It is anticipated that sufficient students will elect French IV to warrant a class next year. Spanish III has also become established in more recent years. Latin III and IV are also available for those students who desire an ancient language. In the 1961 National French Contest, sponsored by the Boston Chapter of the American Association of Teachers of French, a member of the Class of 1962 attained the second highest score in the entire Boston area. This is the first time that Natick High School has received such a distinction.

In 1960 the school was selected by the Lincoln-Filene Center for Civic Education at Tufts University to become an affiliate school. The Center is concerned with a Nine-State Project for the improvement of social studies curricula.

The first year of the Science Seminar Program, operated in cooperation with the Natick Quartermaster Research and Engineering Command, was most successful. Selected science students were able to work on research projects in their laboratories under the direction and supervision of the government scientists assigned to that agency. The program has been continued for 1961-1962.

Industrial Arts students continued to receive recognition for their fine work. During 1961 nine students received Certificates of Merit and one senior received a Gold Seal Award at the State Industrial Arts Fair in Lexington. Nine others received recognition at the National Awards Program in Dearborn, Michigan.

Of annual interest in this report is the data presented as a result of the follow-up study of the graduating class. An analysis of the Class of 1961 is as follows:

SUMMARY OF THOSE ATTENDING SCHOOLS

	<i>Number</i>	<i>Per Cent</i>
Four-year degree-granting colleges	113	32.1
Junior colleges	27	7.6
Business schools	21	5.9
Preparatory schools	5	1.5
Schools of Nursing (non-degree)	4	1.1
All other schools (technical, art, beauty culture, etc.)	26	7.4
	<hr/> 196	<hr/> 55.6

SUMMARY OF OCCUPATIONS

	<i>Number</i>	<i>Per Cent</i>
In offices	41	11.6
In retail trade	26	7.4
In construction and maintenance	8	2.3
In industry	15	4.2
In transportation and communications	4	1.1
In miscellaneous work	17	4.8
At home	4	1.1
Members of the Armed Services	27	7.6
Married	12	3.4
Moved	2	0.9
	<hr/> 156	<hr/> 44.4

SOME SCHOOLS WHERE MEMBERS OF THE CLASS OF 1961 ARE ENROLLED

Antioch College	Michigan State University
Babson Institute	Mount Holyoke College
Beth Israel School of Nursing	Newton-Wellesley Hospital School of Nursing
Boston College	Northeastern University
Boston University	Pembroke College
Brandeis University	Pennsylvania State University
Brown University	Radcliffe College
Chamberlayne Junior College	Simmons College
Chandler School for Women	Skidmore College
Clark University	Smith College
Colby College	State College at Boston
Concordia College	State College at Bridgewater
Cornell University	State College at Fitchburg
Dartmouth College	State College at Framingham
Dean Junior College	University of Colorado
Dennison University	University of Connecticut
Franklin and Marshall College	University of Massachusetts
Grinnell College	University of Miami
Hiram College	University of Tampa
Hobart College	University of Vermont
Katharine Gibbs School	Wesleyan University
Lowell Technological Institute	Western Reserve University
Massachusetts College of Art	Worcester Polytechnic Institute
Massachusetts General Hospital School of Nursing	Yankton College
Merrimack College	

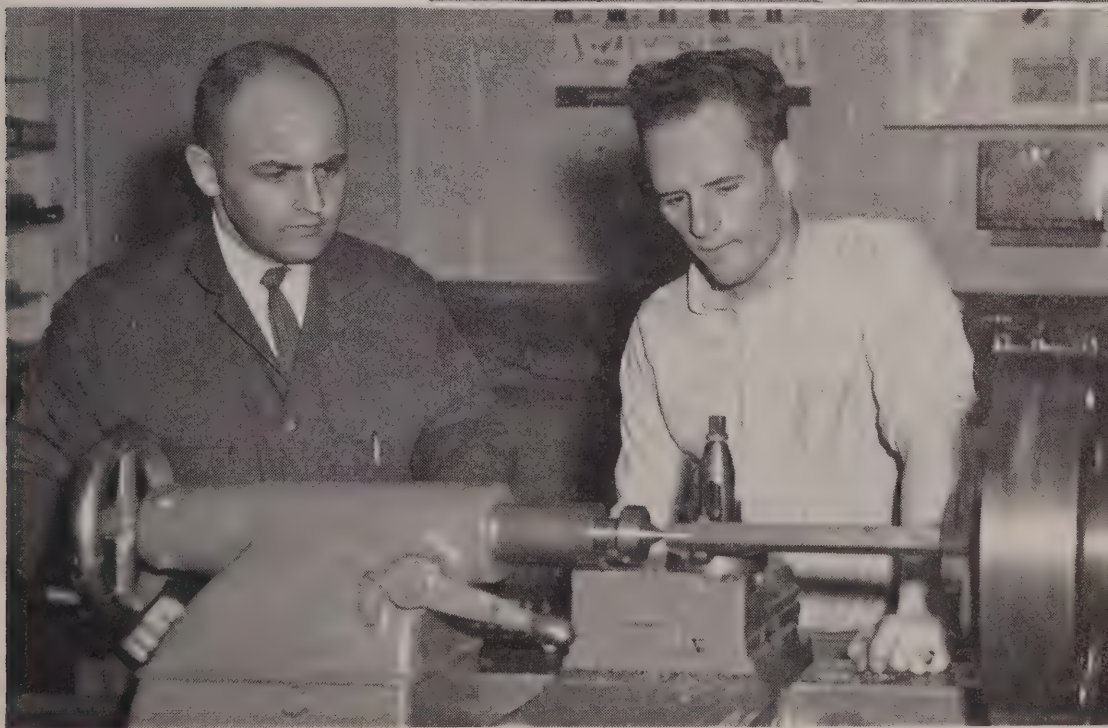

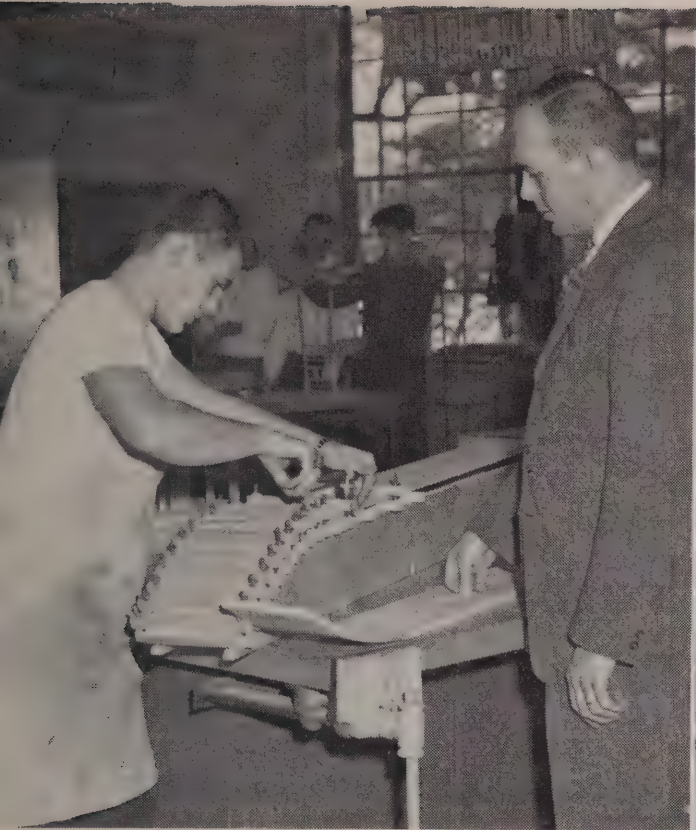

Three recommendations which affect our future planning and which could further enhance our striving for excellence in the educational process are offered for consideration. These recommendations pertain to the following areas and are treated in depth in the School Department Report:

1. Use of lay readers for written composition.
2. Need for an in-service training program for all mathematics teachers because of the extensive and far-reaching implications in the content of the "new mathematics."
3. Re-alignment of the administrative organization of the secondary schools on a 3 grade-4 grade sequential pattern.

May I express my deep appreciation to the School Committee, to the administrative staff, and to both teaching and non-teaching personnel for providing the children of Natick with the best possible education. Their cooperation and dedication, along with the cooperation of other Town Departments and committees, have been a source of gratification.

	<i>Employees</i>	<i>Budget</i>	<i>Expenditures</i>
1960.....	11	\$86,465.00	\$74,880.03
1961.....	11	\$91,903.00	\$80,583.05

The Annual Report of the Morse Institute for the year 1961 is hereby submitted.

The Morse Institute circulated a total of 236,392 books in 1961 from the Adult Department, the Children's Department and the two Bookmobiles. Since the first of the year the library has been charging out all fourteen-day books for a period of four weeks, with no renewals. This new policy has been quite successful. The library borrowers find it more convenient and the staff work load has been considerably lightened with the discontinuance of telephone renewals. There has been a definite increase in the reading of non-fiction, not only by students but by adults, showing an awareness of what is happening in world events and in new scientific discoveries. A little less recreational reading is being done, possibly because of the scarcity of outstanding fiction being published today.

The process of reregistering the library borrowers was started in August 1960 and is still continuing. At the end of 1961 the library had approximately 10,000 active readers.

3,156 books were classified, catalogued and processed for circulation, making a total of 83,820 books in the library's collection. The library subscribed to 110 magazines and newspapers and received 30 more from gifts. This year new subscriptions were started for "Look," "Wall Street Journal," "Harvard Business Review," "Architectural Forum."

Great use was made of the reference facilities in 1961. All types of questions, dealing with business, history, foreign affairs, science projects and literary criticism, were answered at the desk and over the telephone. The demands of the students' projects at times taxed the library's resources to the limit. Through the courtesy of interlibrary loan, 74 books were borrowed from other libraries. The serious students have been very gratified to be able to use the quiet study area in the basement.

For the first time in the history of the library an appropriation was received from the town for the purchase of books and phonograph records. For the past few years the income from the Trust Funds has not been wholly adequate for the library's needs in keeping up with the new books and the necessary replacement of old editions. With this added income many new reference books have been purchased as well as many replacements and extra copies of books on reading lists. There are still many more books that need

to be replaced with newer editions. This will be continued in the new year.

The phonograph record collection was ten years old and needed to be replaced. A new collection of long playing, classical and semi-classical music has been purchased and will be ready for circulation early in 1962. More records will be added next year.

An almost complete file of the "Natick Bulletin" from 1869-1960 is now available on microfilm at the library, also the "Natick Observer" 1856-1861, the "Natick Times" 1865-1869 and the "Natick Citizen" 1877-1895. These are valuable for historical and genealogical information. This fall a subscription was started for the "New York Times" on microfilm. A microfilm reader is available for viewing these. In the field of films, the library has some film strips, presented by the Natick Council of Churches, and a collection of color travel slides, photographed by Mr. Maynard Williams and given to the library. Any of these may be borrowed for home use or for club or church programs.

The Children's Library suffered a great loss with the retirement of Mrs. Dorothy Burleigh on April 1, after almost eighteen years of service. Her enthusiasm for and knowledge of children and children's books made her an invaluable assistant. An informal Open House was held for her at the library, Sunday afternoon, March 26. Many parents, teachers and children came to wish her well in her retirement. She was presented with several lovely gifts.

Miss Claire Himebaugh, the Bookmobile Librarian, resigned in May to start a new venture in New Hampshire. The Library was very sorry to lose her. She had been on the staff for almost thirty years and had been largely instrumental in successfully developing the Bookmobile service to the town. Mrs. Margaret Jellison, a Regis College graduate, was appointed to this vacancy.

Mrs. Mary Craig was appointed to the staff in July to a new position for which there has been a great need. She has had previous experience at the Cambridge Public Library and had been the assistant in charge of the Wilson Junior High School Library.

The Children's Librarians have been busy helping the children with their reference questions and projects, as well as advising parents and teachers in their selection of books. It is most gratifying to see the interest taken by parents in children's books. One of the most rewarding phases of library work is helping a child find the right book and in starting him along the road to a lifetime reading habit. Classes from the Center School continued to make regularly scheduled visits during the school year. Groups of Girl Scouts were given instruction for their library badges. Each month exhibits appropriate to the season and on a wide variety of fascinating subjects, some representing hobbies of the children, were arranged in the display case. The children took great pleasure in viewing them. The Children's Library program has been somewhat handicapped by the library's inability to find a qualified replacement for Mrs. Burleigh. Natick cannot offer a high enough starting salary to attract a competent Library School graduate.

The schedule for the Adult Bookmobile remained the same with all the stops being well patronized. The generator gave some trouble this year, but

in the fall the difficulties were located and it is now in excellent operating condition. The schedule is a full one and does not leave much room for any additional stops. This Bookmobile carries both adult and children's books. Many of the young mothers take books for their preschoolers as well as for themselves. Many requests are answered each week. If a particular book, or the requested material is not on the Bookmobile, it is brought on the next trip. The East School is also serviced from this Bookmobile. The School Bookmobile continued to serve the Bennett-Hemenway, the Brown, the Cole, the Lilja, the West and the Murphy schools. The book collection consists of children's books, for kindergarten through sixth grades, providing both recreational reading, as well as material for school projects.

National Library Week was observed in April with special exhibits and posters distributed in some of the stores and banks.

The two "Great Books" discussion groups continued through the spring of 1961. In the fall the fourth year "Great Books" group became a Book Discussion group, with the members selecting the readings to be discussed. This group is under the leadership of Mrs. Robert Cornell, a new resident of Natick, who has had much experience with "Great Books" groups in other towns. The first year "Great Books" continued into the second year in the fall under the able leadership of Mr. Louis Jansen. Both groups meet at the Library every other Wednesday evening from 8:00-10:00 P.M.

On October 31, 1960 the Massachusetts General Court passed a bill providing State Aid to Free Public Libraries. The amount to be received by each town was determined by the 1960 census, on the basis of 21 cents for each resident. The Morse Institute applied for this grant and \$6,054.51 was paid to the Town Treasurer. However, according to the wording of the law, the money is not credited to the library but goes directly to the town treasury. It is hoped that this law can be amended in 1962 so that the money can be paid directly to the Library Trustees. Natick met all the required standards except that the library was behind in the amount of money spent for books. With an appropriation from the town for books, this situation should be remedied in the future. This law also provides that the state be divided into Regional Library Areas. This system would facilitate and expedite the interlibrary loan of books and provide quick reference service for difficult questions. Natick would be in the Metropolitan Boston Area, with the Boston Public Library being the Regional Library Center.

Many thanks are due the Natick Garden Club for their beautiful flower arrangements during the year. The library has been very pleased to have two exhibits of the Natick Art Association. It is hoped that sometime the library will be able to have a much better place for this kind of exhibit, so that pictures can be more properly hung. In January the Hobby Class of the Recreation Department held an exhibit of oil paintings.

Several memorial books were given to the Library. This is a very fine way of remembering a friend and the Library is always very glad to accept such gifts. The many gifts of books and magazines were greatly appreciated. Some books, which were duplicate copies, were given to the Leonard Morse Hospital Library and to the State Prison Libraries. Many thanks should go

to the "Natick Bulletin" and the "Suburban Free Press" for the gifts of their respective papers and for printing the library news.

The Librarian attended library meetings in Boston, Brookline, Needham and West Harwich, as well as a three-day Institute on Book Selection held at the Simmons College School of Library Science.

For the future the Morse Institute feels there is a real need for the expansion of the present building. An excellent survey of the library was made by the Massachusetts Division of Library Extension in the fall of 1960. In order to meet the space requirements for the present population of Natick, the survey recommended that the floor space of the building should be doubled. The services of an architect were employed this year to draw a plan for this expansion. Provision was made for a children's library on the first floor, a young adult room, a browsing room for adults, a garage and loading platform for the two Bookmobiles. The present children's room on the second floor would be used for audio-visual services, art exhibits and group meetings. In order to accomplish this the first step will be to take the land to the rear of the library and the land adjoining on Clarendon Street. Articles will be placed in the Warrant for the 1962 Annual Town Meeting for an appropriation to purchase this land and for specifications to be drawn up for this addition, so that bids may be requested. Most of the towns in this area either have new buildings or additions or have definite plans for the near future. Natick must expand its facilities if it is to keep pace with modern library service.

Without the devotion and loyalty of the staff and the cooperation and understanding of the Trustees it would not be possible to maintain the excellent record of library service to the people of Natick.

ELIZABETH H. PARTRIDGE, *Librarian*

Trustees of the Morse Institute

The trustees are pleased to report that again during 1961 the town library was able to maintain its high degree of operating efficiency without sacrificing its services to the citizens of Natick. In our report of a year ago, however, we pointed out that all space within the present structure was utilized to its maximum and that, if we were to continue these services in proportion to the needs of the town, an addition to the present facility would be required. We are now convinced that everything that can be done to maintain our progress, has been done within the physical limitations of the plant itself. Our convictions have been given further support by the studies of our operations which have been made by outside agencies. These surveys have emphasized our need for increased library facilities.

To the end, therefore, that the library may keep pace with the progress of the town, the trustees have inserted two articles in the 1962 Warrant for the Annual Town Meeting. One of these provides for the acquisition by the town of properties to the east and to the north of our site; the second article requests a sum of money to draw up plans and specifications for an addition to the present building. We strongly urge the passage of these articles by the town meeting members.

We are pleased to acknowledge the very capable assistance given to us during the past year by Mrs. Genevieve Galick, Director of the Division of Libraries, State Department of Education, and a resident of Natick. Mrs. Galick and her competent staff have been most helpful, and her guidance and wise counsel have been of immeasurable value. The excellent survey conducted by this agency pointed out many of our needs, especially the need for additional space requirements.

The trustees are thankful for the continuing support given to our efforts by the citizens of Natick. We are also extremely grateful to Miss Elizabeth Partridge, Head Librarian, and her assistants for their cooperation and loyalty. At this time we should like to wish many years of happiness to Mrs. Dorothy Burleigh, Children's Librarian, who retired in April after eighteen years of outstanding service. Her dedication and devotion to the young people of Natick have left an impression not soon to be forgotten.

HENRI PRUNARET, *President*

Activities of
Natick
Recreation
Department

Recreation Superintendent

“What we must aim at is to liberate the community’s urge to play, so that each individual finds satisfactions for his needs of teamwork, creation and understanding. Work-economic independence — is one condition of an individual’s self-respect and happiness, but only half of it; the man who has only work and no play has only half of him alive.”

Joseph Lee — “Father of Community Recreation”

The purpose of public Recreation is to serve the community by extending to the greatest possible number of people, in all parts of town, the most desirable and varied activities which it is possible to originate and sponsor.

The year 1961 has been most successful in traveling toward this recognized purpose as the Recreation service in Natick has exceeded all previous records. The number of programs, the number of registrations and total participation all show significant increases.

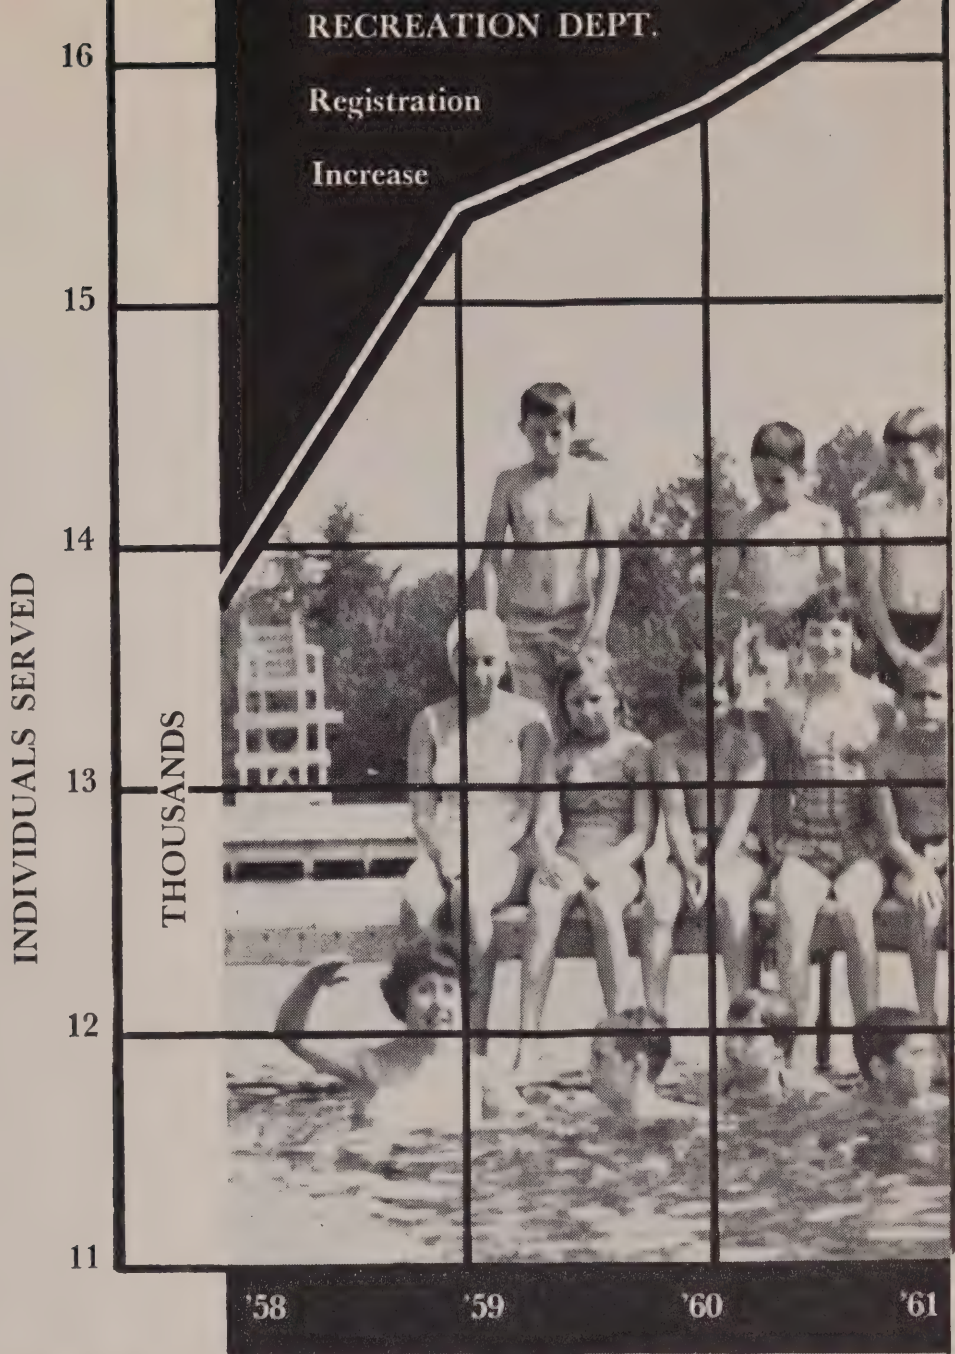

Of the forty-eight programs conducted by the department this year thirty-two increased in attendance. Comparative statistics reveal a jump of 24,864 participations over the 1960 figure. A relatively large segment of this increase can be attributed to Memorial Beach and favorable weather conditions for swimming. However, the growth and expansion of existing programs, plus the addition of some new activities, indicate a continuous upward trend in the total Recreation operation.

The following graph shows the increase in the number of persons, over the past 4 years, who registered for, and participated in, the activities offered.

The value of any program cannot be judged or measured by statistics alone. It is the intangible question of “what the doing does to the doer” that really counts. Statistics, however, do offer a basis for comparative study and evaluation, provided the same recording methods are used each year. We have always utilized the simple headcount method and stress accuracy from each leader. Daily program checks by the supervisor substantiate these figures. Although this method does not give a realistic picture in comparison to other towns, it does represent a true comparison of our program from one year to the next. It should be noted that the commonly used National Recreation Association formula for computing attendance would show our Playground Participation figure as 82,986, instead of 36,883 by the headcount method.

Spectator attendance is recorded, but only those persons who actively participate.

The following chart lists the 48 different programs according to the season of the year and offers a comparative statistical study.

COMPARATIVE STATISTICS

TOTAL PARTICIPATION OR ATTENDANCE

MERGER

The combining of Park and Recreation into one Department was effective after the 1961 elections. The Beach, Playground and Day Camp programs last summer benefited greatly from this merger as the value of a maintenance crew to do the work, when needed, cannot be overestimated.

Acquiring a barn for storage and maintenance has finally become a reality. All vehicles and equipment are now under one roof and the repairing and painting of equipment is accomplished under workable conditions.

It is hoped that the ice skating situation in our town can be improved. Experimentation with new methods and techniques may help. However, vandalism, lack of a controlled facility and having to rely on mother nature, continue to be cause for concern. The only real solution to assuring a safe, dependable and successful ice skating program is the construction of an artificial ice rink in Natick or nearby.

AREAS & FACILITIES

A multi-purpose black top area at Whitney Field has been paved and fenced. This area will provide needed play space for basketball, volleyball, paddle tennis and other playground games this summer.

The Memorial Beach expansion project is completed and will be utilized this summer. It will provide much needed beach space and an enlarged waterfront for general bathing, swimming instruction and life saving classes.

The floodlighting system at the High School Tennis Courts is installed. However, this project could not be finished in 1961 due to additional charges required by the Boston Edison Co. The tennis floodlighting system will be metered and ready for use this summer.

The Commission has been active in seeking suitable land for Recreation purposes. A bill has been filed to the State Legislature for the acquisition of National Guard property on Speen St. It appears favorable that we will obtain this land plus the adjacent National Resources property on Lake Cochituate as a site for future Recreation programs.

Article 29, in the 1962 town warrant, is for the construction of tennis courts at the Wilson Jr. H. S. Area.

FUTURE OUTLOOK

It has been said "There isn't much fun in medicine, but there's a great deal of medicine in fun." The best old age insurance is to have a vital interest, hobby or talent in our later years. It is a good thing for children to learn games that have a carry over value for adult life. Few men actually engage in football after reaching twenty-five. Tennis and golf are popular beyond this period, while fishing, swimming, skating, riding and all of the finer arts continue on indefinitely. The Muses are our good friends through life. It is well to be polite to them in our youth.

This winter we plan to extend the higher age limits of our Children's Theatre Program to include boys and girls of Junior High School age.

The possibilities of doing more with crafts and dancing need to be explored, as well as the feasibility of conducting a Junior Orchestra.

To revive a "Physical Fitness or Sports Night" as an annual affair should also be well received.

Much more could and should be done, not only by your Municipal Departments but by every parent, to stimulate a child's interest in those activities which have a lasting value.

What are Natick's Recreation needs? Mainly, they are facilities. At this time the Senior Citizens cannot expand their very active and worthwhile club because of already crowded conditions, office space is cramped and the Neetega Club is in need of a place where they can meet. Large facilities, such as a Community Center, Indoor Swimming Pool and Ice Skating Rink, should not be divorced from our thinking and planning.

In conclusion, we point with pride to our Memorial Beach operation, Playground Program, Camp Arrowhead, Senior Citizens Club, the aesthetic beauty of our parks and the numerous Recreation volunteer hours contributed by and for Natick citizens.

We also recognize that without the willing cooperation and support of various town departments, the Amputee Veterans Association of America, Inc., local sponsors of teams, town newspapers, and numerous interested individuals and groups, many of these programs could not progress and prosper.

Whatever success our Recreation program has achieved can be attributed to the experience and untiring efforts of the Recreation Commission, a high calibre of program and staff leadership and the willing assistance of the above groups and organizations. To them I extend my sincere gratitude and appreciation.

FRANK M. ROBINSON, JR., *Superintendent of Recreation*

Board of Health

Contagious diseases reported in 1961 were as follows:

Chicken Pox	616
Diphtheria	1
German Measles	70
Measles	232
Mumps	196
Meningitis	1
Salmonella	2
Scarlet Fever	45
Infectious Encephalitis	1

Home visits made and releases given to 896 pupils. For the past five years Chicken Pox has been more prevalent than any other contagious disease.

Seven Mantoux Testing Clinics were held in the schools during the months of March and April for grades 1, 4, 7 and 11. A total of 1864 children were tested. Thirteen children of this total showed a positive reading. These children and their families were x-rayed at the Middlesex County Sanatorium. Only one active case of Tuberculosis was found.

Twenty Well Baby Clinics were held in 1961. A total of 529 babies were brought to these clinics. Diphtheria, Whooping Cough and Tetanus (DPT) inoculations were given to 151 babies. Polio inoculations were given to 143 and Smallpox Vaccinations to 38 babies.

There were 31 premature live births reported during the year. One was stillborn. Five applicants applied for aid and aid was given to the five that applied.

Many other engagements too numerous to list for a complete breakdown are undertaken by our Public Health Nurses. These include School Hygiene which involves physical examinations of pupils in grades 2, 4, 6 and 8 at the Public Schools plus visits. Recording and reporting of any new cases of Tuberculosis and the follow-up on all cases is also a function of the Public Health Nurses.

The following permits and licenses were issued in 1961:

General Licenses (day nurseries, rubbish, keeping of animals)	113
Removal or Transport Garbage or Offal	21
Septic Tanks	60
Burial Permits	243
Methyl Licenses	16
Milk Licenses (store)	89
Milk Licenses (vehicle)	18
Oleomargarine	24
Camps, Cabins, Trailer Coach Park, Motels	5
Massage	5
Beverages	1
Mfg. Ice Cream Frozen Desserts	5
Funeral Directors	6
Swimming Pools	5

Our Veterinarian has inspected all barns and livestock therein. A total of 73 dog bites were reported through the Board of Health and examined by the veterinarian and found to show absolutely no evidence of the contagious disease of rabies. The head specimens of four animals were sent to the Harvard Wassermann Laboratory at Jamaica Plain for laboratory diagnosis of rabies; these reports were returned as negative.

In June the Annual Rabies Clinics were held. A total number of 1,160 animals were vaccinated. Fees collected and turned over to the Town Treasurer amounted to \$579.00.

The Dental Clinic staffed by two Dentists and a Dental Assistant opened in September with the school year. All children from grades one through six were examined and Dental Notices sent home to the parents for signature on the work needed to be done. This work can be done either at the Dental Clinic or by the family Dentist. The work at the Dental Clinic includes charting, fillings, x-ray, cleanings and the extraction of deciduous teeth when necessary. Addition to the Dental Clinic of 1961 was a Dental Mobile x-ray unit and a darkroom.

The following are the figures on the Dental Clinic for this past year:

Operations	1682
Patients	737
Sessions	279

Fees collected and returned to the Town Treasurer totaled \$1,588.00.

The Health Department Laboratory, supervised by our Health Officer was again certified by the State Department of Public Health. Out of 351 communities in the Commonwealth the Natick Health Department is one of twenty-one cities and towns to hold this certificate.

Because of failure to comply to our Rules and Regulations, court action had to be taken in eight cases. One new Chapter (16) was added to our set of Regulations governing Rubbish Disposal.

Dug Pond, Lake Cochituate and Non-Such Pond all tested within bacterial standards for swimming throughout the summer. The Charles River swimming area was not opened for swimming purposes because of adverse conditions.

Food products were examined and condemned by our Health Officer at two eating establishments because of fire.

The following is a summary of the activities of the Health Officer for the year 1961:

Complaints (all types)	116
Consultations (drainage, disposal units, etc.)	122
Dairy Inspections	8
Final Inspections (disposal units)	34
Inspections (eating establishments, canteens, markets, etc.)	165
Inspections (day camps, nursing homes, etc.)	22
Lot Surveys	190
Milk Samples	110
Percolation Tests	4
Progress Inspections (complaints, disposal units, etc.)	270
Swab Tests (eating utensils)	50
Water Samples (beaches and drinking)	40

Our regular Mosquito Control program was started in March. All shallow swamps in the town were dusted with 50% wettable D.D.T. dust by Mr. Leonard White, our Mosquito Control Foreman. This phase is done by hand to prevent the surge of hatching during the Spring season.

Ditch cleaning was accomplished in the Spring which included brooks, culverts, swamps and bog holes. This ditching is carried on throughout the summer to prevent stagnation and breeding. The Town was sprayed a total of 7 times alternately with D.D.T. and Chlordane. Swampy, stagnant water areas and the Town Dump were sprayed with oil. In areas too treacherous to be done by foot, the fog gun was used. Helicopter spraying of 6 large swamp areas in Natick was done 4 times. These swampy areas were also dusted with 50% wettable D.D.T. dust by helicopter before the thawing season to prevent Spring hatching.

REPORT OF THE TRUSTEES OF THE LEONARD MORSE HOSPITAL

The policy of planning of the Board of Trustees for the betterment of the Leonard Morse Hospital has included using to the best advantage the existing space in the hospital, improving the services to the patients, and carefully assessing every department, with planned improvements in equipment, procedures, and personnel where necessary. The long-range viewpoint has guided all decisions made within this past year.

Projects which have been completed during 1961 are 1) increased Laboratory space, making one floor on one complete wing functional as a center for all laboratory and pathology work, 2) a six-bed, fully equipped Recovery Room adjoining the Surgical Suite, 3) a completely renovated and refurnished stainless steel Kitchen and Dishwasher unit, 4) substantially increased space for administrative offices, 5) enlarged and relocated Coffee Shop and Gift Shop, serving visitors and employees, capably managed by the Hospital Aid Association who return all accrued profits to the hospital by purchasing equipment for the benefit of the patients, 6) a completely renovated and equipped Laundry and Laundry Building, where over 185 tons of laundry are handled yearly, 7) a Physio-Therapy unit which is being installed will greatly expand the outpatient service as well as serve the patients in the Hospital.

Particularly during the past year, the Trustees have been concerned by expressions of opinion from fellow townsmen, expressed in the press and at town meetings, to the effect that the Hospital was a private entity and should expect no financial help from the Town. Believing this opinion to be in error, the Trustees sought the advice of counsel and have been advised that the Hospital is entitled to receive financial help from the Town. In order to clear up all doubts once and for all, the Trustees have authorized counsel to institute a proper proceeding in the Courts to have it determined that the Hospital is an institution entitled to public assistance whose care and maintenance has been committed by the Town to the Trustees and not to any other public body.

It was with the deepest sense of appreciation for Mrs. Mary M. Dunn's twenty-three years of devoted service to the hospital, that the Board of

Trustees approved her retirement as Administrator of the Hospital. The entire Leonard Morse staff joins with the Trustees and the Community in gratefully recognizing her contribution.

The Board of Trustees has retained as Hospital Consultant for the coming year, Guy W. Brugler, M.D. Dr. Brugler is exceptionally well qualified in his field, having had a wide range of experience in Community Surveys, Management Services, Educational Programs of Hospitals, and Hospital Construction. His work at the Leonard Morse will include studies and advisory service to the hospital management, personnel programs, community relations, and counselling to administration. Dr. Brugler will review all professional programs, in collaboration with the hospital staff and administration. We are confident that Dr. Brugler's association with the hospital in the year ahead will result in great benefits to the hospital and will assure the finest possible hospital care for the community of Natick.

The Board of Trustees is especially grateful to the staff, the employees and to the members of the Hospital Aid Association for their teamwork of dedicated service to the patients of the Leonard Morse Hospital. The members of the Board wish to express their thanks to the many other persons, organizations, businesses, and Town Departments who have helped the hospital greatly throughout the year.

The reports of the Administrator and Treasurer follow and are to be considered a part of this report.

LORRAINE D. NELSON, *Secretary*

REPORT OF THE ADMINISTRATOR

Year 1960-1961

The year ending September 30, 1961 showed continued improvement in the finances of the Hospital as the Treasurer's Report confirms.

Again there was a slight decrease in total In Patient Admissions which is reflected entirely on the Obstetrical Floor. The Out Patient Admissions increased greatly due again to the number of accidents which were over four hundred more than in the previous year. During the year the Hospital served a total of 14,113 patients, a 13% increase over the preceding twelve months.

The expenses increased slightly more than 6.81% with the Pay Roll still accounting for the greater part of the increase. The percentage of Pay Roll to Total Expense is 70.9% at the present time.

During the past year 26,559 days of Hospital Care were provided 4151 patients, plus 3692 days of care given 741 Newborns. The average cost per patient day was \$31.32, excluding depreciation. We increased rates on the Medical and Surgical Floors in the amount of \$1.00 across the board.

The Blue Cross Contract at present is paying the Hospital \$9.31 for Ancillary Services. The Workmen's Compensation Rate is \$28.82, and our Public Assistance Rate is \$25.13 per day. The cost per day for operating the Hospital was \$2595.87, before depreciation. Patient income per day was \$2674.71 net.

The X-Ray Department was expanded to include the Cystoscopy Room containing another X-Ray Machine, bringing the total number of machines to three installed units and two portables.

The Laboratory has taken over the space formerly occupied by the Coffee Shop and another Diagnostic Laboratory is practically completed.

Space for a larger Admitting Office and Coffee Shop was built new and is functioning well at the present time.

All new stainless steel equipment has been installed in the Main Kitchen.

The Laundry has been entirely renovated, with all modern equipment installed. The Linen and Sewing Room has been moved to the Laundry Building. The Laundry has been doing over seven thousand pounds a week, more than 185 tons a year.

An Out Patient Department as such is still a need, with the growth of admissions in that category. With the proper space, location and set-up, we could expand our services to offer more and therefore benefit more people.

The Nursing Department is active in acquiring knowledge of any advancement in the care of patients, new medical supplies and equipment. Several of the Staff are enrolled in Education courses at various colleges and one Staff member has completed the Disaster Nursing Course and is qualified as a Teacher.

The Medical Staff has a Postgraduate Institute scheduled throughout the year. Various doctors attend and take part in Meetings on the local, state and National levels.

The Ladies Aid Association continues its interest in the Hospital and its patients. It operates the Coffee Shop, Gift Cart, Patients' Library, and gives time to the entertaining of children and doing personal errands for patients.

The Natick Chapter of the American Red Cross is our strength in our Blood Bank Program.

Any and all Town Departments are most helpful and friendly when called upon for assistance.

Through the interest of citizens, Industry and Civic Organizations we have during the past year acquired a Resuscitator, Respirator, Incubator, Slide Projector and Sound Film Projector and X-Ray Unit.

The Girl Scouts and Boy Scouts have made many favors for Holidays and sponsored entertainments for patients which are much appreciated.

Personally I am grateful to all persons connected with the Leonard Morse Hospital for their loyalty and support in keeping available to the people of Natick and neighboring towns the best possible Hospital Care.

The Statistical Report follows and is to be considered part of this Report.

MARY M. DUNN, *Administrator*

Civil Defense

On account of the International situation the Civil Defense has been very active. The summary of the Schools for Fall Out Shelters has been completed. The summary of the Town by the Army Engineers under the supervision of John Carr on the 1st phase has been completed, 3000 cubic feet of storage space for Engineering Food Supplies have been set up.

John Carr has been appointed by Civil Defense Director, William F. Wells, in charge of Fall Out Shelters in Natick. Ruth Miller has been appointed head of the Nurses Program. John E. Mitchell has been assigned to General Staff under Civil Defense Director Wells.

An Article requesting an Electronic Warning System has been placed in the Warrant for the Annual Town Meeting and will be located in the South Natick, West Natick and East Natick Fire Stations.

WILLIAM F. WELLS, *Civil Defense Director*

Industrial Council

The Council, together with the Filter Bed Committee and all the Town officials, worked untiringly during the year 1961 to solve the many problems and obtain answers to the many questions that will bring \$12,000,000 to \$15,000,000 of increased valuation to location on the area at Speen Street and Route 9. The forerunner to this successful venture was the September Town Meeting which cleared the way for the Brennan-Mugar-Perini interests to proceed and approve the sale of the Natick Filter Bed area to Continental Baking Company who will construct on their portion the world's largest bread bakery.

There is still much work to be done; however, the year 1962 should see the entire project well under way.

HOWARD BUTTERS, *Chairman*

WALTER E. FLAGG, *Secretary*

Natick Housing Authority

In compliance with Chapter 121 of the General Laws, the Natick Housing Authority, Town of Natick, Commonwealth of Massachusetts, submits herewith its Annual Report for the calendar year 1961.

Fifty-two tenant units of the Veterans Housing Project were completed and occupied since December of 1950. It has now been operating successfully for the past eleven years in that it has provided the Natick veterans with modern, low-cost housing which they would be unable to obtain otherwise, as the average rental paid for the current year amounts to \$56.28 per month and is based on percentage for their monthly income, as:

Families with less than three dependents, 18% of their income constitutes the monthly rental; and families of three or more dependents, 14% of their income. The minimum rental is set at \$37.50.

Applicants shall be admitted to tenancy in the project only if their net incomes are below the following established income admission limits:

Families with less than three dependents	\$4,700.
Families with three or more minor dependents	4,900.

Continued occupancy limit:

Families of less than three minor dependents	\$5,200.
Families of three or more minor dependents	5,400.

At the annual meeting held April, 1961, election of officers was duly held and nominees unanimously elected as follows:

Chairman — Edward J. Odell
Vice-Chairman — Dr. Vasil W. Petro
Treasurer — Robert D. Coleman
Assistant Treasurer — John A. Grady
Member — William J. McDermott

The Board of Assessors on February 27, 1951, established the assessed value of property taken over for the housing project at \$4,500, OR AT A PRESENT DAY TAX INCOME OF THE TOWN of \$297 yearly. The Natick Housing Authority is pleased to state that \$1,872 was paid to the Town of Natick this year in lieu of taxes.

The Natick Housing Authority wishes to express its appreciation to several town departments and the veterans' organizations for their continued assistance and co-operation.

In March of 1961 Robert D. Coleman was duly elected for a 5-year term as a member of the Natick Housing Authority.

In December of 1961 Edward J. Odell was reappointed the State Member of the Natick Housing Authority for a term of 5 years by Leo F. Benoit, Chairman of the State Housing Board.

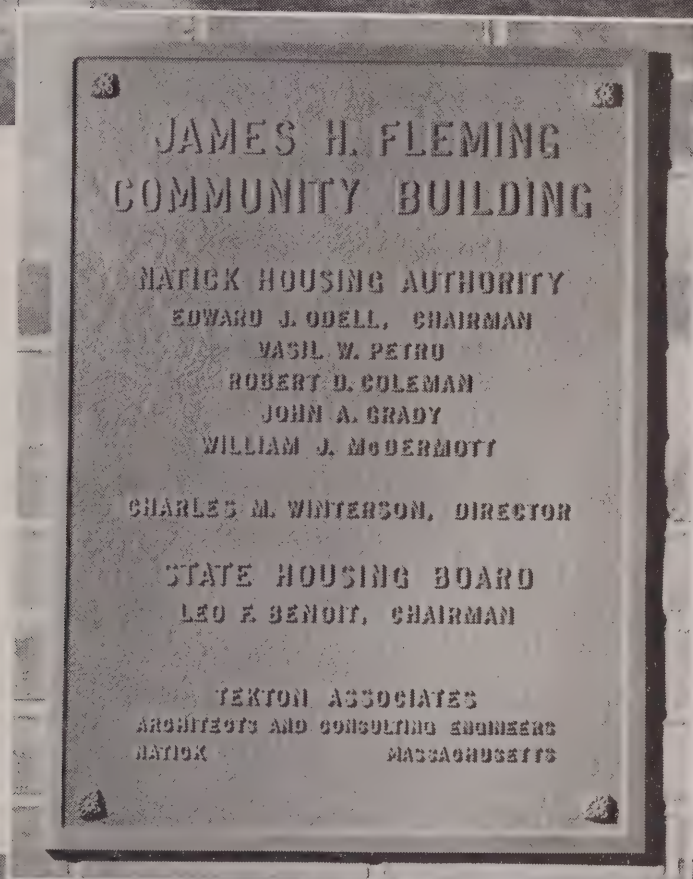

Construction is complete on the 48 apartments of the Elderly, plus a Community Building on Cedar Avenue, Natick, and a great deal of interest has been shown all over the Town in this most worthy undertaking.

On December 2, 1961, the housing for the Elderly development, "Cedar Gardens," was dedicated and official ceremonies were held in our Community Building, which rewarded our most worthy Town Clerk, James H.

**NATICK HOUSING
AUTHORITY**

**SENIOR CITIZENS
OFFICERS**

Fleming, the single honor of having the Community Building dedicated to him for his untiring efforts in behalf of all our Townspeople. An appropriate plaque was imbedded in the Fireplace Wall as a permanent honor to this great man. All Natick residents 65 years of age or older are eligible for an apartment and a single person may earn up to \$2,500 yearly and a couple may earn up to \$3,000 yearly.

All apartments are double size and can accommodate two people, and became available for occupancy on November 1, 1959.

The 48 apartments for the Elderly were so well received by the people of Natick that a rush for applications has been experienced by this Authority, and a waiting list for apartments is growing rapidly.

The Natick Housing Authority in their wisdom and untiring efforts for the Elderly Citizens of our Community have gone forward with a new construction plan, to construct 36 additional apartments at Cedar Gardens, and our Architect, Tekton Associates of Natick hope to have them completed and ready for occupancy before the end of 1962.

EDWARD J. ODELL, *Chairman*

ROBERT D. COLEMAN

DR. VASIL W. PETRO

JOHN A. GRADY

WILLIAM J. McDERMOTT

CHARLES M. WINTERSON, *Executive Director and Secretary*

Dog Officer

As Dog Officer, I respectfully submit my annual report for the period ending December 31, 1961.

Investigating complaints: one hundred and thirty-nine; lost dogs returned to the owners: eighty-seven; stray dogs captured and disposed of after the time limit by law: ninety-six.

As Burial Officer during the year, I was called upon to dispose of the following number of bodies, which were killed by motor vehicles or died of disease or natural causes: Cats: one hundred and three; dogs: ninety-two; skunks: seventy-three; squirrels: fifty-nine; muskrats: seven; and sixty-five birds.

POMPILIO ZULLO, *Dog Officer*

Planning Board

The Planning Board during 1961, held regular meetings on the third Tuesday of each month and will meet throughout 1962 monthly, on the third Tuesday, at 7:30 p.m.

Twenty-nine special Board meetings were held in 1961 covering:

- Warrant Articles for 1961 Annual Town Meeting and Special Town Meetings of June 13th and September 26th.
- Presentation of Economic Development Associates Capital Budget Report 1961 to Finance Committee.
- Various matters with Boards of Selectmen, Public Health, Public Works, Building Inspector, Town Counsel and Finance Committee.
- Planning Workshop of League of Women Voters and Economic Development Associates relating League's Town Planning Survey to Economic Development Associates study.
- Planning Board Advisory Committee and Economic Development Associates concerning progress reports on Central Business District study.
- Articles for 1962 Annual Town Meeting submitted by the Planning Board.
- Conferences with Economic Development Associates on Phase III of Comprehensive Planning Contract, completed December 9, 1961.

Planning Board Members were in attendance at:

- Massachusetts Federation of Planning Boards meeting at Dedham, Massachusetts.
- Four meetings of Framingham Area Association of Planning Boards.
- Panel Discussions on Urban Renewal under auspices of Natick Housing Authority and League of Women Voters.
- Meetings with Industrial Council members in regard to Commercial and Industrial Development in Natick.
- Two conferences at Brandeis University on Metropolitan Affairs and on Massachusetts Transportation Authority Hearings by Board of Appeals.

Seven Formal Hearings were held in 1961:

- Four on Town Meeting Articles for Annual and Special Town Meetings.
- Three on Sub-Division Developments with a total of fifty-six residential lots:
 - (a) Wethersfield "F" 23 Lots, Approved.
 - (b) Wayland Hills II 16 Lots, Approved.
 - (c) Wildwood 17 Lots, Approved.

Sixty-one plans were signed under the designation "approval under Sub-division Control Law not required."

Three communications were addressed to the Board of Appeals expressing Planning Board opinion on specific appeals.

Planning Board opposition to proposed House Bill #1584 was expressed in letters to Representative Burke and Senator Olson.

In order to provide maximum availability, the Planning Board has placed copies of all Economic Development Associates reports from 1958 to 1961 inclusive with the Morse Institute.

As in the past, the Planning Board takes this opportunity to acknowledge with appreciation the cooperation of the Town Counsel and other Boards and Departments extended to the Planning Board in 1961.

AVERY H. STANTON, *Secretary*
GEORGE P. SELLEW

ELIZABETH A. BRANSFIELD

Water meter maintenance at Public Works Building

Building Department

YEAR
1961

EMPLOYEES
2 regular
4 deputies

The Building Department issued a total of 1046 permits and received in fees the sum of \$8,829.75, this amount subsequently turned over to the Town Treasurer's office.

The permits broken down as follows:

New Building — Residential	54
New Building — Non-residential	18
Alterations — Residential	163
Alterations — Non-residential	30
Buildings Razed	11
Buildings Moved	1
Signs	24
Fences	7
Pools	3
Fallout Shelters	7
Garages	21
Electrical	351
Plumbing	260
Gas	96

Valuations broken down as follows:

NEW BUILDING

Residential \$754,100.

Non-residential:

East Natick School	165,000.
Bennett-Hemenway School	200,000.
Walnut Hill School	200,000.
First National Bank of Natick	25,000.
East Natick Community Church	65,000.
Natick Nursing Home	51,000.
Monticello Motel extension	183,000.
New England Tel. & Tel. addition	87,000.
New England Tel. & Tel. Carrier Station	5,000.
American Oil Company — Station	15,000.
West Natick Shopping Center	65,000.
Hardinge Bros.	30,000.
Farmer Electric Products	40,000.
Cerel-Perini Inc.	162,000.
S. & H. Stamp Center	60,000.
Mabern Realty Trust	50,000.
Judson Realty Trust	100,000.
Yankee Box Company	12,000.
Fallout shelters — Residential	7,500.
Fallout shelters — Commercial	695.

Total

\$2,277,295.

ALTERATIONS

Residential

\$220,001.

Non-residential

186,340.

Total

\$406,341.

GARAGES

Private

\$36,600.

New residential building for 1961 was considerably less than 1960. River Bend Acres in South Natick has completed a number of excellent homes and is still progressing. Connally Homes Realty Trust and Puritan Homes Inc. are still completing fine homes.

New commercial and industrial building was considerably lower in total as shown on valuation listings.

Alterations to residential buildings showed a sizable increase but non-residential was lower than last year. A small number of permits were issued for Fallout Shelters with no doubt more in the future.

The prospects for 1962 are very promising with the Lakeview Garden Apartments and the Reservoir Woods apartments already under permit. The proposed new shopping center at the corner of Worcester and Speen Streets should create a great amount of healthy activity.

The Board of Appeals had a busy year having heard 75 appeals for variances and special permits. Many of these appeals were due to the new Zoning By-Laws.

Peter Lombardi, Esq., alternate member of the Board resigned and Paul R. Collanton, Esq., was appointed in his place. The Board wishes to thank Mr. Lombardi for his able assistance.

RICHARD L. BENNETT, *Inspector of Buildings*

Personnel Board, left to right, Edward Marshall, Thomas McEvoy, Earl Webb, Chairman and Ralph Cox. The fifth member is Roger Doggett.

Town Collector

Committee Reports

COMMITTEE TO STUDY WAR MEMORIALS

The Committee has decided to submit the plans for a memorial on the Common as we feel this meets with the approval of all the Veterans in the Town or a majority of them.

WILLIAM F. WELLS, *Chairman*

LEONARD G. DYE
RAYMOND ALLEN

FRANK DIXON
CARLETON R. LEAVITT

TRUST FUNDS STUDY COMMITTEE

Under Article 57, Item 1, of the warrant for the annual Town meeting of 1960, it was voted that a committee of three be appointed by the Moderator to study the Trust Funds of the Town and the uses that can be made of the monies now held in trusts for the Town.

The committee that was appointed by the Moderator was Charles H. Brady, Temporary Chairman, Frank M. Bishop and Robert P. Lurvey.

As Temporary Chairman of this committee, I wish to report that a meeting was held at which all members were present. Mr. Richard E. Gould, Town Accountant, was invited and did attend this meeting. Mr. Gould stated to the committee that the only Trust Funds that are unidentifiable were as follows:

Maria Hayes Town Hall Fund
Henry Wilson Memorial Fund
Henry Wilson Statue Fund

Mr. Gould also reported that the above funds are in the custody of the Town Treasurer.

Mr. Frank M. Bishop volunteered to search the Town reports for information as to the origination and purpose of these three funds. His research produced the following results:

The Maria Hayes Town Hall Fund originated in the will of Maria Hayes dated January 23, 1899. Section 4 of this will reads, "I give to the Town of Natick \$1000. towards building a Town House."

The Henry Wilson Memorial Fund was established under Article 61 of the annual Town Meeting of March 17, 1890. This article read "To see if the Town will appropriate any money, and if so, how much, for a memorial hall or monument to perpetuate the memory of Henry Wilson." (\$1000. appropriated.)

The Henry Wilson Statue Fund was established under Article 62 of the annual meeting of March 17, 1890. This article read "To see how much money, if any, the Town will grant for a statue of Henry Wilson."

It would appear that the Maria Hayes Town Hall Fund is to be used for that purpose only if and when a Town Hall is built.

The Henry Wilson Memorial Fund is to be used "for a memorial hall or monument to perpetuate the memory of Henry Wilson."

The Henry Wilson Statue Fund is to be used specifically for a statue of Henry Wilson.

It was the opinion of this committee that these funds cannot be used for any purpose other than quoted above.

CHARLES H. BRADY, *Chairman*

FRANK M. BISHOP

ROBERT P. LURVEY

EAST NATICK SCHOOL BUILDING ADDITIONS COMMITTEE

The Committee created under Article 35 of the Warrant for the Annual Town Meeting for 1961 presents the following report: The Building Addition to the East Natick School is essentially completed and occupied by the students. There is still some site work to be finished and additional equipment to be purchased. The entire cost of the building and

furnishings will be within the appropriation. The results have been gratifying to all concerned.

We hereby submit the report and recommend that the Committee be continued.

LONG RANGE CAPITAL EXPENDITURES COMMITTEE

The following annual report of the Long Range Capital Expenditures Committee is respectfully submitted. It is noted that if the recommendations herein made are accepted, this will be the final report of the Committee.

The Committee was established by the Board of Selectmen in May 1957 with the broad purpose of improving the fiscal position of the Town through the planning of capital expenditures. In its initial year, the Committee met frequently to develop a realistic approach to the problem assigned and to commence action toward the accomplishment of its task.

It was recognized early in the Committee's work that certain basic planning information necessary to long range planning was either unavailable or out of date. This information was beyond the capability of a part-time committee or Planning Board to accumulate and present in workable form. At the recommendation of the Committee, the Board of Selectmen presented an Article at the Special Town Meeting in October 1957 calling for the appropriation of funds to be used with a matching grant of funds from the Federal Government to obtain professional planning services for the Town. Favorable action on this Article resulted in a contract with Economic Development Associates, Incorporated, for such planning services. Through subsequent appropriations, these services are still being continued with substantial benefit to the Town.

In its first year, the Committee also prepared and published the first tabulation and five-year summary of proposed capital expenditures by the Town Departments. We believe that this report and subsequent reports of this nature prepared by EDA have contributed to improved financial plan-

ning in all areas of the Town Government, particularly in enabling Town Meeting members to obtain a better picture of the future requirements for capital expenditures prior to acting upon current requests.

As recommended by this Committee and as directed by the Planning Board, EDA entered into a broad program designed to develop the information necessary for improved planning in the Town. They have, among other things, expanded and refined the annual report of planned capital expenditures originally prepared by this Committee. The acceptance of this report as a planning tool has been so widespread and obvious as not to require further comment.

With the advent of professional planning services, especially the assumption of the annual report of planned capital expenditures by EDA, the activities of the Committee became limited. With this primary function of the Committee being ably accomplished by EDA, the Committee assumed an advisory status, meeting only when specific problems were called to our attention. The Committee has met with the Planning Board, EDA, the Industrial Council and with your Board on a number of occasions in the last three years. Each year, the preliminary report on capital expenditures has been discussed with the Planning Board and EDA. At the request of the Planning Board, the Committee met to review the proposed revision of the Zoning By-Laws adopted at the Annual Town Meeting in 1960.

In the fall of 1960 the Committee met with the Planning Board and EDA to discuss the future course of the Committee. The future work of EDA was discussed as well as the desire of the Planning Board to maintain continuing professional planning assistance at reduced levels after the completion of the program now under contract to EDA. This continuing assistance would include maintaining planning information in a current status and also, if possible, the annual preparation of the summary of planned capital expenditures. In some specific areas, such as the study of the Central Business District, the Board and EDA expressed a desire for assistance from the Committee.

It is therefore concluded that while there remain areas in which the Committee could contribute to the Town, the experience of the past three years has shown that the maintenance of interest and organization in a volunteer group is difficult, if not impossible, in the absence of a continuing well-defined mission. The primary areas where assistance could be provided fall under the basic responsibilities of the Planning Board. The discharge of all of these responsibilities are, in our opinion, beyond the time available to a part-time five-member Board. It was therefore recommended to the Planning Board that they establish sub-committees or advisory committees under the Board to obtain and utilize the services of non-members of the Board who are interested and willing to serve the Town in the planning field. Such an arrangement will centralize the various planning functions directly under the Planning Board while providing a means for the Board to obtain assistance in any area or manner they deem appropriate.

The Planning Board through its Chairman and Secretary, who are ex officio members of this Committee, have expressed the willingness of the Board to avail themselves of the assistance proposed above. It should be noted that during the period of its existence this Committee has worked very closely with the Planning Board under most favorable conditions to

the mutual benefit of the Committee, the Planning Board and, we believe, the Town.

In conclusion, then, it is recommended that this report be accepted as the final report of the Long Range Capital Expenditures Committee and that upon acceptance of this report, the Committee be discharged.

The various members of the Committee desire to take this opportunity to express their appreciation to the Board of Selectmen for providing the opportunity to serve the Town on this Committee and for the cooperation and support of the Board during the existence of the Committee.

CHARLES F. MURPHY, *Acting Chairman*

BACON FREE LIBRARY MAINTENANCE COMMITTEE

The Committee appointed under Article 12 of the Third Session of the Annual Town Meeting, March 27, 1956, for the Maintenance of the Bacon Free Library is pleased to report that a new power lawn mower was bought, a book case for Young Adults was installed and a leak in the upper roof was repaired.

The Committee requests the acceptance of this report of progress and asks to be continued.

ARNOLD W. HUNNEWELL, *Chairman*
CHARLES H. PFEIFFER

MARION PFEIFFER, *Secretary*
W. FRANK CALLAHAN

EDWARD A. BALDWIN

BY-LAWS COMMITTEE

During the year 1961, the work of the Committee proceeded in continuation of the work already accomplished. In order to effect more expeditious methods, the Committee adopted a new form of going about its job which we expect will enable us to complete our duties much earlier than would have been the case before. The Committee is still interested in more ways of increasing the speed of its work without allowing any lowering in its standards of quality.

ANDREW B. GOODSPEED, *Chairman*
JAMES P. MURRAY

JOEL ROME, *Secretary*
LEON M. FOX

JOHN F. SULLIVAN

COMMITTEE TO CONSIDER SALE OF SEWER BEDS

The Filter Bed Committee, having presented its recommendations in the form of Articles to the Special Town Meeting and the Town Meeting having acted favorably on these Articles, has concluded its work and requests it be discharged.

The Committee takes this opportunity to thank the individual citizens who assisted so generously in its work and particularly the Board of Public Works and Assessors Department for their cooperation.

HENRI PRUNARET, *Chairman*

TOWN MAP COMMITTEE

The committee that was appointed under Article 20 of the Annual Town Meeting of 1958 met several times during the year 1961.

For the first time, the map was prepared in three colors for the Annual Town Meeting of 1961. Black indicated town-owned property, red the zoning changes, and green all other articles including public works. Due to budget limitations this tri-colored map could not be duplicated for the two special town meetings. However, we do plan to produce another for the Annual Town Meeting of 1962.

We feel that this map is most helpful to Town Meeting members since it gives them an idea of the location of individual articles not only in relation to contiguous areas but also in relation to the whole town.

We therefore recommend that the Town Map Committee be continued and that moneys be appropriated for its further work.

MINNA B. SATTERFIELD, *Chairman*

ELIZABETH A. BRANSFIELD

TOWN MEETING SITE STUDY COMMITTEE

The Town Meeting Site Study Committee was appointed under Article 57 of the 1960 Town Meeting for the purpose of conducting a tour of all sites under consideration in the warrants prior to each Town Meeting.

The three Town Meetings of 1961 afforded this Committee welcome opportunities to develop an acceptable system of operation which, with periodic improvements, will benefit the Town Meetings for many years to come.

In preparation for the Annual Town Meeting, twenty-two sites were scheduled for inspection and the route plotted. Letters and notices were prepared by the Committee and distributed through the Office of the Selectmen. Busses were acquired and the tour conducted on Sunday, March 5, 1961. Most sites were inspected from the busses, however, where deemed necessary, stops were scheduled and the sites were inspected on foot. Seventy-five Town Meeting Members availed themselves of the tour, which lasted two and one-half hours.

The bus tour for the Special Town Meeting in June was held on Sunday, June 11, 1961. Nine sites were visited and fifty Town Meeting Members took advantage of the two-hour tour.

On September 24, 1961 the third tour was held for the Fall Special Town Meeting. On this occasion only thirty-four Town Meeting Members inspected the sites on the one and one-half hour ride.

On each tour the names of those in attendance were recorded and are now on file.

In reviewing our accomplishments for the past year, the Committee feels the program was a most beneficial success. The one hundred dollars appropriated at the Annual Town Meeting of 1961 was spent entirely for the hiring of busses. All other costs for typing, reproduction and mailing were borne by the Committee.

After the first year of operation, including the trials, the errors, the omissions, and the improvements, it is the consensus of the Committee that all future tours be standardized as follows:

1. Each tour will be conducted on the Sunday immediately preceding Annual or Special Town Meeting.
2. Busses will leave the High School at 1:45 P.M.
3. Representatives from the Board of Selectmen, the Planning Board, and the Finance Committee should ride in each bus.
4. To best serve the Town's interests, all Town Meeting Members should be present at all tours.
5. One Hundred Twenty-Five Dollars should be appropriated annually to cover the costs of hiring busses, mailing and reproduction.

In conclusion, we wish to thank the Members of the Board of Selectmen, the Planning Board, and the Finance Committee whose cooperation was necessary for the success of this program, and especially Meyer Goodwin and the drivers who initially provided the transportation without remuneration.

COMMITTEE ON COMBINING PWD WATER AND SEWER DIVISIONS

The research and studies made by this committee reveals that these two divisions do in fact today operate as one, in that they are both under supervision of one foreman who in turn is under direct supervision of the Director and the Commissioners of Public Works. The only actual separation at present is in the bookkeeping for these two divisions.

This committee requests enabling legislation for the merging of the water and sewer divisions into one water-sewer division. This new combined division to be under direct supervision of the Director and Commissioners of Public Works as heretofore.

In the event this committee's recommendation is approved it is further recommended that this body be continued as presently constituted to assist in the conclusion of the merger of the divisions.

HENRY WILSON SCHOOL BUILDING COMMITTEE

The Committee has been under the jurisdiction of the Town Counsel and Selectmen for the past year. As yet a proper release for this building has not been obtained from the general contractor, so that final payment will not be made unless approved by the Town Counsel.

The Committee requests the addition of another member to replace those who have moved away from the town in order to have a legal quorum.

EDITH M. TRIPP

HOSPITAL NEEDS COMMITTEE

This Committee authorized under the substitute motion on Article 5 of the Warrant for the Special Town Meeting held September 8, 1960, presents its second report. As no appropriation was included in the above motion, the sum of \$9,000 was approved under Article 11 of the Special Town Meeting on June 20, 1961, to carry out the broad program assigned.

After several interviews with the Hospital Services Division of the United Fund, to which the people of Natick are contributors and of which the Leonard Morse Hospital is a recipient, the Committee voted to retain Mr. Richard T. Viguers as Consultant. His qualifications include: Administrator of the New England Center Hospital and its affiliates since 1947; employed by the Commonwealth Fund in the Division of Rural Hospitals, New York City; during World War II the Executive Officer of a 5,000-bed military hospital in Texas; past president of the New England Hospital assembly; Trustee of the Massachusetts Hospital Association; member of the Council on Administrative Practice of the American Hospital Association; president of the Massachusetts Health Council; and consultant for the Bingham Associates Fund.

The Committee has held numerous meetings and made careful studies of the special items it has been charged with, and at this time reports on the following —

- No. 2 “The possible value of a regional hospital.” We find that this is very successful in outlying country areas, but not satisfactory for this community and of no interest to the ones surrounding Natick.
- No. 3 “The question of a full time resident physician.” This seems to be impossible for a hospital the size of our present one to obtain because of the scarcity of doctors, the lack of incentive in a non-training institution without research when there is so much opportunity in the Boston medical centers, which would result in an exorbitant cost if available and approved for the present size.
- No. 4 “Other hospital facilities available in surrounding communities.” Besides the Boston hospitals for specialized treatments, the doctors of our community staff also use the following hospitals when rooms are available: Newton-Wellesley, Needham, Norwood, Milford, Framingham, Marlboro, Concord and Waltham. However, these are not always able to aid local overcrowded problems.

Other matters that we were referred to for investigation as specified are:

- No. 1 “The hospital needs of Natick: in-patient and out-patient.”
- No. 5 “The emergency admission needs, and such other aspects of the general question as may bear upon the future of the Leonard Morse Hospital.”

It is obvious to properly survey these questions as well as those of a broader view, that the records of the Leonard Morse Hospital be made

available, and consultations with its Trustees, Staff, and Employees be permitted. Indeed to properly deal with "such other aspects of the general question as may bear upon the future of the Leonard Morse Hospital," the entire community — Trustees, Board of Health, Doctors, Visiting Nurse and Citizens must work together. In our sincere effort to serve the townspeople your Committee has made exhaustive attempts to obtain the co-operation of the Board of Trustees of our hospital. However, they have advised that we, our Consultant, and his assistants, are denied admission to the premises for any purposes in connection with the study.

On January 4, 1962 we attended a meeting of the Board of Selectmen, the Town Counsel, some of the Trustees, their secretary and attorney, to discuss determination of the public or private status of the Hospital. Pending action to be brought by the Board of Trustees obtaining a definite Supreme Court ruling on the Leonard Morse Hospital, the Hospital Needs Committee asks to be continued.

PURCHASING CO-ORDINATION COMMITTEE

Under Article 48, Section F, of the Warrant for the Annual Town Meeting, March, 1961, a Committee of five (5) was appointed to the Purchasing Co-ordination Committee. The date of appointment, June 23, 1961.

Due to the unfortunate timing of the appointment and its coincidence with summer vacations, the first meeting was held September 21, 1961.

Subsequent discussions led to a study of the March, 1961 warrant budget figures from which a basic method of operation for the Committee was established.

Since the Committee was fortunate enough to have Leonard Hanna, the School Department Business Manager, included in its body, the Committee was able to evaluate much information indicative of some very excellent practices being followed by our Town School Department. Preliminary but incomplete surveys indicate that other Town Departments are also following some excellent practices.

As an addition to these excellent practices, the Committee feels that further study, at no cost to the town, should continue until such time that the completeness of such a study can produce some very realistic programs to be presented to the Town Meeting for its consideration.

Some items for further study and future recommendations are as follows:

1. Reclassification of all accounts as issued in the Warrant and in Budget Estimates, supplied by all departments, for the purposes of making purchases by all departments on like items consistent for accounting and reporting purposes. This would allow for consolidation and/or co-ordination of procurement, thus saving tax dollars.
2. Maintaining a permanent Purchasing Co-ordination Committee to assist all departments in the scheduling and placing of business to

take advantage of bulk purchasing prices and off-season procurement.

In addition to these two (2) points of study, others are being considered that could save additional tax dollars.

The savings that are possible after thorough investigation is completed should be of a nature that would point to Natick again as a progressive community that operates to business-like, efficient standards.

Therefore, the Committee hereby submits its report and recommends that Town Meeting approve continuation of its efforts.

CENTRAL PURCHASING EQUIPMENT COMMITTEE

The committee originally appointed and organized as the Central Purchasing Equipment Committee to carry out the purchasing of new equipment for the designated departments was continued under Article 17 of the Warrant for the Annual Town Meeting of March 21, 1961.

Appropriation		\$96,434.00
Plus Transfers from Reserve Fund		70.02
Total		<hr/> \$96,504.02
Less Purchases	\$63,679.11	
Encumbered Purchases	26,775.54	— 90,454.65
	<hr/>	<hr/>
Balance returned to revenues		\$ 6,049.37

All purchases were bid and publicly opened and read. The Committee held many meetings and investigated thoroughly to assure the Town it received satisfactory and durable equipment. All designated purchases were effected.

CONSERVATION COMMISSION

The Conservation Commission was established under Article 13 and 14 of the warrant of the special Town meetings June 13, 1961, for the promotion and development of the natural resources and the protection of the watershed resources of the Town.

As the official resource agency of the Town, the commission will maintain an index of all open lands (upland and wetland) and will make recommendations as to their proper use and management. It will act as the coordinating agency on conservation matters, and will conduct research on related problems.

The Conservation Commission may accept gifts of land, funds, or building on behalf of the Town and manage donated or purchased proper-

ties in accord with the provisions of the general laws of the Commonwealth.

On December 18, 1961 the Board of Selectmen appointed the members to serve on the Town Conservation Commission. The Commission held its organizational meeting January 11, 1962. The first duty of the Commission is the indexing of all Town land showing the open areas along with wetlands. The Conservation Commission will hold regular monthly meetings.

PARKING METERS — OFF-STREET PARKING AREAS STUDY COMMITTEE

This Committee, appointed under Article 48, Section F. of the warrant for the Annual Town Meeting for 1961 presents the following report:

Committee members, in the discussion of this subject, were of the opinion that the sentiment of the Town is divided as to whether parking meters should be installed in the present off-street parking lots located in the Central Business District.

The Committee recommends that no definite decision be made until a determination is made as to what action the Town may take on the Phase III report of E. D. A. pertaining to Natick Central Business District. If a survey of the C. B. D. is to be made under the Federal Renewal Program for possible redevelopment of the C. B. D., the subject matter of this report will undoubtedly be studied under any such survey. The E. D. A. report suggests either the need of additional off-street parking facilities or elimination of all day parking, in one section of it, but the overall recommendation appears to favor additional parking spaces.

We respectfully request the acceptance of this report as an interim report and recommend the continuance of the Committee for further study and a final recommendation.

Annual Town Warrant

WARRANT FOR NON-PARTISAN PRELIMINARY ELECTION — 1961 THE COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To any Constable of the Town of Natick in said County:

In the name of the Commonwealth of Massachusetts you are hereby required to notify the qualified voters of said Town of Natick to meet:

The Voters of Precinct No. 1 in Center School Auditorium.
The Voters of Precinct No. 2 in School House Hall, South Natick.
The Voters of Precinct No. 3 in Brown School, West Natick.
The Voters of Precinct No. 4 in Congregational Church.
The Voters of Precinct No. 5 in Lilja School (Oak Street), East Natick.
The Voters of Precinct No. 6 in Bennett-Hemenway School, North Natick.
The Voters of Precinct No. 7 in Harold H. Johnson School.
The Voters of Precinct No. 8 in West Natick School.

MONDAY, FEBRUARY 6, 1961

at 12 o'clock noon, at which time in all Precincts of said Town of Natick, the polls will be opened and will remain open continuously until 8:00 p.m. of said day, when they will be closed, during which time the aforesaid qualified inhabitants of said Town may bring in their votes to the Election Officers, duly appointed and sworn for said Precincts for said Town of Natick in said meeting so assembled for:

One Moderator, one Town Treasurer, also six Constables, all for one year; also one Selectman, one Assessor of Taxes, one member of the Board of Public Welfare, two members of the School Committee, one member of the Board of Health, one Commissioner of Public Works, all for three years; also five Recreation Commissioners for two years; also one member of the Planning Board, one member of the Housing Authority, all for five years; also one Trustee of the Leonard Morse Hospital for seven years; also one member of the Board of Health for one year to fill the unexpired term of Stuart C. Peterson, resigned; also one member of the School Committee for one year to fill the unexpired term of Robert H. Anderson, resigned.

All ballots to be furnished by the Town and the election will be conducted according to the Australian system, as enacted in Massachusetts, and in conformity with the election laws of said Commonwealth.

And you are directed to serve this Warrant by posting attested copies thereof in each of the post offices in said Natick and at the following public places in said Natick, to wit: Entrance to Selectmen's Rooms, Main Street Entrance to Concert Hall, Natick Police Station and Central Fire Station in Natick; Pine's Market, Felchville; Pole #144 on No. Main Street, opposite Pine Street, North Natick; Pole #15 at intersection of Everett and Cottage Streets, Little South; Drug Store at south east corner of Worcester and Oak Streets, East Natick; Pole at intersection of Speen and Mill Streets, West Natick; and Paul Dowd's Store, South Natick, seven days at least before said February 6, 1961; also by causing an attested copy of said Warrant to be published once in the newspapers called "The Natick Herald" and "The Natick Bulletin," said publications to be seven days at least before the day appointed for said meeting.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk at or before the time appointed for holding said meeting.

Given under our hands this 19th day of January A.D. 1961.

JAMES H. FLEMING
Town Clerk of Natick

**ANNUAL TOWN MEETING, 1961
SECOND SESSION, MARCH 14, 1961**

Meeting called to order by the Moderator at 7:45 P.M. and stated that there was a Quorum present.

Invocation delivered by Rev. Joseph Zito.

Voted, to waive the reading of the Warrant Articles.

The Finance Committee reported through its Secretary, Mr. O. Edwin Swenson.

At this time Mr. Rogers was granted the privilege of presenting the following Resolution:—

Resolution, unanimously adopted, passed at the meeting of the Second Session held on March 14, 1961, of the Annual Town Meeting.

RESOLUTION

WHEREAS, Fletcher A. Hatch has provided faithful, outstanding, and immeasurable service to the School Department and to the citizens of Natick for ten continuous years during which time he has served as chairman of five, as secretary of two, and as a member of all of the following committees: High School Survey Committee, Town Forest Committee, Incinerator Committee, Workman's Compensation and Insurance Committee, the Building Committees of the High School, the Wilson Junior High School, the Coolidge Junior High School Renovation, the

Coolidge Junior High School Addition, the Cole School, the Cole School Addition, the Lilja School Addition, and the Lincoln School Addition, and

WHEREAS he has also been an active member of the Town Meeting since the representative form of government was adopted,

NOW, THEREFORE, BE IT RESOLVED: That the citizens of Natick, by their representatives in Town Meeting assembled, express deep appreciation to Fletcher A. Hatch for his generous and exceptional services to the Town of Natick, and That the Town Clerk embody our action in the records of this meeting and convey this Resolution and action to Fletcher A. Hatch.

ARTICLE 1.
(Personnel Board)

To see if the Town, pursuant to the authority contained in Section 108A of Chapter 41 of the General Laws, will vote to amend the By-Laws by adding to Article VIA, Section XIV, a new paragraph deleting certain position titles, adding new position titles and effecting certain changes in the salary ranges as presently established and will provide the money necessary therefor.

The Finance Committee recommends that pursuant to the authority contained in Section 108-A of Chapter 41 of the General Laws, to amend its By-Laws in Section XIV of Article VI-A Employees Classification and Pay Plan, by substituting for the present Official Pay Plan, a new Official Pay Plan as follows:

| 5. Board of Assessors | 12. Morse Institute Library |
| 6. PWD Administration | 13. Recreation Commission |
| 7. PWD Equipment Maintenance | 14. PWD Water |

Voted, unanimously, to appropriate the sum of \$96,434.00 to purchase new equipment for the following departments:

Board of Selectmen	\$ 70.00
Town Accountant	375.00
Town Treasurer	260.00
Town Collector	417.00
Board of Assessors	7,890.00
PWD Administration	3,445.00
PWD Equipment Maintenance	2,500.00
Police Department	10,000.00
Fire Department	30,900.00
Board of Health	2,450.00
PWD Highway	23,950.00
Morse Institute Library	700.00
Recreation Commission	977.00
PWD Water	12,500.00

and that said sum of \$96,434.00 be appropriated as follows: \$1,830.75 to be taken from the earnings of the Sewer Division; \$13,658.50 to be taken from the earnings of the Water Division; \$23,950.00 from the Road Machinery Fund; and \$56,994.75 from the Current Tax Levy.

and that the above sums of money be expended by the Central Purchasing Equipment Committee established under Article 18 of the Warrant for the Annual Town Meeting in 1955, and that said Committee be authorized to trade in all equipment being replaced by these purchases.

Committee: Town Treasurer, Richard H. Potter; Town Accountant, Richard E. Gould; Member Finance Committee, Edwin C. Williams; Business Manager School Department, Leonard F. Hanna; Director of Public Works, Robert S. Wharton.

ARTICLE 18 (Town Accountant)

To see if the Town will vote to raise and appropriate, or otherwise provide, such sums of money as may be required for the payment of Unpaid Bills of previous years incurred by the several departments, boards, and officers of the Town.

Motion of Finance Committee for Indefinite Postponement.

Substitute motion of Mr. Wells, that the sum of \$78.00 be appropriated from the current tax levy to pay an unpaid bill of the Police Department incurred in 1960, for medical expenses of Joseph T. Kane injured while acting as a Police Officer of the Town.

Motion for Indefinite Postponement, lost.

Motion of Mr. Wells, carried, unanimously.

ARTICLE 19 (Board of Selectmen)

To see what sum of money, if any, the Town will vote to appropriate to settle claims for damage pending against the Town in which the claimants are willing to accept the sums recommended by the Selectmen, or otherwise act thereon.

Voted, unanimously, Indefinite Postponement.

Article 20 (Town Treasurer)

To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1962 and to issue a note or notes therefor, payable within one year and renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws, or otherwise act thereon.

Voted, unanimously, that the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1962, and to issue a note or notes therefor, payable within one year and renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 21 (Natick Contributory Retirement System)

To see if the Town will vote to accept Chapter 647 of the Acts of 1960 increasing the amounts of pensions, retirement allowances, or annuities payable to certain former public employees; appropriate a sum of money therefor, or otherwise act thereon.

Voted, unanimously, to accept Chapter 647 of the Acts of 1960 relative to increasing the amounts of pensions, retirement allowances, or annuities payable to

certain former public employees; and that the sum of \$2,449.00 be appropriated from the Current Tax Levy; itemized as follows:

Contributory Retirement System Pension Fund	\$2,000.00
Non-Contributory Pensions	282.00
Non-Contributory Annuities	167.00

Article 22. See Second Session — March 14th, Page 99.

Article 23
(Department of Public Works)

To see if the Town will vote to accept the following Streets as the same have been laid out and filed by the Board of Public Works:—

Erie Drive
Huron Drive
Michigan Drive

Voted, unanimously, to accept the following Streets as the same have been laid out and filed by the Board of Public Works:

Erie Drive
Huron Drive
Michigan Drive

Article 24
(Department of Public Works)

To see if the Town will vote to accept Francis Avenue as and for a public way, under the provisions of Chapter 82 and 80 of the General Laws, as amended, providing for the assessments of betterments, and provide the sum of money necessary to pay the cost of construction or otherwise act thereon.

Voted, unanimously, to accept Francis Avenue as and for a public way as the same has been laid out and filed with the Board of Public Works, work to be done under the provisions of Chapter 82 and 80 of the General Laws, as amended, providing for the assessment of betterments, by the Public Works Department, said betterments to be borne not less than one hundred percent by the abutters; and that the sum of \$6,283.60 be appropriated as follows:

\$123.08 from the unencumbered balance of the South Avenue Resurfacing Appropriation, \$785.71 from the unencumbered balance of the Washington Street Resurfacing Appropriation each of which were established under Article 24 of the Warrant from the Annual Town Meeting in 1960; \$1,703.72 from the unencumbered balance of the Chapter 90 Construction Hartford Street Appropriation established under Article 29 of the Warrant for the Annual Town Meeting in 1957; \$3,635.00 from the unencumbered balance of the Chapter 90 Construction Speen Street Appropriation established under Article 26 of the Warrant for the Annual Town Meeting in 1959; and \$36.09 from the Current Tax Levy.

Article 25
(Department of Public Works)

To see what sum of money the Town will appropriate by borrowing or otherwise, to widen, to resurface, reconstruct or drain Mill Street from Hartford Street southerly approximately 3,900 feet; such sum or part thereof to be used in conjunction with money contributed by the State and County, or otherwise act thereon.

Voted, Indefinite Postponement.

ARTICLE 26
(Department of Public Works)

To see if the Town will vote to authorize the Board of Public Works to extend water mains, to replace existing water mains with pipe not less than six (6) inch diameter on Worcester Street from Speen Street approximately 1,450 feet easterly; Speen St. from Hartford Street approximately 2,000 feet southerly; Ridge Avenue

from Clifton Road approximately 130 feet southerly; appropriate or borrow money to pay for same, or otherwise act thereon.

Voted, unanimously, to appropriate the sum of \$39,126.12 and to authorize the Board of Public Works to extend water mains, to replace existing water mains, with pipe of not less than six (6) inch diameter, for the specific purposes hereinafter designated and that the same be expended only for such purposes, itemized as follows:

Replace Water Mains — Worcester Street (from Speen Street approximately 1,450 feet easterly)	\$17,400.00
Replace Water Mains — Speen Street (from Hartford Street approximately 2,000 feet southerly)	20,000.00
Replace Water Mains — Ridge Avenue (from Clifton Road approximately 130 feet southerly)	1,726.12

and that the said sum of \$39,126.12 be appropriated as follows: \$6.04 from the unencumbered balance of the Replace Water Mains Worcester Street Appropriation; \$2,371.11 from the unencumbered balance of the Replace Water Mains Hudson Street Appropriation; \$262.12 from the unencumbered balance of the Replace Water Mains Lakeshore Road Appropriation; \$292.10 from the unencumbered balance of the Replace Water Mains Wellesley Road Extension Appropriation; \$479.43 from the unencumbered balance of the Replace Water Mains Edwards Road Appropriation; each of which were established under Article 26 of the Warrant for the Annual Town Meeting in 1960; \$3,471.29 from the unencumbered balance from the Replace Water Mains Bacon Street Appropriation established under Article 28 of the Warrant for the Annual Town Meeting in 1959; \$12.53 from the unencumbered balance of the Construct New Well Appropriation established under Article 31 of the Warrant for the Annual Town Meeting in 1958; \$231.50 from the Current Tax Levy; and that the Treasurer, with the approval of the Selectmen, is hereby authorized to borrow outside the Debt Limit the sum of \$32,000.00 and to issue Bonds or Notes of the Town therefor, under the authority of and in accordance with Chapter 44, Section 8, of the General Laws, said bonds and notes and interest thereon to be payable in not more than two years.

ARTICLE 27

(Department of Public Works)

To see if the Town will vote to authorize the Board of Selectmen to take by eminent domain, or otherwise acquire, a parcel of land now or formerly owned by Carling Brewing Company, Inc., located on the northerly side of Worcester Street, containing 27,189 square feet, shown as lot #2 on Land Court Plan sheet #2, Case Number 25425A, for the purpose of Water System Expansion, bounded and described as follows:

Beginning on the southerly side of property owned by the Boston & Albany Railroad Company at the land of the Commonwealth of Massachusetts, thence bearing South 44° 14' 40" East, distance 26.86 feet, thence by a curve of radius 2,560.92 feet, distance 223.14 feet, thence bearing South 81° 06' 50" West, distance 252.96 feet, thence bearing North 21° 33' 25" East, distance 250.00 feet to the point of beginning.

or otherwise act thereon.

Voted, unanimously, Indefinite Postponement.

ARTICLE 28

(Department of Public Works)

To see if the Town will vote to authorize the Board of Public Works to construct a new well, pumping station, install pumping equipment and accessories, and construct connecting mains on land owned by the Town of Natick on the northerly side of Worcester Street, appropriate by borrowing or otherwise money therefor, or otherwise act thereon.

Voted, unanimously, Indefinite Postponement.

Article 29. See Third Session — March 16th, Page 106.

Article 30. See action on this Article on the 6th Session, March 28th, Page 124.

ARTICLE 31
(Department of Public Works)

To see if the Town will vote to authorize the Board of Public Works to construct sewer mains in the Felch Road — Drury Lane area, transfer, appropriate or borrow money to pay for same, or otherwise act thereon.

Voted, unanimously, to authorize the Board of Public Works to construct sewer mains in the Felch Road — Drury Lane Area and that the sum of \$7,900.00 be appropriated from Sewer Surplus Revenue; and that assessments be made upon the abutters as authorized by any general or special law; said betterments to be borne not less than seventy-five percent by the abutters and the remainder by the Town.

Article 30. Motion of Mr. Fox, to reconsider Article 30, carried. Motion of Mr. Appleton, to table this Article till one week from tonight, March 28th, carried: see Sixth Session — Page 124.

ARTICLE 32
(School Committee)

To see if the Town will appropriate a sum of money from current tax levy, transfer from any available funds, or by borrowing, to purchase or take by eminent domain for public school building and use, all or any part of a certain parcel of land in Natick, described as follows:

Beginning at a point on the southeast corner of the Brown School lot, shown as lot A1 on Land Court Plan 19356-C and at lot 159 as shown on Land Court Plan 19356-A Sheet 5; thence as shown on Land Court Plan 19356-A Sheet 1 N87°-45'-40" E 231.76 feet; thence N67°-26'-45" E 129.16 feet; thence N52°-21'-30" E 240.03 feet; thence N51°-38'-30" E 240.00 feet; thence S46°-05'-40" E 132.04 feet; thence S17°-43'-40" W 245.00 feet to Trevor Lane; thence along the northerly side line of Trevor Lane S72°-16'-20" E 105.00 feet to a point of curvature; thence by a curve with a radius of 20.00 feet and a length of 31.42 feet to a point of tangency on Surrey Lane; thence by the Westerly side line of Surrey Lane S17°-43'-40" W 90.00 feet to a point of curvature; thence by a curve with a radius of 20.00 feet and a length of 31.42 feet to a point of tangency with the southerly side line of Trevor Lane; thence along Trevor Lane N72°-16'-20" W 100.00 feet to a point; thence S17°-43'-40" W 85.00 feet; thence S26°-01'-20" W 231.62 feet; thence S30°-31'-40" W 237.16 feet; thence S28°-28'-30" W 89.47 feet; thence S18°-04'-20" W 99.93 feet; thence S05°-47'-50" W 109.48 feet to land of the Country Club of Natick, Inc.; thence N88°-41'-22" W 304.23 feet; thence N70°-34'-32" W 239.36 feet to a brook; thence N15°-10'-50" E 33.00 feet along said brook to a point; thence N58°-23'-50" W 115.50 feet; thence N18°-39'-00" E 297.00 feet to lot A1 shown on Land Court Plan 19356C; thence by said lot A1 N31°-17'-00" E 146.38 feet and N11°-06'-00" E 214.49 feet to the point of beginning; together with all rights in Trevor Lane.

or otherwise act thereon.

Voted, unanimously, to authorize the Board of Selectmen to take by right of eminent domain or acquire by gift or purchase for public school building and use all or any part of that certain parcel of land in Natick, bounded and described in the Article and that it be placed under the jurisdiction of the School Committee and that the sum of \$10,000.00 to meet the costs of acquiring same, be raised and appropriated as follows:

\$1,000.00 from the unencumbered balance of the Purchase Land for School Use Appropriation established under Article 41 of the Warrant for the Annual Town Meeting in 1955; and \$9,000.00 from the Current Tax Levy.

ARTICLE 33
(School Committee)

To see if the Town will vote to raise and appropriate a sum of money for the purpose of obtaining preliminary plans and estimates for the purpose of erecting a new junior high school on the site described in Article 32 and transfer any sum therefor from available funds, and authorize the borrowing of money under the authority of any general or special law permitting the Town to borrow for such purpose, or take any action relative thereto.

Voted, unanimously, to refer the subject matter of this Article to the next Annual Town Meeting.

Article 34. See Second Session — March 14th, Page 99.

Article 35. See Second Session — March 14th, Pages 99-100.

Article 36. Motion of Mr. Belisle, to table this Article till one week from to-night, March 28th, carried; see Sixth Session — Pages 124-125.

Article 37. Voted, to table this Article till next Tuesday night, March 28th — See Sixth Session — Page 125.

ARTICLE 38
(School Committee)

To see if the Town will appropriate a sum of money from current tax levy, transfer from any available funds, or by borrowing, to purchase or take by eminent domain for public school use, all or any part of a certain parcel of land in Natick, described as follows:

Beginning at a point on the westerly side line of West Street, and 903.11 feet from the northerly side line of South Main Street, thence N74°-55'-51" W 996.33 feet by land now or formerly of E. F. and G. H. Hill to a point; thence N17°-28'-01" E 365.43 feet by land now or formerly of E. Caterino to an iron pipe; thence S72°-31'-59" E 807.10 feet by land of the Town of Natick to a stone bound on the westerly side line of West Street; thence S13°-19'-43" E 174.62 feet by the westerly side line of West Street to a point; thence S12°-13'-10" E 200.00 feet by the westerly side line of West Street to the point of beginning.

Said parcel containing 7.18 acres of land as shown on a plan by MacCarthy Engineering Service, Inc. dated December 20, 1960.
or otherwise act thereon.

Voted, unanimously, to refer the subject matter of this Article to the next Town Meeting.

ARTICLE 39
(Board of Assessors)

To see if the Town will vote to authorize the Board of Assessors, effective January 1, 1962 to contract for professional appraisal of all new taxable real estate; to raise and appropriate a sum of money, transfer from available funds, or otherwise act thereon.

Voted, to authorize the Board of Assessors, effective January 1, 1962 to contract for professional appraisal of all new taxable real estate; and that the sum of \$3,500.00 be appropriated from the Current Tax Levy.

ARTICLE 40
(Tree Warden)

To see what sum the Town will appropriate for improving the Town Forest, and adopting it for public instruction and recreation, or otherwise act thereon.

Voted, unanimously, to appropriate the sum of \$500.00 from the Current Tax Levy for improvements in the Town Forest and that said sum shall be expended under the direction of the Tree Warden.

Voted, to adjourn to next Thursday evening 7:30 in this hall.

Adjourned 10:50 P.M.

A Record of the Proceedings of the Fourth Session.

JAMES H. FLEMING
Town Clerk of Natick

Attest:

JAMES H. FLEMING
Town Clerk of Natick

ANNUAL TOWN MEETING, 1961
FIFTH SESSION, MARCH 23, 1961

Meeting called to order by the Moderator at 7:45 P.M. and stated that there was a Quorum present.

ARTICLE 41
(Natick Recreation Commission)

To see what sums of money the Town will vote to raise and appropriate, or otherwise provide for the installation of a lighting system at the High School Tennis Courts, or otherwise act thereon.

Voted, unanimously, to appropriate the sum of \$5,000.00 from the Current Tax Levy for the installation of a lighting system at the High School Tennis Courts, use of said Courts to be controlled by meters, said money to be expended under the direction of the Recreation Commission.

ARTICLE 42
(Bacon Free Library Maintenance Committee)

To see what sum of money the Town will vote to raise or borrow or transfer and appropriate for the maintenance of the Bacon Free Library, or otherwise act thereon.

Voted, unanimously, to appropriate the sum of \$3,851.00 from the Current Tax Levy for the maintenance of the Bacon Free Library; said sum of money to be expended by the Bacon Free Library Maintenance Committee, appointed under Article 12 of the Warrant for the Annual Town Meeting of 1956.

ARTICLE 43
(Dutch Elm Disease Committee)

To see if the Town will vote to borrow or appropriate a sum of money for the removal and disposal of Dutch Elm diseased trees from private property, under the provisions of Chapter 132 of the General Laws, and provide for the apportionment of the cost of such removal and disposal between the landowner and the town or otherwise act thereon.

Voted, unanimously, to appropriate the sum of \$3,000.00 from the Current Tax Levy for the removal and disposal of Dutch Elm diseased trees from private property and that apportionment of the cost of such removal and disposal be assessed in accordance with the provisions of Chapter 132 of the General Laws, and that said sum be expended under the direction of the Moth Superintendent.

ARTICLE 44
(Conservation Commission Study Committee)

To see if the Town will vote to instruct the Selectmen to appoint a Town Conservation Commission of seven members in accordance with Section 8C of Chapter 40 of the General Laws of the Commonwealth of Massachusetts as amended by Chapter 223 of the Acts of 1957, said members to be appointed in a manner such that two members will be appointed to serve for terms of one year each, two members for terms of two years each, and three members to serve for terms of three years each, and that any and all successors shall serve for terms of three years each; and said commission shall elect from among its members a Chairman and such other officers necessary for carrying out the purpose of the Commission; and said commission shall carry out the purposes of such Act in coordination with the recommendations of the general or comprehensive plan for the town as developed by the Planning Board and as it may exist from time to time and that the sum of \$300.00 be appropriated from available funds for the expenses of the said commission, or otherwise act thereon.

Ruled Improperly put.

ARTICLE 45
(Primary Election Study Committee)

To see if the Town will vote to instruct its Representative to the General Court to secure legislation authorizing the non-partisan preliminary election of the Town of Natick to be held in one precinct if the Board of Selectmen shall determine it is for the best interests of the Town, said determination to be made each year prior to the publication of the Town Warrant, or otherwise act thereon.

The Finance Committee recommends that the Town vote to instruct its Representative to the General Court to secure legislation authorizing the non-partisan preliminary election of the Town of Natick to be held in one precinct if the Board of Selectmen shall determine it is for the best interests of the Town, said determination to be made each year prior to the publication of the Town Warrant.

Motion of Mr. Gould, for Indefinite Postponement, carried.

Article 46. See Third Session — March 16th, Page 107.

ARTICLE 47
(By Petition — Roy E. Wyman and Others)

To see if the Town of Natick will vote to pay Roy E. Wyman the sum of Five Hundred and Ten Dollars (\$510.00) for Attorney's fee and Doctor's fee paid out by Roy E. Wyman to establish claim while employed by the Public Works Department of the Town of Natick — or otherwise act thereon.

Voted, to appropriate \$410.00 from the Current Tax Levy to satisfy a moral obligation by paying the Attorney's fee and Doctor's fee of Roy E. Wyman and to request its representative to the General Court to seek legislation ratifying this vote.

ARTICLE 48
(Board of Selectmen)

To hear and act upon the reports of the several Town Officers and reports of Committees authorized by vote of any former Town Meeting, and to authorize the appointment of any committee the Town may think necessary and to appropriate sums of money for the purpose thereof or to take any action relative thereto.

A. **Voted**, that the reports of the various Town Officers as printed in the Town Report of 1960 be accepted.

B. The Finance Committee recommends that the reports of the following Committees be accepted and that the Committees be continued: War Memorial Study Committee appointed under Article 21 of the Warrant for the Annual Town Meeting of 1955; Central Purchasing Equipment Committee appointed under Article 18 of the Warrant for the Annual Town Meeting of 1955; Bacon Free Library Maintenance Committee appointed under Article 12 of the Warrant for the Annual Town Meeting of 1956; Natick Sewer Beds Committee appointed under Article 20 of the Warrant for the Annual Town Meeting of 1958; Wilson Junior High School Building Committee appointed under Article 1 of the Warrant for the Special Town Meeting of April 24, 1958; Town By-Laws Study and Revision Committee appointed under Article 20 of the Warrant for the Annual Town Meeting of 1958; Conservation Commission Study Committee appointed under Article 57 of the Warrant for the Annual Town Meeting of 1960; Hospital Needs Committee appointed under Article 5 of the Warrant for the Special Town Meeting of September 8, 1960; Town Office Building Committee appointed under Article 57 of the Warrant for the Annual Town Meeting of 1960; Bennett-Hemenway School Addition Committee appointed under Article 1 of the Warrant for the Special Town Meeting of September 8, 1960; East Natick School Addition Committee appointed under Article 2 of the Warrant for the Special Town Meeting of September 8, 1960.

Motion of Mr. Thomas, to amend Article 48, Section B, that the Bennett-Hemenway School Addition Committee and the East Natick School Addition Committee shall, in their final reports, include a detailed analysis of the cost of the complete project, in a manner generally thought to be most informative by the Architectural Profession, carried.

Motion of Finance Committee, as amended by motion of Mr. Thomas, carried.

C. **Voted**, that the reports of the following Committees be accepted and that the Committees be discharged with a vote of thanks: Cole School Addition Building Committee appointed under Article 42 of the Warrant for the Annual Town Meeting of 1959; Park and Recreation Departments Merger Study Committee appointed under Article 24 of the Warrant for the Annual Town Meeting of 1957; Coolidge Junior High School Renovation and Addition Committee appointed under Articles 40 and 41 of the Warrant for the Annual Town Meeting of 1959; Street Acceptance Committee appointed under Article 20 of the Warrant for the Annual Town Meeting of 1959; Primary Election Committee appointed under Article 57 of the Warrant for the Annual Town Meeting of 1960; Dutch Elm Tree Disposal Committee appointed under Article 57 of the Warrant for the Annual Town Meeting of 1960; Insurance on Buildings, Motor Vehicles, PWD Water and Sewer Liability Study Committee appointed under Article 57 of the Warrant for the Annual Town Meeting of 1960; Leonard Morse Hospital Building Survey Committee appointed under Article 44 of the Warrant for the Annual Town Meeting of 1959.

D. The Finance Committee recommends that the following Committees be continued: Natick Industrial Council appointed under Article 57 of the Warrant for the Special Town Meeting of April 14, 1953; Town Government Study Committee appointed under Article 22 of the Warrant for the Annual Town Meeting of 1956; Trust Funds of the Town Study Committee appointed under Article 57 of the Warrant for the Annual Town Meeting of 1960; Rubbish and Garbage Collection Study Committee appointed under Article 57 of the Warrant for the Annual Town Meeting of 1960; Pre-Town Meeting Tour of Inspection of Sites Committee appointed under Article 57 of the Warrant for the Annual Town Meeting of 1960; Town Assessment Procedure Study Committee appointed under Article 56 of the Warrant for the Annual Town Meeting of 1960.

Motion of Mrs. Pipe, to place the Pre-Town Meeting Tour of Inspection of Sites Committee appointed under Article 57 of the Warrant for the Annual Town Meeting of 1960, under Section E, carried.

Motion of Finance Committee, as amended by motion of Mrs. Pipe, carried.

E. The Finance Committee recommends to accept the report of the Town Meeting Maps Committee appointed under Article 20 of the Warrant for the Annual Town

Meeting of 1958, continue the Committee and appropriate the sum of \$200.00 from the Current Tax Levy.

Motion of Mrs. Pipe, that the Pre-Town Meeting Tour of Inspection of Sites Committee appointed under Article 57 of the Warrant for the Annual Town Meeting of 1960, be added to Section E, and that the Committee be voted \$100.00 from the current tax levy, carried.

Motion of Finance Committee, as amended by motion of Mrs. Pipe, carried.

F. The Finance Committee recommends that the Moderator appoint the following new Committee:

1. A committee of five (5) to study the feasibility of installing parking meters in off street parking areas owned by the Town.

Motion of Mr. Daniels, under Article 48, Section F be amended to include the formation of "Purchasing Co-ordination Committee" to investigate Town of Natick purchasing policies with the view toward making a report to the next Annual Town Meeting which would include recommendations as to procedures, methods, and costs of "Central Purchasing." Said Committee of five:

1. To be appointed by the Moderator.
2. To include a representative of the Central Purchasing Committee.
3. To include businessmen who are familiar with coordination procedures, bulk purchasing, business systems, procedures, and standardization, carried.

Motion of Mr. Coplan, to amend Article 48, by adding thereto under Section F, a sub-section as follows:

A Committee of five (5) to study methods of combining the Public Works Water and Sewer Departments to establish thereby the equivalent of a financially self-sustaining Town-owned utility; said study to include a review of service and installation rates, carried.

Motion of Finance Committee, as amended by motions of Mr. Daniels and Mr. Coplan, carried.

Committee: Parking Meters — Off-street parking areas study — Francis G. McGee, Temporary Chairman; W. Joseph Shea, Brenton S. Gordon, Paul Meymaris and William L. Wells.

Committee: Purchasing Coordination — Ronald MacKenzie, Temporary Chairman; William MacDonald, Walter Trundy, Richard Daniels and Leonard Hanna.

Committee: Combining Public Works — Water Divisions — Edward J. Odell, Temporary Chairman; Kenneth Blennerhassett, Ross B. Kenzie, Samuel Crisafulli and F. Erik Jansson. F. Erik Jansson, moved out of Town; Daniel J. O'Leary, to fill vacancy.

ARTICLE 49 (Town Collector)

To see if the Town will vote to amend Article XIII, Section 1, of its By-Laws to read substantially as follows:

The aggregate annual compensation of the Town Collector shall not be limited to the amount of the appropriation therefor.

Voted, unanimously, Indefinite Postponement.

ARTICLE 50
(Department of Public Works)

To see if the Town will vote to amend its By-Laws by changing the rate of overtime pay from single rate to time and one half. Section 24 of Article VI-A will then read as follows:

Section 24: All regular full-time employees (except for those appointed by the Welfare Department) covered by the Employees Classification and Pay Plan established by Article VI-A of the Town By-Laws, but excepting therefrom the personnel of the Fire Department, Department Heads and such other personnel as the Personnel Board established under Section I of Article VI-A of the Town By-Laws shall in its sole and exclusive judgment determine, shall have hours of duty restricted to eight (8) hours in any one day and the basic work week shall not exceed forty (40) hours except as otherwise provided in the Town By-Laws and provided further that service in excess of the hours specified above may be authorized, in extreme emergency, by an officer of the Town whose duty it is to employ, direct or control such employees, and such additional service shall be compensated for as overtime at time and one half rates.

The Personnel Board referred to above shall have final determination of all matters arising out of this Section and may establish rules for the administration hereof. The decision of the Personnel Board in any matter arising under this Section shall be final and conclusive, or otherwise act thereon.

Voted, unanimously, to amend its By-Laws by striking out Section 24 of Article VI-A and inserting in place thereof the following:

Section 24: All regular full-time employees (except for those appointed by the Welfare Department) covered by the Employees Classification and Pay Plan established by Article VI-A of the Town By-Laws, but excepting therefrom the personnel of the Fire Department, Department Heads and such other personnel as the Personnel Board established under Section I of Article VI-A of the Town By-Laws shall in its sole and exclusive judgment determine, shall have hours of duty restricted to eight (8) hours in any one day and the basic work week shall not exceed forty (40) hours except as otherwise provided in the Town By-Laws and provided further that service in excess of the hours specified above may be authorized, in extreme emergency, by an officer of the Town whose duty it is to employ, direct or control such employees, and such additional service shall be compensated for as overtime at time and one half rates, after 40 hours actually worked in one work week.

The Personnel Board referred to above shall have final determination of all matters arising out of this Section and may establish rules for the administration hereof. The decision of the Personnel Board in any matter arising under this section shall be final and conclusive.

APPROVAL OF ATTORNEY GENERAL

Boston, Mass., May 25, 1961

The foregoing amendment to by-laws is hereby approved.

E. J. McCormack, Jr. Attorney General

Attest:

JAMES H. FLEMING
Town Clerk of Natick

(Published according to law)

ARTICLE 51
(Petition — Marvin E. Gould and Others)

To see if the Town will vote to amend its By-Laws by adding in Article IV a new section, substantially as follows:

“4. Upon receipt of notice in writing from any Voter of the Town to the effect that a Town Meeting Member has removed his residence from the Town, the Town Clerk shall immediately verify such information, and, upon

such verification, shall cause the vacated position to be filled in the usual manner.”
or act on anything relating thereto.

Voted, unanimously, to amend its By-Laws by adding the following section to Article IV thereof:

Section 4: Upon receipt of notice in writing from any Voter of the town to the effect that a Town Meeting Member has removed his residence from the town, the Town Clerk shall immediately verify such information, and, upon such verification, shall cause the vacated position to be filled in the usual manner.

APPROVAL OF ATTORNEY GENERAL

Boston, Mass., May 25, 1961

The foregoing amendment to by-laws is hereby approved.

ARTICLE 52

(Board of Selectmen)

To see if the Town will vote to amend its By-Laws by adding the following section to Article VIII as follows:

Section 25.

Every person before commencing business in the town as a transient vendor, whether as principal or agent, shall make written application under oath, for a town license to the Board of Selectmen and upon payment of a license fee fixed by it in compliance with Chapter 101 of the Massachusetts General Laws, shall be issued a license, provided however that said transient vendor comply with the regulations of the Board of Selectmen, or otherwise act thereon.

Voted, unanimously, to amend its By-Laws by adding the following section to Article VIII as follows:

Section 25: Every person before commencing business in the town as a transient vendor, whether as principal or agent, shall make written application under oath, for a town license to the Board of Selectmen and upon payment of a license fee fixed by it in compliance with Chapter 101 of the Massachusetts General Laws, shall be issued a license, provided however that said transient vendor comply with the regulations of the Board of Selectmen.

ARTICLE 53

(Planning Board)

To see if the Town will vote to amend Section IV of the Zoning By-Law by striking out Section IV A.2. entirely and establishing in its place the following:

Any lot lawfully laid out by plan or deed duly recorded or registered in the appropriate registry of deeds or land registry district that complies, at the time of such recording or registering, with any minimum area and frontage requirements of any zoning by-law in effect may thereafter be built upon notwithstanding the adoption or amendment of a zoning-by-law imposing minimum area and frontage requirements in excess of the area or frontage, or both, of such lot, provided that at the time of building such lot has an area of more than five thousand square feet, a frontage of fifty feet or more, and is in a district zoned for the specified use and conforms except as to area and frontage with the zoning by-law in effect, and that at the time of adoption of such requirements or increased requirements such lot was held in ownership separate from that of adjoining land.

The report of the Planning Board was read as follows:

In accord with Section VI G. of the Zoning By-Laws of the Town of Natick, the Planning Board, after duly advertising on January 10, 1961 in the "Natick Herald" and on January 12, 1961 in the "Natick Bulletin", held a Public Hearing on February 9, 1961 at the Senior High School Cafeteria, Natick on the subject matter of Article 53 to amend Section IV of the Zoning By-Laws by striking out Section IV A.2. entirely and establishing in its place the text exactly as printed in this Warrant Article.

The proviso in existing Section IV A.2. may be read in terms of the date of adoption of existing Zoning By-Laws. The intent of the Planning Board in submitting Article 73 to the Annual Town Meeting of March 29, 1960 was to incorporate the proviso the same as set forth in the Enabling Act of the Commonwealth of Massachusetts (Chapter 40A, Section 5A). The text of this Article 53 is substantially the same as Chapter 40, Section 5A.

The Planning Board recommends favorable action on Article 53.

PLANNING BOARD

Avery H. Stanton, Secretary

Voted, unanimously, to amend Section IV of the Zoning By-Law by striking out Section IV A.2. entirely and establishing in its place the following:

Any lot lawfully laid out by plan or deed duly recorded or registered in the appropriate registry of deeds or land registry district that complies, at the time of such recording or registering, with any minimum area and frontage requirements of any zoning by-law in effect may thereafter be built upon notwithstanding the adoption or amendment of a zoning by-law imposing minimum area and frontage requirements in excess of the area or frontage, or both, of such lot, provided that at the time of building such lot has an area of more than five thousand square feet, a frontage of fifty feet or more, and is in a district zoned for the specified use and conforms except as to area and frontage with the zoning by-law in effect, and that at the time of adoption of such requirements or increased requirements such lot was held in ownership separate from that of adjoining land.

APPROVAL OF ATTORNEY GENERAL

Boston, Mass., May 25, 1961

The foregoing amendment to Zoning By-Law is hereby approved.

ARTICLE 54
(Planning Board)

To see if the Town will vote to amend the Zoning By-Laws of the Town of Natick by changing the definition of Industrial I, east of Mansfield Street and north of East Central Street as shown on Zoning Map dated February 10, 1960 and adopted by Annual Town Meeting of 1960, to read as follows:

Beginning at a point 1200 feet easterly of the intersection of Mansfield Street and East Central Street, and 110 feet north of the center line of East Central Street, northerly to the New York Central Railroad, westerly to Marion Street, southerly by Marion and Mansfield Streets to a point 110 feet perpendicular measurement from the center line of East Central Street, easterly from such point and parallel to East Central Street, to point of beginning, or otherwise act thereon.

The report of the Planning Board was read as follows:

In accord with Section VI G. of the Zoning By-Laws of the Town of Natick, the Planning Board, after duly advertising on January 10, 1961 in the "Natick Herald" and on January 12, 1961 in the "Natick Bulletin", held a Public Hearing on February 9, 1961 at the Senior High School Cafeteria, Natick on the subject matter of Article 54 to amend the Zoning By-Laws of the Town of Natick by changing the definition of Industrial I, east of Mansfield Street and north of East Central Street as shown on Zoning Map dated February 10, 1960 and adopted by Annual Town Meeting of 1960, to read as described in this Warrant Article.

Present Industrial I is identical to definition of original Manufacturing District M-3 as stated in Section 17.3.3 of Amendments in Effect December 1953. However, on July 21, 1954, Business District B-28 was amended to include a portion of M-3. M-3 was not redefined at that time to cover the remainder which included a narrow strip 192' east and west and 59' north and south with former B-28 on 3 sides — North, East and South — the southern boundary being 110' north from the center line of East Central Street and parallel to the center line of East Central Street. This strip is now eliminated from former M-3 to be a part of C-II (former B-28) as proposed in the following article. In I, if this article is adopted, becomes less in area — first, to conform to B-28 as amended and second by elimination of a narrow strip of doubtful benefit to the industrial zone.

The Planning Board recommends favorable action on Article 54.

PLANNING BOARD

Avery H. Stanton, Secretary

Voted, unanimously, to amend the Zoning By-Laws of the Town of Natick by changing the definition of Industrial I, east of Mansfield Street and north of East Central Street as shown on Zoning Map dated February 10, 1960 and adopted by Annual Town Meeting of 1960, to read as follows:

Beginning at a point 1200 feet easterly of the intersection of Mansfield Street and East Central Street, and 110 feet north of the center line of East Central Street, northerly to the New York Central Railroad, westerly to Marion Street, southerly by Marion and Mansfield Streets to a point 110 feet perpendicular measurement from the center line of East Central Street, easterly from such point and parallel to East Central Street to point of beginning.

ARTICLE 55
(Planning Board)

To see if the Town will vote to amend the Zoning By-Laws of the Town of Natick by changing the definition of Commercial II on the north side of East Central street and east of Mansfield Street by adding thereto and taking from Industrial I and including land presently zoned Commercial II, to include an area defined substantially as follows:

Beginning at the intersection of Mansfield Street and East Central Street, easterly 1620 feet, northerly to the New York Central Railroad, westerly 426 feet, southerly to a point 110 feet from the center line of East Central Street, westerly from this point and parallel to East Central Street to the center line of Mansfield Street and southerly to the point of beginning. The report of the Planning Board was read as follows:

In accord with Section VI G. of the Zoning By-Laws of the Town of Natick, the Planning Board, after duly advertising on January 10, 1961 in the "Natick Herald" and on January 12, 1961 in the "Natick Bulletin", held a Public Hearing on February 9, 1961 at the Senior High School Cafeteria, Natick on the subject matter of Article 55 to amend the Zoning By-Laws of the Town of Natick by changing the definition of Commercial II on the north side of East Central Street and east of Mansfield Street by adding thereto and taking from Industrial I and including land presently zoned Commercial II, to include an area defined in this Warrant Article.

This article re-establishes B-28 as amended July 21, 1954 to be Commercial II and adds a narrow strip as outlined in the explanation of the preceding Article 54, measuring 192' east and west by 59' north and south.

The Planning Board recommends favorable action on Article 55.

PLANNING BOARD
Avery H. Stanton, Secretary

Voted, unanimously, to amend the Zoning By-Laws of the Town of Natick by changing the definition of Commercial II on the north side of East Central Street and east of Mansfield Street by adding thereto and taking from Industrial I and including land presently zoned Commercial II, to include an area defined substantially as follows:

Beginning at the intersection of Mansfield Street and East Central Street, easterly 1620 feet, northerly to the New York Central Railroad, westerly 426 feet, southerly to a point 110 feet from the center line of East Central Street, westerly from this point and parallel to East Central Street to the center line of Mansfield Street and southerly to the point of beginning.

ARTICLE 56
(Board of Selectmen)

To see if the Town will vote to authorize the Board of Selectmen to take by right of Eminent Domain, or acquire by purchase, gift or otherwise from public recreational purposes, all or any part of certain parcels of land, otherwise known as Jennings Pond, bounded and described as follows:

Land with Structures thereon, located at 53 Oak St., Natick, bounded and described as follows, to wit: Beginning at the Southwest corner of the premises on Oak St., on the southerly side of a right of way shown on a Plan of Morse's Pond Grove, Wellesley-Natick, Mass., owned by Neil McIntosh, Jr., Trustee, April 1, 1915, C. H. Gannett, C. E., Boston recorded as Plan 31 in Plan Book 247. Thence by Lots 22 through 81 inclusive in a generally northeasterly direction 1501.4 feet more or less to the northeast corner of Lot 22. Thence continuing in a northeasterly direction to the southwesterly corner of Lot 21 on said plan. Thence Northwesterly by Lots 17 through 21 inclusive 181.1 feet more or less to a point. Thence easterly again by Lot 17, 49.5 feet more or less to land now or formerly of the Boston Ice Co. Thence northerly by said Boston Ice Co. land 27.23 feet to Lot 11 on said plan. Thence northwesterly by said Lot 11, 9.49 feet more or less to the southeast corner of Lot 12. Thence southwest by said Lot 12, 25.73 feet more or less to the southeast corner of Lot 13. Thence northwest by Lots 13, 14 and 15, 63.32 feet more or less to the southwest corner of Lot 15. Thence northwesterly again by Lot 15, 9.6 feet more or less to a point. Thence southwesterly in Four courses by land now or formerly of A. Turner 58.83 feet, 58 feet, 189 feet and 93 feet more or less to a bound at Lot 56A on said plan. Thence southeasterly by said Lot 56A, 44.3 feet more or less to the northerly side line of Gannett Rd. Thence easterly by the northerly side line of Gannett Rd. to a point. Thence southerly by the end of Gannett Rd. 40 feet more or less to the northeast corner of Lot 59. Thence southeasterly by Lots 59 through 66 inclusive 229.7 feet more or less to a point. Thence northwesterly by Lot 66, 118 feet more or less to the southeast corner of Bass Rd. Thence continuing by the end of Bass Rd. to the southeast corner of Lot 67 on said plan. Thence southwesterly by Lots 67 through 76 inclusive to Cooper Rd. Thence by the end of Cooper Rd. 40 feet more or less. Thence southwesterly again by Lots 131 through 135 inclusive 224.8 feet more or less to the southeast corner of Lot 152. Thence westerly by Lots 152 through 167 inclusive 403.0 feet more or less to Oak St. Thence southerly by the easterly line of Oak St. to Lot 81 and point of beginning. Being the greater part of Parcel #4 on a Plan of Land in Natick, Mass. owned by Waban Rose Conservatories, May 1914, W. W. Wight, C. E. Being one of the Parcels described in a deed from Edith E. Chapman to Neil McIntosh, Jr. dated Feb. 6, 1915 and recorded in Deed Book 3945 page 10 in the Middlesex South District Deeds Registry.

and appropriate or borrow or transfer from available funds a sum of money to acquire the same and place said land under the jurisdiction of the Board of Selectmen, or otherwise act thereon.

Voted, unanimously, to authorize the Board of Selectmen to take by right of Eminent Domain, or acquire by purchase, gift or otherwise for public recreational purposes, all or any part of certain parcels of land, otherwise known as Jennings Pond, as bounded and described in the Article and that the sum of \$1.00 be appropriated from the Current Tax Levy to meet the costs of acquiring the same and that said land and interest in land be placed under the jurisdiction of the Selectmen.

ARTICLE 57

(Petition — George J. Rees and Others)

To see if the Town of Natick will vote to revise the zoning map of Natick, by changing a portion of Commercial District CII by adding to Residential District RSA as follows:

Beginning at a point on the Northerly side of Worcester St. at a stone bound 1083.53 from the Westerly line of Wheeler Lane; thence running Northerly and parallel to the Westerly line of Center St. 310.18 feet; thence running easterly and parallel to the Northerly line of Worcester St. to the center line of Centre St.; thence running Southerly along the center line of Centre St. to the Northerly side

of Worcester St.; thence running Westerly along the Northerly side of Worcester St. to the point of beginning, or otherwise act thereon.

The report of the Planning Board was read recommending unfavorable action. **Voted**, on motion of Finance Committee, to refer the subject matter of this Article to the next Town Meeting; hand vote, with tellers, yeas, 81; nays, 54.

Voted, to adjourn to next Tuesday evening 7:30 in this hall.

Adjourned 11:10 P.M.

ANNUAL TOWN MEETING, 1961 SIXTH SESSION, MARCH 28, 1961

Meeting called to order by the Moderator at 7:40 P.M. and stated that there was a Quorum present.

ARTICLE 30 (Department of Public Works)

To see if the Town will vote to authorize the Board of Public Works to construct sewer mains, construct a pumping station, construct force mains in the Stratford-North Main Street area, transfer, appropriate or borrow money to pay for same, or otherwise act thereon.

Voted, on substitute motion of Mrs. Masterson, to authorize the Board of Public Works to construct sewer mains, to construct a pumping station and to construct force mains in the Stratford-North Main Street area, and that the sum of \$208,200.00 be appropriated as follows: \$18,200.00 from Surplus Revenue and that the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the sum of \$190,000.00 and to issue bonds or notes of the Town therefor, payable in not more than twenty years, under the authority of and in accordance with Chapter 44, section 7, of the General Laws, and that assessments be made upon the abutters as authorized by any General or special law, said betterments to be borne not less than 75% by the abutters and the remainder by the Town; hand vote, with tellers; yeas, 160; nays, 12.

ARTICLE 36 (School Department)

To see if the Town will vote to purchase, or take by eminent domain, or otherwise acquire for a public all-purpose sidewalk a strip of land from Centre Street to Emerson Street, described as follows:

Beginning at the northeast extremity of Emerson Street at land owned by Herbert H. and Gloria S. Selander; thence running by land of Wethersfield Homes, Inc. N68°-00'-10" E 20.49 feet; thence running still by land of Wethersfield Homes, Inc. S34°-34'-50" E 149.44 feet to an angle; thence running S74°-43'-55" E 163.13 feet; thence turning and running S15°-38'-42" W 20.00 feet; thence running by land now or formerly of Dominic and Jane M. DiGiacomantonio N74°-43'-55" W 170.31 feet to angle; thence running by land now or formerly of Nathan N. and Mary C. Drucker and Emerson Street N34°-34'-50" W 157.10 feet to an angle point; thence

N05°-32'-01" E 4.54 feet by Emerson Street to the point of beginning. (As shown on a "Plan of Land in Natick" by MacCarthy Engineering Service, Inc. dated December 15, 1960). And beginning at the southeast corner of Lot 55A thence N73°-40'-18" W 8.00 feet by Centre Street to a point; thence N16°-19'-42" E 130.34 feet by land now or formerly of Dominic and Jane M. DiGiacomantonio to a point; thence S74°-02'-55" E 8.00 feet by land of Westfield Homes, Inc. to a point; thence S16°-19'-42" W 130.39 feet by land of Leon and Estelle Rubenstein to the point of beginning. (As shown on a "Plan of Land in Natick" by MacCarthy Engineering Service, Inc. dated December 8, 1960).

and further to take a temporary work easement of 10 feet on each side of the above described strip of land during construction of a sidewalk on said strip, or otherwise act thereon.

Voted, to authorize the Board of Selectmen to take by right of eminent domain or acquire by gift or purchase for School Department purposes and use, title to and any interest in all or any part of certain parcel or parcels of land in Natick, as bounded and described in the Article and that the sum of \$500.00 be appropriated from the Current Tax Levy to meet the costs of acquiring the same and that said land and interest in land be placed under the jurisdiction of the School Committee and to further take a temporary work easement of 10 feet on each side of the above described strip of land during construction of a sidewalk on said strip; hand vote, with tellers; yeas, 113; nays, 48.

ARTICLE 37 (School Committee)

To see if the Town will vote to authorize the Board of Public Works to construct an all-purpose sidewalk from Center Street to Emerson Street, over the strip of land described in Article 36, to generally improve travel conditions to and from the Bennett-Hemenway and Wilson Jr. High Schools, and to raise and appropriate, or transfer from available funds a sum of money or otherwise act thereon.

Voted, to appropriate the sum of \$2,200.00 from the Current Tax Levy and to authorize the Board of Public Works to construct an all-purpose sidewalk from Center Street to Emerson Street, over the strip of land described in Article 36, to generally improve travel conditions to and from the Bennett-Hemenway and Wilson Jr. High School.

ARTICLE 58 (Petition — M. Helen Small and Others)

To see if the Town of Natick will vote to revise the zoning map of Natick, by changing a portion of Residential District RSA to Industrial District I as follows:

A. Southwesterly by North Main Street, two hundred and fifty-six (256.00) feet.

Northerly by land now or formerly of Means, Ninety-Nine (99.00) feet.

Easterly by Charles Street, Two hundred and Seventy-Four (274.00) feet; to a point and to the point of beginning.
or otherwise act thereon.

The report of the Planning Board was read recommending unfavorable action.

Voted, on motion of Finance Committee, Indefinite Postponement.

ARTICLE 59 (By Petition — Anna M. Jones)

To see if the Town will vote to amend the Zoning By-Laws of the Town of Natick by changing a portion of Residential Single, RSA, located on Kansas Street as

shown on Zoning Map dated February 10, 1960, and adopted by Annual Town Meeting 1960, as amended to Residential Multiple RM as follows:

Beginning at a stone bound at a point 494.47 feet southeasterly of the intersection of the northerly side of Kansas Street and the Easterly side of Second Street.

Thence running Southeasterly by said Kansas Street, distance 40 feet to a stone bound;

Thence running Northeasterly distance 195.75 feet to a stone bound. Thence running Northerly distance 370.00 feet to a stone bound.

Thence running Westerly distance 302.00 feet, more or less, to a point.

Thence running Northeasterly along the westerly side of First Street distance 198.00 feet, more or less.

Thence running Westerly distance 167.00 feet, more or less, to a point.

Thence running Southwesterly distance 215.3 feet to a stone bound;

Thence running Southeasterly distance 69.00 feet to a stone bound;

Thence running Southwesterly distance 198.00 feet, more or less, to a stone bound.

Thence running Southeasterly distance 281.32 feet to a stone bound;

Thence running Southeasterly distance 84.25 feet to a stone bound;

Thence running Southeasterly distance 76.07 feet to a stone bound;

and the point of beginning,

or otherwise act thereon.

The report of the Planning Board was read as follows:

In accord with Section VI G. of the Zoning By-Laws of the Town of Natick, the Planning Board, after duly advertising on January 10, 1961 in the "Natick Herald" and on January 12, 1961 in the "Natick Bulletin", held a Public Hearing on February 9, 1961 at the Senior High School Cafeteria, Natick on the subject matter of Article 59 to amend the Zoning By-Laws of the Town of Natick by changing a portion of Residential Single, RSA, located on Kansas Street as shown on Zoning Map dated February 10, 1960, and adopted by Annual Town Meeting 1960, as amended to Residential Multiple RM as described in this Warrant Article.

The area of this parcel is prox. 6 Acres and adjoins 3 Acres presently zoned RM. Proponent stated at the Public Hearing that if the area in this Article 59 is re-zoned for Residential Multiple (RM) that this would be combined with the 3 Acres presently zoned RM and developed as an overall project by one developer. It is anticipated that this 6 Acres will have 89 living units — 1 and 2 Bedroom.

It is the considered opinion of the Planning Board that this is a desirable addition to the existing adjacent Residential Multiple zone and that the area is particularly well located for the purpose.

The Planning Board recommends favorable action on Article 59.

PLANNING BOARD

Avery H. Stanton, Secretary

Voted, to amend the Zoning By-Laws of the Town of Natick by changing a portion of Residential Single, RSA, located on Kansas Street as shown on Zoning Map dated February 10, 1960, and adopted by Annual Town Meeting 1960, as amended to Residential Multiple RM as follows:

Beginning at a stone bound at a point 494.47 feet southeasterly of the intersection of the northerly side of Kansas Street and the Easterly side of Second Street.

Thence running Southeasterly by said Kansas Street, distance 40 feet to a stone bound;

Thence running Northeasterly distance 195.75 feet to a stone bound. Thence running Northerly distance 370.00 feet to a stone bound.

Thence running Westerly distance 302.00 feet, more or less, to a point.

Thence running Northeasterly along the westerly side of First Street distance 198.00 feet, more or less.

Thence running Westerly distance 167.00 feet, more or less, to a point.

Thence running Southwesterly distance 215.3 feet to a stone bound;

Thence running Southeasterly distance 69.00 feet to a stone bound;

Thence running Southwesterly distance 198.00 feet, more or less, to a stone bound.

Thence running Southeasterly distance 281.32 feet to a stone bound;

Thence running Southeasterly distance 84.25 feet to a stone bound;

Thence running Southeasterly distance 76.07 feet to a stone bound;

and the point of beginning; hand vote, with tellers; yeas, 132; nays, 7.

ARTICLE 60

(By Petition — Phillips H. Ryder and Others)

To see if the Town will vote to amend its Building Code and Zoning By-Laws, as amended by Article 73, as amended, of the Annual Town Meeting of 1960, in Section II B 1, thereof and on "Zoning Map of Natick, Mass." by adding a Residential Multiple RM use district to include land bounded and described as follows:

Beginning on East Central Street at the most Northerly corner of land now or formerly of Griffin and thence running Northeasterly by East Central Street, 337.40 feet; thence turning and running Southeasterly by two lines measuring 328 feet and 385 feet respectively; thence turning and running Southwesterly by two lines measuring 390 feet, more or less, and 145 feet, more or less, respectively; thence turning and running Northwesterly by three lines measuring 58.50 feet, 119.32 feet and 512.50 feet respectively; thence turning and running Northeasterly again 203.12 feet; thence turning and running Southeasterly 58.22 feet; thence turning and running Northeasterly again 160.16 feet; thence turning and running Northwesterly again by two lines measuring 135 feet and 60.90 feet respectively; thence turning and running Southwesterly 23.5 feet; thence turning and running Northwesterly again 320 feet to the point of beginning.

All as shown on "Plan of Land in Natick, Mass., for proposed Multiple Residence Use" dated November 25, 1960, by Carter & Towers, Eng. Corp. or otherwise act thereon.

A report of the majority of the Planning Board was read recommending favorable action; a minority report was read by Brenton S. Gordon and was concurred with by Avery H. Stanton.

Voted, on motion of Finance Committee, Indefinite Postponement.

ARTICLE 61

(War Memorial Committee)

To see if the Town will vote to raise, borrow, or transfer from available funds and appropriate a sum of money to erect a War Memorial for the Veterans of World War II and Korean War, or otherwise act thereon.

The Finance Committee recommends Indefinite Postponement.

Voted, that the subject matter of this Article be referred to the War Memorial Committee and to report at the next Annual Town Meeting.

Meeting dissolved 11:35 P.M.

JUNE 13, 1961
WARRANT
THE COMMONWEALTH OF MASSACHUSETTS**

Middlesex, ss.

To any Constable of the Town of Natick in said County:

Greeting:

In the name of the Commonwealth of Massachusetts you are hereby required to notify the qualified voters of said Town of Natick to meet in Senior High School Auditorium, Natick, on

TUESDAY EVENING, JUNE 13, 1961

at 7:30 o'clock then and there to act on the following articles:

And you are directed to serve this Warrant by posting attested copies thereof in each of the post offices in said Natick and at the following public places in said Natick, to wit: Entrance to Selectmen's Rooms, Main Street Entrance to Concert Hall, Natick Police Station and Central Fire Station in Natick; Pine's Market, Felchville; Pole #144 on No. Main Street, opposite Pine Street, North Natick; Pole #15 at intersection of Everett and Cottage Streets, Little South; Drug Store at south east corner of Worcester and Oak Streets, East Natick; Pole at intersection of Speen and Mill Streets, West Natick; and Paul Dowd's Store, South Natick, seven days at least before said June 13, 1961; also by causing an attested copy of said Warrant to be published once in the newspapers called "The Natick Herald," and "The Natick Bulletin," said publications to be seven days at least before the day appointed for said meeting.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk at or before the time appointed for holding said meeting.

Given under our hands this 26th day of April A.D. 1961.

Middlesex, ss.

Natick, May 5, 1961

By virtue of this Warrant I have notified the qualified voters of the said Town of Natick, to meet at the times, places and for the purposes within specified by posting attested copies of said Warrant at the several locations and places therein designated for that purpose, Friday, May 5, 1961, also by causing an attested copy of said Warrant to be published in the newspapers called "The Natick Bulletin" and "The Natick Herald", newspapers published in the said Town of Natick, in the issues dated April 27, 1961 and May 2, 1961, respectively, all as within directed.

WILLIAM B. ROGERS

Constable of Natick

A Record of the Warrant and Officer's Return thereon.

JAMES H. FLEMING

Town Clerk of Natick

A true copy.

Attest:

JAMES H. FLEMING

Town Clerk of Natick

SPECIAL TOWN MEETING, JUNE 13, 1961
First Session

Meeting called to order by the Moderator at 7:45 P.M. and stated that there was a Quorum present.

Voted, to waive the reading of the Warrant Articles.

The Finance Committee reported through its Secretary, Mr. O. Edwin Swenson.

Francis G. McGee, Chairman of the Board of Selectmen, having received unanimous consent of the Meeting, presented the following Resolution, which was unanimously adopted: —

Whereas, the Town of Dedham in this Commonwealth of Massachusetts is celebrating its Three Hundred and Twenty Fifth Anniversary during the year 1961, and the citizens of Natick now in town meeting assembled on this thirteenth day of June, 1961, desire to make official record thereof

Now, therefore, be it resolved:

That we publicly recognize and commemorate this notable achievement of our sister town of Dedham, and that the Town Clerk embody our actions in the records of this meeting and convey this Resolution and Action to the Town of Dedham through its Anniversary Committee.

Francis G. McGee, Chairman of the Board of Selectmen, having received unanimous consent of the Meeting, presented the following Resolution, which was unanimously adopted: —

BE IT RESOLVED at this special town meeting duly called and held on June thirteenth, nineteen hundred and sixty one, that the citizens of the Town of Natick, by and through their representatives, in recognition that our neighboring Town of Needham is during this year of nineteen hundred and sixty one celebrating its 250th Anniversary, and whereas, during this long period of time, the Town of Needham and its inhabitants have been good neighbors and to properly recognize this notable milestone of our sister town, we do publicly proclaim this Resolution, and spread it upon the minutes of this meeting which shall be made a part of the report thereof, and further resolve that a copy be presented by the Town Clerk of Natick to the Town of Needham.

ARTICLE 1
(Planning Board)

To see if the Town will vote to amend the Zoning By-Laws of the Town of Natick as follows:

(A) By amending Section II, Use Districts, paragraph IIA, thereof, by adding to the list of Use Districts, as set forth under the heading "Title" in said paragraph of said Section, one additional Use District, which shall be:

"Recreational — Rec-I"

(B) By amending Section III — "Use Regulations Schedule" as follows:

(1) By adding the designation "Rec-I", as provided in Section II, paragraph IIA, as amended by paragraph (A) of this Article, to the listing of designated Use Districts as set forth above the "Use Regulations Schedule" in said Section.

(2) By striking therefrom paragraph 10 under "Recreational Uses" said paragraph beginning "Country Club" and ending "houses . . . O" and inserting in place thereof the following new paragraph numbered 10:

"10. Country club, including golf, riding, boat houses, swimming, other outdoor and indoor sports and games usual or incidental to a Country club and restaurant facilities, restricted to members and guests.

(3) By adding under the designation "Rec-I," as set forth above the "Use Regulation Schedule" in said Section III, as amended by paragraph (B)

(1) of this Article, after each of the uses, as defined in said schedule, notations as follows:

- (a) After uses Nos. 10, 35, 45, 46, 47, 48 and 54 — P
- (b) After use No. 55 — A
- (c) After all other uses — O

(C) By amending Section IV B by adding thereto under each heading thereof as follows:

DISTRICT DESIGNATION	Rec-I
MINIMUM LOT DIMENSION (In feet)	
Area	1,000,000
Continuous Frontage	200
Depth	NONE
MINIMUM YARD DIMENSIONS (In feet)	
Front	50
Side	50
Rear	50
MAXIMUM % OF BUILDING COVERAGE	5
MAXIMUM HEIGHT OF BUILDING	1 Story
OPEN SPACE REQUIRED PER LOT	

There shall be maintained as vacant or buffer area a strip of ground in an area so zoned not less than 50 feet wide between areas utilized under this Zone Classification for club purposes and adjacent residential properties, or otherwise act thereon.

The report of the Planning Board was read recommending favorable action.

Voted, unanimously, on motion of Finance Committee, that the subject matter of Article I be referred back to the Planning Board for further study.

ARTICLE 2 (Planning Board)

To see if the Town will vote to amend the Zoning By-Laws of the Town of Natick as follows:

By striking from the Use Regulations Schedule following paragraph 14 — “Outdoor movie theatre” — the letter “A” in the column headed “D” under Section III thereof and inserting in its place the letter “P”, or otherwise act thereon.

The report of the Planning Board was read as follows:

In accord with Section VI G. of the Zoning By-Laws of the Town of Natick, the Planning Board, after duly advertising on April 27, 1961 in “The Natick Bulletin” and on May 2, 1961 in “The Natick Herald”, held a Public Hearing on May 18, 1961 at the Senior High School Cafeteria, Natick, on the subject matter of Article 2 to amend the Zoning By-Laws of the Town of Natick as described in this warrant article.

The Planning Board unanimously recommends the change in designation under “Outdoor Movie Theater” use to permissive use “P” rather than special permit “A” in order that any future request for such zoning shall be considered by Town Meeting.

Favorable action is recommended by the Planning Board on Article 2.

PLANNING BOARD
Avery H. Stanton, Secretary

Voted, unanimously, to amend the Zoning By-Laws of the Town of Natick by striking from the Use Regulations Schedule following paragraph 14:

“Outdoor movie theatre” — the letter “A” in the column headed “D” under Section III thereof and inserting in its place the letter “P”.

APPROVAL OF ATTORNEY GENERAL

Boston, Mass., August 2, 1961

The foregoing amendment to Zoning By-Laws is hereby approved.

E. J. McCormack, Jr., Attorney General

A true copy.

Attest:

JAMES H. FLEMING
Town Clerk of Natick

(Published according to law)

ARTICLE 3
(Planning Board)

To see if the Town will vote to amend the Zoning By-Laws of the Town of Natick as follows:

By striking paragraph 45 under "Institutional Uses" in Section III thereof, said paragraph beginning "Municipal facility" and ending "purposes" . . . "P" and inserting in place thereof the following new paragraph 45:

"45. Municipal facility for public uses and purposes including a Town owned dump.

RG	RM	RS	CI	CII	InI	InII	D	Rec	I
P	P	P	P	P	P	P	P	P	P

or otherwise act thereon.

The report of the Planning Board was read as follows:

In accord with Section VI G. of the Zoning By-Laws of the Town of Natick, the Planning Board, after duly advertising on April 27, 1961 in "The Natick Bulletin" and on May 2, 1961 in "The Natick Herald", held a Public Hearing on May 18, 1961 at the Senior High School Cafeteria, Natick, on the subject matter of Article 3 to amend the Zoning By-Laws of the Town of Natick as described in this warrant article.

Section III Institutional Uses 45. now reads "Municipal facility and building for public uses and purposes". Preliminary meetings on the subject matter of Article 7 of this warrant developed the question as to whether or not the present wording adequately covered the specific use for a Town owned dump. Two questions may actually exist under the present definition: (a) Does the word "facility" actually cover a Town owned dump? (b) Certainly the words "facility and building" raise a reasonable question, since in the operation there very well might not be a building involved in the operation of a dump.

The majority of the Planning Board with the concurrence of the Town Counsel believe that for maximum clarity the wording of Article 3 eliminates the questions concerning a Town owned dump and under this definition no further change will be required should an incinerator be voted. The addition of words such as "no burning" and/or "sanitary fill" would require another definition change to accommodate an incinerator.

The majority of the Planning Board recommend Favorable Action on Article 3.

PLANNING BOARD
Avery H. Stanton, Secretary

Voted, to amend the Zoning By-Laws of the Town of Natick by striking paragraph 45 under "Institutional Uses" in Section III thereof, said paragraph beginning "Municipal facility" and ending "purposes" . . . "P" and inserting in place thereof the following and new paragraph 45:

"45. Municipal facility for public uses and purposes including a Town owned dump.

RG	RM	RS	CI	CII	InI	InII	D	
P	P	P	P	P	P	P	P	P"

yeas, 157, nays, 6.

APPROVAL OF ATTORNEY GENERAL

Boston, Mass., August 2, 1961

The foregoing amendment to Zoning By-Laws is hereby approved.

E. J. McCormack, Jr. Attorney General

(Published according to law)

Article 4. See Page 133.

Voted, on motion of Mr. Daniels, to take up Article 5.

ARTICLE 5
(Board of Selectmen)

To see if the Town will vote to amend the Zoning By-Laws of the Town of Natick by changing a portion of Commercial District C II, by adding to Residential District RSA, located at the intersection of Centre Street and Worcester Street, on the west side of Centre Street as follows:

Beginning at a point intersection center line of Centre Street and center line of Worcester Street:

Thence westerly along the center line of Worcester Street 124 feet to a point: Thence northerly at 90° 0' 0" from center line of Worcester Street 45 feet to a point:

Thence northwesterly in four courses 55.13 feet, 60.20 feet, 76.10 feet and 154 feet more or less to the southerly line of the RSA District:

Thence easterly and parallel to the center line of Worcester Street to the center line of Centre Street: Thence southerly along the center line of Centre Street to the point of beginning,

or otherwise act thereon.

The report of a majority of the Planning Board was read as follows:

In accord with Section VI G. of the Zoning By-Laws of the Town of Natick, the Planning Board, after duly advertising on April 27, 1961 in "The Natick Bulletin" and on May 2, 1961 in "The Natick Herald", held a Public Hearing on May 18, 1961 at the Senior High School Cafeteria, Natick, on the subject matter of Article 5 to amend the Zoning By-Laws of the Town of Natick as described in this warrant article.

This article covers one lot at the N.W. corner of Centre and Worcester Streets in addition to the three lots described in Article 4.

The Planning Board believes that Commercial use of the corner lot, as presently zoned, is a proper one.

A majority of the Planning Board recommend unfavorable action on Article 5.

Planning Board
Avery H. Stanton, Secretary

The Finance Committee recommends Indefinite Postponement.

Mr. Balcom, of the Planning Board, moves to amend the Zoning By-Laws of the Town of Natick, exactly as in Article 4 of this Warrant, by changing a portion of Commercial District C II, by adding to Residential District RSA, located at the intersection of Centre Street and Worcester Street, on the west side of Centre Street as follows:

Beginning at a point center line of Centre Street 147' more or less northerly of the center line of Worcester Street: Thence westerly and parallel to the center line of Worcester Street 134' more or less to a point: Thence northwesterly in three courses 11.97 feet, 76.10 feet and 154 feet more or less to the southerly line of the RSA District: Thence easterly and parallel to the center line of Worcester Street to the center line of Centre Street: Thence southerly along the center line of Centre Street to the point of beginning.

Motion of Finance Committee was now put and declared lost.

Motion of Mr. Balcom was now put; hand vote, with tellers; yeas, 115; nays, 41, carried.

APPROVAL OF ATTORNEY GENERAL

Boston, Mass., August 2, 1961

The foregoing amendment to Zoning By-Laws is hereby approved.

(Published according to law)

ARTICLE 4
(Planning Board)

To see if the Town will vote to amend the Zoning By-Laws of the Town of Natick by changing a portion of Commercial District C II, by adding to Residential District RSA, located at the intersection of Centre Street and Worcester Street, on the West side of Centre Street as follows:

Beginning at a point center line of Centre Street 147' more or less northerly of the center line of Worcester Street: Thence westerly and parallel to the center line of Worcester Street 134' more or less to a point: Thence northwesterly in three courses 11.97 feet, 76.10 feet and 154 feet more or less to the southerly line of the R.S.A. District: Thence easterly and parallel to the center line of Worcester Street to the center line of Centre Street: Thence southerly along the center line of Centre Street to the point of beginning, or otherwise act thereon.

No action taken.

ARTICLE 6
(Francis Michael Doran et al.)

To see if the Town will vote to amend its Building Code and Zoning By-Laws, as amended by Article 73, as amended, of the Annual Town Meeting of 1960, in Section II B I. thereof and on "Zoning Map of Natick, Mass." by adding a Residential Multiple R.M. use district to include land bounded and described as follows:

Beginning at a point 680 feet south of the southerly sideline of East Central Street, and 250 feet northeast of the northeasterly sideline of Union Street; Thence running northeasterly parallel to and 680 feet southerly of the southerly sideline of East Central Street to a point which is 1350 feet more or less northeast of Union Street; Thence southerly parallel to and 1350 feet more or less easterly from the easterly sideline of Union Street, a distance of 1450 feet more or less to a point; Thence westerly perpendicular to the easterly sideline of Union Street to a point 250 feet easterly of the said easterly sideline of Union Street; Thence in a northerly direction parallel to and 250 feet easterly of the easterly sideline of Union Street to the point of beginning, or otherwise act thereon.

The report of the Planning Board was read recommending unfavorable action.

The Finance Committee recommends Indefinite Postponement.

The following substitute motion was made by Donald Sims, to amend its Building Code and Zoning By-Laws, as amended by Article 73, as amended, of the Annual Town Meeting of 1960, in Section II B I. thereof and on "Zoning Map of Natick, Mass." by adding a Residential Multiple R.M. use district to include land bounded and described as follows:

Beginning at a point at the northeasterly corner of the Reservoir land of the Town of Natick, said point being 1190 feet more or less east of the easterly sideline of Union Street; Thence southwesterly by said land of Town of Natick and others, 590 feet more or less, to a point on the easterly side of the Town of Natick water easement; Thence northwesterly by the easterly side of the said easement 1185 feet more or less to a point at the Town of Natick School land; Thence northerly in four courses 55 feet, 80 feet, 55 feet, and 65 feet more or less by said town land to a point; Thence northeasterly by land of Paul-Mark Management Corp. 546 feet more or less to a point at land of Hanna; Thence southwesterly by land of Hanna 130 feet more or less thence northeasterly by same land 372 feet more or less to a point; Thence southeasterly by land of Paul-Mark Management Corp. 260 feet more or less to a point; Thence southwesterly in two courses by land of Morrison 112 feet and 662 feet more or less to the point of beginning.

Containing 21.4 ± acres; this motion was seconded.

Motion of Mr. Sullivan that this matter be referred to the Planning Board for further study, lost.

Motion of Finance Committee for Indefinite Postponement, declared lost; hand vote, with tellers; yeas, 71; nays, 85.

Motion of Donald Sims was now put; hand vote, with tellers; yeas, 91; nays, 72; lost.

See further action on Second Session, Page 274.

Voted, to adjourn to next Thursday evening 7:30 in this hall.

Adjourned 11:59 P.M.

**SPECIAL TOWN MEETING, JUNE 13, 1961
SECOND SESSION, JUNE 15, 1961**

Meeting called to order by the Moderator at 8:00 P.M. and stated that there was a Quorum present.

ARTICLE 6

The Finance Committee recommends Indefinite Postponement.

Substitute motion of Donald Sims recommending favorable action on this Article, was seconded; (see substitute motion by him, previous Session, June 13)

Motion for Indefinite Postponement was now put; hand vote, with tellers; yeas, 74; nays, 103; declared lost.

Motion of Donald Sims was now put; hand vote, with tellers; yeas, 104; nays, 80; declared lost.

Motion of Mr. Coplan, to lay this subject matter on the table, carried. See final action on Third Session, Page 136.

**ARTICLE 7
(Board of Health)**

To see if the Town will appropriate a sum of money from current tax levy, transfer from any available funds, or by borrowing, to purchase or take by eminent domain for a public dumping ground all or part of a certain parcel of land in Natick, described as follows:

Beginning at a point on the westerly side of West Street and at the southeasterly corner of land of the Town of Natick known as Memorial Field and running southeasterly to the intersection of South Main Street and West Street; Thence turning and running southwesterly along South Main Street to the Natick Sherborn town line;

Thence turning northwesterly and running along said town line to land of Bart Bratko Corporation;

Thence turning and running by land of Bart Bratko Corporation in a northeasterly direction to land of Nicola Sciretta et ux;

Thence on several courses by land of Sciretta, Bruno Tassinari et al. and the Town of Natick to the point of beginning.

Containing 81.4 acres more or less.

Said above described being shown on Town of Natick Map System prepared by New England Survey Service Inc. 1955, Map 59 Lot 10. (Precinct 7).

Being a portion of premises conveyed to Eugene H. Hill, dated August 25, 1948 and recorded in Middlesex Registry of Deeds Book 7340 Page 444.

The Finance Committee recommends to authorize the Board of Selectmen to take by right of Eminent Domain or acquire by purchase, gift or otherwise for a public dumping ground, all or any part of that certain parcel of land in Natick,

bounded and described in the Article and that it be placed under the jurisdiction of the Board of Health and that the sum of \$31,500.00 to meet the costs of acquiring same, be raised and appropriated as follows:

\$286.00 from the Sale of Real Estate Fund and \$31,214.00 from Surplus Revenue.

Motion of Mr. Tassinari for Indefinite Postponement, was seconded.

Motion for Indefinite Postponement; declared lost.

Motion of Finance Committee was now put and carried by more than two-thirds vote.

ARTICLE 8 (Department of Public Works)

To see if the Town will vote to appropriate a sum of money for personnel services for the operation of the Town Dump during the remainder of 1961; or otherwise act thereon.

Motion of Finance Committee to appropriate the sum of \$8,750.00 from Surplus Revenue for personal services for the operation of the Town Dump for the remainder of the current year; and that said sum of \$8,750.00 be expended under the direction of the Board of Public Works.

Voted, on amendment of Mr. Tassinari, to add after "Town Dump" the words "on a no burning-sanitary fill basis."

The original motion of the Finance Committee, as amended by motion of Mr. Tassinari, was now put and carried.

Motion for Reconsideration, lost.

Article 9. **Voted**, that matter be tabled to next Tuesday Session.

Voted, to adjourn to next Tuesday evening 7:30 in this hall.

Adjourned 11:10 P.M.

A Record of the Proceedings of the Second Session.

SPECIAL TOWN MEETING, JUNE 13, 1961 THIRD SESSION, JUNE 20, 1961

Meeting called to order by the Moderator at 7:50 P.M. and stated that there was a Quorum present.

ARTICLE 9 (Department of Public Works)

To see if the Town will vote to appropriate a sum of money for operational maintenance of the Town Dump during the remainder of 1961; or otherwise act thereon.

The Finance Committee recommends that the Town appropriate the sum of \$25,900.00 from Current Tax Levy for operational maintenance of the Town Dump for the remainder of the current year; and that said sum of \$25,900.00 be expended under the direction of the Board of Public Works.

Motion of Mr. Coplan to amend motion of the Finance Committee by substituting the figure \$20,000.00 in place of \$25,900.00; \$15,000.00 to be taken from Current Tax Levy and \$5,000.00 from Surplus Revenue, carried.

Motion of Finance Committee, as amended by motion of Mr. Coplan, was now put and carried.

Motion of Mr. Ross, to take Article 6 from table, carried.

Article 6. Motion of Mr. Sims, that this subject matter of Article 6 be referred to the next Town Meeting, carried.

ARTICLE 10 (Department of Public Works)

To see if the Town will vote to authorize the Board of Public Works to construct sewer mains on Franconia Avenue; transfer, appropriate or borrow money to pay for same, or otherwise act thereon.

Voted, unanimously, to authorize the Board of Public Works to construct sewer mains on Franconia Avenue and that the sum of \$4,342.73 be appropriated as follows: \$190.16 from the unencumbered balance of the Extend Sewer Mains Nolan Street Appropriation, \$59.76 from the unencumbered balance of the Extend Sewer Mains Bacon Street Appropriation, \$142.03 from the unencumbered balance of the Extend Sewer Mains School Street Extension Appropriation, each of which were established under Article 32 of the Warrant for the Annual Town Meeting in 1959; \$395.45 from the unencumbered balance of the Extend Sewer Mains Belmore Road Appropriation established under Article 31 of the Warrant for the Annual Town Meeting in 1960; \$2,000.10 from the unencumbered balance of the Wellesley at Natick Sewer Service Appropriation established under Article 50 of the Warrant for the Annual Town Meeting in 1955; \$47.00 from the unencumbered balance of the Bay State Road Area Sewer Appropriation established under Article 51 of the Warrant for the Annual Town Meeting in 1955; \$499.95 from the unencumbered balance of the Demolish Sewer Disposal Plant Appropriation established under Article 37 of the Warrant for the Annual Town Meeting in 1957; and \$1,008.28 from the unencumbered balance of the Washington Street Drainage Appropriation established under Article 25 of the Warrant for the Annual Town Meeting in 1959; and that assessments be made upon the abutters as authorized by any general or special law, said betterments to be borne not less than seventy-five percent by the abutters and the remainder by the Town.

ARTICLE 11 (Hospital Needs Committee)

To see if the Town will vote to appropriate the sum of \$12,000 for the purpose of employing hospital consultants to study the present and future needs of the Leonard Morse Hospital and for any other expenses to be incurred in such a study, or take any other action relative thereto.

Voted, on motion of the Finance Committee, to appropriate the sum of \$9,000.00 from Surplus Revenue for the purpose of employing hospital consultants to study the present and future needs of the Leonard Morse Hospital and for any other expenses to be incurred in such a study, said money to be expended under the supervision of the Hospital Needs Committee; hand vote, with tellers; yeas, 79; nays, 68.

Motion for Reconsideration, lost.

ARTICLE 12 (Natick Housing Authority)

To see whether the Town will approve the construction of a new housing project by the Natick Housing Authority, namely, a housing project for elderly persons pursuant to the provisions of Chapter 667 of Massachusetts Acts of 1954, and acts in amendment thereof and in addition thereto, to be known as State-Aided Housing Project 667-2, or otherwise act thereon.

Voted, unanimously, on motion of Finance Committee, that the Town approve the construction of a new housing project by the Natick Housing Authority, namely, a housing project for elderly persons pursuant to the provisions of Chapter 667 of Massachusetts Acts of 1954, and acts in amendment thereof and in addition thereto, to be known as State-Aided Housing Project 667-2.

ARTICLE 13

(Conservation Commission Study Committee)

To see if the Town will vote to accept the provisions of Section 8C of Chapter 40 of the General Laws of the Commonwealth of Massachusetts as amended by Chapter 223 of the Acts of 1957, or otherwise act thereon.

Voted, unanimously, on motion of Finance Committee, to accept the provisions of Section 8C of Chapter 40 of the General Laws of the Commonwealth of Massachusetts as amended by Chapter 223 of the Acts of 1957.

ARTICLE 14

(Conservation Commission Study Commission)

To see if the Town will vote to instruct the Selectmen to appoint a Town Conservation Commission of seven members in accordance with Section 8C of Chapter 40 of the General Laws of the Commonwealth of Massachusetts as amended by Chapter 223 of the Acts of 1957, said members to be appointed in a manner such that two members will be appointed to serve for terms of one year each, two members for terms of two years each, and three members to serve for terms of three years each, and that any and all successors shall serve for terms of three years each; and said commission shall elect from among its members a Chairman and such other officers necessary for carrying out the purpose of the Commission; and that the sum of \$300.00 be appropriated from available funds for the expenses of the said Commission, or otherwise act thereon.

Voted, unanimously, to instruct the Selectmen to appoint a Town Conservation Commission of seven members in accordance with Section 8C of Chapter 40 of the General Laws of the Commonwealth of Massachusetts as amended by Chapter 223 of the Acts of 1957, said members to be appointed in a manner such that two members will be appointed to serve for terms of one year each, two members for terms of two years each, and three members to serve for terms of three years each, and that any and all successors shall serve for terms of three years each; and said commission shall elect from among its members a Chairman and such other officers necessary for carrying out the purpose of the Commission; and that the sum of \$300.00 be appropriated from Surplus Revenue for the expenses of the said Commission.

ARTICLE 15

(By Petition — Leonard Frank and Others)

To see if the Town will vote to sell a parcel of land hereinafter described to the Atlantic Development Corp., a Massachusetts corporation, or its nominee (owners of the Sherwood Plaza Shopping Center) for the sum of Two thousand nine hundred and fifty and no/100 (\$2,950.00) dollars, said parcel being a certain triangular funnel shaped parcel of land located westerly and southwesterly of that parcel of Town-owned land on which the West Natick Fire Station on Speen Street is located; said parcel being further described as follows:

Being so much of a parcel of land shown on a plan entitled, Subdivision Plan E of the Travis Estate in Natick, Massachusetts," dated September, 1944, drawn by H. W. Whittier, Civil Engineer, duly recorded with Middlesex South District Registry of Deeds in Book 6821, Page 385, as not included in a certain taking of land made by the Town of Natick of land formerly owned by the heirs of Israel Alexander for the purpose of the aforesaid West Natick Fire Station, dated March 21, 1955 and recorded with said Registry District in Book 8432, Page 407;

or otherwise act thereon.

Motion of Finance Committee, authorizing Selectmen to sell the parcel of land as described in the Article.

Motion of Mr. Lebowitz, for Indefinite Postponement, carried.

ARTICLE 16
(Board of Selectmen)

To see if the Town will vote to accept by gift from Boston Edison Company a grant of easement described as follows:

“Perpetual rights and easements (1) to install, construct, maintain, operate, repair, renew and replace a covered main sewer in and under the portion hereinafter described of the grantor’s land between Mercer Road and Essex Road in Natick in said Middlesex County and to enter upon and dig up said portion of the grantor’s said land from time to time for all of the foregoing purposes and for the purpose of removing said sewers and (2) for the inhabitants of the grantee to pass and repass on foot over and along said portion of the grantor’s land.

The portion of the grantor’s said land in which said rights and easements are granted is a strip twenty (20) feet wide bounded and described as follows:

Commencing at a point in the northeasterly end of Essex Road five and 81/100 (5.81) feet northwest of the southeasterly side line of said Road and running N 51° 48’ 15” E thirty-six and 13/100 (36.13) feet;

Thence turning and running N 64° 09’ 30” E two hundred twenty-one and 48/100 (221.48) feet;

Thence turning and running S 88° 20’ 30” E one hundred five and 32/100 (105.32) feet to the westerly end of Mercer Road, all by other land of the grantor;

Thence turning and running N 35° 15’ 46” W by said end of Mercer Road twenty-five and 2/100 (25.02) feet;

Thence turning and running N 88° 20’ 30” W ninety-five and 19/100 (95.19) feet;

Thence turning and running S 64° 09’ 30” W two hundred twenty-eight and 52/100 (228.52) feet;

Thence turning and running S 51° 48’ 15” W thirty-four and 3/100 (34.03) feet to said northeasterly end of Essex Road, said last three bounds being by other land of the grantor;

Thence turning and running S 26° 08’ 45” E by said end of Essex Road twenty and 45/100 (20.45) feet to the point of beginning;

being a portion of the land conveyed to the grantor by Edwin John Lee by deed dated December 5, 1946, and recorded with Middlesex South District Deeds, Book 8781, Page 88.

Said strip of land is shown on a “Plan of Utility Easement in Natick, Mass.,” by John L. Philpott, Chief Engineer, dated November 29, 1960, to be recorded herewith.

By acceptance of this deed the grantee agrees that upon completion of the installation of any sewer in said twenty-foot strip it will restore the soil thereof, so far as can reasonably be done, to its condition at the date of the commencement of said installation and, upon the completion of any replacement or renewal thereof, repair thereto or removal thereof, to the condition immediately prior to the commencement of said work and that it will maintain the surface of said strip in a condition satisfactory for its inhabitants to pass and repass on foot over and along the same,” or otherwise act thereon.

Voted, on motion of Mr. Gould, to refer to the subject matter of this Article to the Board of Selectmen.

Meeting dissolved 11:25 P.M.

WARRANT FOR SPECIAL TOWN MEETING
September 26, 1961
WARRANT
THE COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To any Constable of the Town of Natick in said County:

Greeting:

In the name of the Commonwealth of Massachusetts you are hereby required to notify the qualified voters of said Town of Natick to meet in Senior High School Auditorium, Natick on

TUESDAY EVENING, SEPTEMBER 26, 1961

at 7:30 o'clock then and there to act on the following articles:

And you are directed to serve this Warrant by posting attested copies thereof in each of the post offices in said Natick and at the following public places in said Natick, to wit: Entrance to Selectmen's Rooms, Main Street Entrance to Concert Hall, Natick Police Station and Central Fire Station in Natick; Pine's Market, Felchville; Pole #144 on No. Main Street, opposite Pine Street, North Natick; Pole #15 at intersection of Everett and Cottage Streets, Little South; Drug Store at southeast corner of Worcester and Oak Streets, East Natick; Pole at intersection of Speen and Mill Streets, West Natick; and Paul Dowd's Store, South Natick, seven days at least before said September 26, 1961, also by causing an attested copy of said Warrant to be published once in the newspapers called "The Natick Herald," and "The Natick Bulletin," said publications to be seven days at least before the day appointed for said meeting.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk at or before the time appointed for holding said meeting.

Given under our hands this 8th day of August A.D. 1961.

FRANCIS G. McGEE
RICHARD S. SANDERSON
WILLIAM F. WELLS
Selectmen of Natick

Attest:

JAMES H. FLEMING
Town Clerk of Natick

SPECIAL TOWN MEETING, SEPTEMBER 26, 1961

Meeting called to order by the Moderator at 7:40 P.M. and stated that there was a Quorum present.

Voted, to waive the reading of the Warrant Articles.

The Finance Committee reported through its Secretary, Mr. O. Edwin Swenson.

ARTICLE 1

(Board of Selectmen)

To see if the Town will vote to amend the Zoning By-Laws of the Town of Natick by changing a portion of Industrial District In II by adding to Commercial District C II, located on the northerly side of Worcester Street and the westerly side of Speen Street (at the junction thereof) as follows:

Commencing at a point in the westerly sideline of Speen Street;

Thence running S 11° 06' 10" E along the sideline of Speen Street, 1,000 feet to a point in the sideline of Worcester Street;

Thence turning and running N 81° 00' 00" W along the sideline of Worcester Street about 2,505 feet to a point:

Thence turning and running N 9° 00' 00" E on land of Shoppers World Inc., 76 feet to a point:

Thence turning and running N 81° 00' 00" W on the same, 400 feet to a point:

Thence turning and running N 9° 11' 00" E on the same, 427.51 feet to a point on the town line between Natick and Framingham:

Thence turning and running N 63° 42' 40" E on the said town line, 923.87 feet to a stone bound:

Thence turning and running S 85° 35' 00" E on land of Town of Natick, 699.65 feet to a point:

Thence turning and running in a southerly direction on land of Town of Framingham about 155 feet to a point:

Thence turning and running in an easterly direction on the same about 1,120 feet to the point of beginning,
or otherwise act thereon.

The report of the Planning Board was read as follows:

In accord with Section VI G. of the Zoning By-Laws of the Town of Natick, the Planning Board, after duly advertising on August 10, 1961 in "The Natick Bulletin" and on August 15, 1961 in "The Natick Herald," held a Public Hearing on August 31, 1961 at the Senior High School Cafeteria, Natick, on the subject matter of Article 1 to amend the Zoning By-Laws of the Town of Natick by changing a portion of Industrial District In II by adding to Commercial District C II, located on the northerly side of Worcester Street and the westerly side of Speen Street (at the junction thereof) an area exactly as described in this warrant article.

The proponents stated that the agreement to purchase 63.63 Acres of land from the Town of Framingham is conditional upon:

- (a) Rezoning of the area covered by this Article from Industrial In II to Commercial C II.
- (b) Refusal by the Town of Natick to purchase the 63.63 Acres, the Framingham Sewer Bed Land, at \$1,010,000.00 from the Town of Framingham per Article 3 of this warrant.

Two concerns are committed to occupancy, upon full compliance with the above conditions — Sears, in the proposed Commercial zone and Continental Baking Co. in the Industrial zone. These two firms will employ between 800 to 1,000 employees at an estimated annual payroll of prox. \$4,000,000.00. Building values for the two concerns will approach \$7,000,000.00. Equipment values will increase the total values.

The interest of Continental Baking Co. locating in Natick is contingent upon the sale of prox. 25 Acres of Land by the Town of Natick to Continental Baking Co. as provided in Article 2 of this warrant and transfer of 6.28 Acres from the total being acquired from the Town of Framingham to the Continental Baking Co.

The projected plan for the Commercial Development contemplates 24 additional high grade shops and stores. The Planning Board believes that because the project is

under single management, of reputable character, that a high degree of selectivity will be exercised as to other occupants of this Commercial zone.

The proponents stressed features of the Commercial development to incorporate:

- 1) Initial and sustaining landscaping.
- 2) Well-planned traffic control.
- 3) Ample parking facilities.

It was suggested at the Public Hearing that a connecting road, off Route #9, with Shoppers' World would have merit. The proponents have informed the Planning Board that this suggestion will receive full and complete study.

The Planning Board has received a comprehensive "Interim Traffic Report" for this proposed Commercial Development by Highway Traffic Engineers, Inc.

There were prox. 100 in attendance at the Public Hearing and no opposition was expressed.

The Planning Board considers that the Land Use outlined for the remaining Industrial Area and proposed Commercial Area, under this Article 1, represents the optimum possible for the Town of Natick and will materially broaden the Economic Base of the Town.

The Planning Board unanimously recommends Favorable Action on Article 1.

PLANNING BOARD

Avery H. Stanton, Secretary

Voted, unanimously, to amend the Zoning By-Laws of the Town of Natick by changing a portion of Industrial District In II by adding to Commercial District C II, located on the northerly side of Worcester Street and the westerly side of Speen Street (at the junction thereof) as follows:

"Commencing at a point in the westerly sideline of Speen Street:

Thence running S 11° 06' 10" E along the sideline of Speen Street, 1,000 feet to a point in the sideline of Worcester Street:

Thence turning and running N 81° 00' W along the sideline of Worcester Street about 2,505 feet to a point:

Thence turning and running N 9° 00' 00" E on land of Shoppers' World Inc., 76 feet to a point:

Thence turning and running N 81° 00' 00" W on the same, 400 feet to a point:

Thence turning and running N 9° 11' 00" E on the same, 427.51 feet to a point on the town line between Natick and Framingham:

Thence turning and running N 63° 42' 40" E on the said town line, 923.87 feet to a stone bound:

Thence turning and running S 85° 35' 00" E on land of Town of Natick, 699.65 feet to a point:

Thence turning and running in a southerly direction on land of Town of Framingham about 155 feet to a point;

Thence turning and running in an easterly direction on the same about 1,120 feet to the point of beginning."

APPROVAL OF ATTORNEY GENERAL

Boston, Mass., November 6, 1961

The foregoing amendment to Zoning By-Laws is hereby approved.

E. J. McCormack, Jr. Attorney General

(Published according to law)

ARTICLE 2

(Board of Selectmen)

To see what action the Town will take relative to the sale and conveyance of the land or a part thereof belonging to the Town, being the Natick Sewer Bed Land so called bounded and described as follows:

Beginning at a point on the westerly sideline of Speen Street, said point being approximately fourteen hundred fifty (1450) feet north of the northerly

sideline of Worcester Street; thence bearing S 86° 39' W for a distance of approximately seven hundred three (703) feet to a point; thence bearing N 86° 26' W for a distance of two hundred forty-seven and thirty-five hundredths (247.35) feet to a point; thence bearing N 83° 53' W for a distance of seven hundred fifty-nine and sixty-five hundredths (759.65) feet to a point at the Natick-Framingham Town Line; thence by the Town Line, bearing N 43° 57' 10" E for a distance of eleven hundred (1100.00) feet to a point; thence bearing S 86° 18' 50" E for a distance of approximately eight hundred seventy-two (872) feet to a point of the westerly sideline of Speen Street; thence southerly by the westerly sideline of Speen Street approximately seven hundred ninety-seven (797) feet to the point of beginning,

or otherwise act thereon.

Voted, to authorize the Board of Selectmen, together with the Town Treasurer to sell by private sale, a parcel of land to the Continental Baking Company for a minimum amount of one hundred thousand dollars (\$100,000.00) said parcel of Town owned land being the Natick Sewer Bed Land so-called bounded and described as follows:

"Beginning at a point on the westerly sideline of Speen Street, said point being approximately fourteen hundred fifty (1450) feet north of the northerly sideline of Worcester Street; thence bearing S 86° 39' W for a distance of approximately seven hundred three (703) feet to a point; thence bearing N 86° 26' W for a distance of two hundred forty-seven and thirty-five hundredths (247.35) feet to a point; thence bearing N 83° 53' W for a distance of seven hundred fifty-nine and sixty-five hundredths (759.65) feet to a point at the Natick-Framingham Town Line; thence by the Town Line, bearing N 43° 57' 10" E for a distance of eleven hundred (1100.00) feet to a point; thence bearing S 86° 18' 50" E for a distance of approximately eight hundred seventy-two (872) feet to a point of the westerly sideline of Speen Street; thence southerly by the westerly sideline of Speen Street approximately seven hundred ninety-seven (797) feet to the point of beginning."; carried by $\frac{2}{3}$ Vote; one (1) dissenting.

ARTICLE 3

(Board of Selectmen)

To see what action the Town will take relative to the offer of the Selectmen of the Town of Framingham under the provisions of the General Laws of Massachusetts, Chapter 40, Section 15 to sell and convey to the Town of Natick, for one million ten thousand and no/100 (\$1,010,000.00) dollars, the Framingham Sewer Bed Land, so-called, containing sixty-three and 63/100 (63.63) acres, more or less, located on Worcester Street and Speen Street in the Town of Natick and shown on a plan prepared by Richard T. MacKey, Chief Engineer dated April, 1959 on file in the Town Records, Town of Framingham subject to reservation of certain easements for sewer purposes in favor of the Town of Framingham over and across said lands, or otherwise act thereon.

Voted, unanimously, Indefinite Postponement.

ARTICLE 4

(Natick Housing Authority)

To see if the Town will vote to amend the Zoning By-Laws of the Town of Natick as voted by the Annual Town Meeting of 1960, as amended, in zoning District RM to increase the size of RM to include adjacent land now zoned as RSA. The new RM to read as follows:

Beginning at a point on the easterly sideline of Cedar Avenue 134' more or less south of the centerline of Curve Street, thence easterly by land of Benson 109' to a point at land of Natick Housing Authority. Thence northerly to Curve Street, thence easterly by Curve Street to a point 80' from the westerly sideline of Bennett Street. Thence southerly and easterly parallel to and 80' west and south of the westerly sideline of Bennett Street to the sideline of Forest Avenue Extension. Thence westerly 290' by land of the Authority to land of Porcella.

Thence southerly 165' more or less by land of Porcella to land of Homsey. Thence westerly by land of Homsey 580' more or less to a point. Thence northerly 690' to a point. Thence easterly 100' to a point on the westerly sideline of Cedar Avenue extended, said point being 400' south of the centerline of Curve Street.

Thence northerly along the westerly sideline of Cedar Avenue to a point 134' south of the centerline of Curve Street.

Thence easterly across Cedar Avenue 33' to point of beginning,
or otherwise act thereon.

The report of the Planning Board was read as follows:

In accord with Section VI G. of the Zoning By-Laws of the Town of Natick, the Planning Board, after duly advertising on August 10, 1961 in "The Natick Bulletin" and on August 15, 1961 in "The Natick Herald," held a Public Hearing on August 31, 1961 at the Senior High School Cafeteria, Natick, on the subject matter of Article 4 to amend the Zoning By-Laws of the Town of Natick in zoning District RM to increase the size of RM to include adjacent land now zoned as RSA exactly as described in this warrant article.

The Natick Housing Authority proposes this change of prox. 3 additional acres to accommodate 32 units for housing for the elderly, which units will occupy 1/10 of the acreage being rezoned.

No opposition was stated at the Public Hearing to this proposed change in zoning.

The Planning Board's opinion is that the proposed Land Use is consistent with area conditions and that expansion of this type of housing is necessary in Natick.

The Planning Board unanimously recommends Favorable Action on Article 4.

PLANNING BOARD

Avery H. Stanton, Secretary

Voted, unanimously, to amend the Zoning By-Laws of the Town of Natick as voted by the Annual Town Meeting of 1960, as amended, in zoning District RM to increase the size of RM to include adjacent land now zoned as RSA. The new RM to read as follows:

"Beginning at a point on the easterly sideline of Cedar Ave. 134 feet south of the centerline of Curve Street; thence easterly by land of Benson 109.29 feet to land of Natick Housing Authority; thence northerly by land of Benson to Curve Street; thence easterly by Curve Street to a point 80 feet west of the westerly sideline of Bennett Street; thence southerly and easterly parallel to and 80 feet west of the westerly sideline of Bennett Street to the sideline of Forest Avenue Extension; thence westerly 296 feet to a point; thence southerly in two courses 60.11 feet and 104.86 feet to land of Homsey; thence westerly by land of Homsey 232.39 feet to a point; thence northwesterly 258.22 feet to a point; thence northeasterly in two courses, 345.56 feet and 100.01 feet to a point; thence easterly 101.36 feet to a point on the sideline of Cedar Avenue extended — said point being 409.26 feet south of the centerline of Curve Street; thence northerly along the westerly sideline of Cedar Avenue extended 275.49 feet to a point; thence easterly across Cedar Avenue 33 feet to the point of beginning."

ARTICLE 5
(Board of Selectmen)

To see if the Town will vote to amend its Building Code and Zoning By-Laws, as amended by Article 73, as amended, of the Annual Town Meeting of 1960, in Section II B I. thereof and on "Zoning Map of Natick, Mass." by adding a Residential Multiple R.M. use district to include land bounded and described as follows:

Beginning at a point 680 feet south of the southerly sideline of East Central Street, and 250 feet northeast of the northeasterly sideline of Union Street;

Thence running northeasterly parallel to and 680 feet southerly of the southerly sideline of East Central Street to a point which is 1350 feet more or less northeast of Union Street;

Thence southerly parallel to and 1350 feet more or less easterly from the easterly sideline of Union Street, a distance of 1450 feet more or less to a point;

Thence westerly perpendicular to the easterly sideline of Union Street to a point 250 feet easterly of the said easterly sideline of Union Street;

Thence in a northerly direction parallel to and 250 feet easterly of the easterly sideline of Union Street to the point of beginning,

or otherwise act thereon.

The report of the Planning Board was read as follows:

In accord with Section VI G. of the Zoning By-Laws of the Town of Natick, the Planning Board, after duly advertising on August 10, 1961 in "The Natick Bulletin" and on August 15, 1961 in "The Natick Herald," held a Public Hearing on August 31, 1961 at the Senior High School Cafeteria, Natick, on the subject matter of Article 5 to amend the Zoning By-Laws of the Town of Natick as described in this warrant article.

The majority report of the Planning Board on Article 6 in the Warrant of the Special Town Meeting of June 13, 1961 is substantially restated herewith applicable to Article 5 of this September 26, 1961 Warrant.

It is noted that the bounds set forth in this Article run beyond the property owned by the proponents at certain points and, for example, includes a portion of the Town of Natick's reservoir property.

The proponents desire RM to accommodate 180 apartments in 17 buildings (92 one-bedroom and 88 two-bedroom) located within approximately 21.5 acres. The remainder of the property, approximately 18.3 acres, to be offered to the Town of Natick. Tax income to the Town was stated by proponents at \$65,000.00 annually. Proponents are to be commended for the thoroughness of their preparation and presentation of the case. Considerable opposition was expressed by residents from the area and summarized in petition with prox. 500 signatures.

By reason of wooded terrain, relative elevation, size of tract, proximity to existing residences and estates this site is one of unusual promise and scenic beauty.

The South Natick area comprises the Town's largest undeveloped area which also has the highest residential zoning requirements. Whether the proposed RM area be considered a part of the South Natick area or contiguous thereto, its development necessarily must affect the future of South Natick.

A simple majority of the Planning Board is of the opinion that:

- 1) The best usage of this site is single residence classification commensurate with general So. Natick zoning in the light of its natural beauty and location.
- 2) RM usage of this site could have an extremely adverse effect on the area's residences and estates.
- 3) With prox. 25% of Natick's land undeveloped and the current growth of the Town it is not yet required that vacant land be compacted for RM in such a location.
- 4) RM usage should be exercised in those areas where it will improve the specific site and not adversely affect other areas.

Unfavorable action on Article 5 is recommended.

PLANNING BOARD
Avery H. Stanton, Secretary

Motion of Finance Committee for Indefinite Postponement.

The following substitute motion was made by Donald Sims, to amend its Building Code and Zoning By-Laws, as amended by Article 73, as amended, of the Annual Town Meeting of 1960, in Section II B I, thereof and on "Zoning Map of Natick, Mass." by adding a Residential Multiple R.M. use district to include land bounded and described as follows:

Beginning at the northeasterly corner of the Reservoir land of Town of Natick;

Thence southwesterly by said Reservoir land of Town of Natick and others, 590 feet more or less, to a point on the easterly side of the Town of Natick water easement;

Thence northwesterly by the easterly side of the said easement 1185 feet more or less to a point at the Town of Natick School land;

Thence northerly in four courses 55 feet, 80 feet, 55 feet, and 65 feet more or less by said town land to a point;

Thence northeasterly by land of grantor 544 feet more or less to a point;

Thence southeasterly by land of Hanna 130 feet more or less thence northeasterly by same land 372 feet more or less to a point;

Thence southeasterly by land of grantor 260 feet more or less to a point;

Thence southeasterly in two courses by land of Hunnewell to the point of beginning.

Containing $23.2 \pm$ acres.

Motion of Finance Committee was now put, hand vote, with tellers; yeas, 56; nays, 122; motion was lost.

Motion of Donald Sims was now put; hand vote, with tellers; yeas 128; nays 53; motion was carried.

ARTICLE 6

(Private Petition — Marcia Simches and others)

To see if the Town will vote to amend the Zoning By-Laws of the Town of Natick by changing Residential General (RG) and a portion of Industrial Two (In II) to Residential Single A (RSA) as follows:

Beginning at a point on the center line of the railroad on the Framingham-Natick line and running Northerly along the Framingham-Natick line to the center line of Hartford Street;

Thence turning and running easterly along the center line of Hartford Street to the center line intersection of Boden Lane;

Thence turning and running southerly along the center of Boden Lane to the center line intersection of Braemore Road;

Thence turning and running easterly along the center line of Braemore Road to the center line intersection of Ranger Road;

Thence turning and running southeasterly along the center line of Ranger Road to land of the Natick Country Club, Inc.;

Thence turning and running S70-43-20W 23.20 feet to a point on the side line of Ranger Road;

Thence running S74-09-40W 118.01 feet to a point,

Thence running S73-30-00W 454.50 feet to a point,

Thence running S24-06-00E 249.02 feet to a point on the center line of Beaver Dam Brook,

Thence running westerly 730 feet more or less along the center line of Beaver Dam Brook to the center line of Boden Lane.

Said last five (5) courses being by land of the Natick Country Club, Inc.

Thence turning and running southerly along the center line of Boden Lane to center line of Boston and Albany Railroad;

Thence westerly along said center line of Boston and Albany Railroad to the point of beginning, or otherwise act thereon.

The report of the Planning Board was read as follows:

In accord with Section VI G. of the Zoning By-Laws of the Town of Natick, the Planning Board, after duly advertising on August 10, 1961 in "The Natick Bulletin" and on August 15, 1961 in "The Natick Herald," held a Public Hearing on August 31, 1961 at the Senior High School Cafeteria, Natick, on the subject matter of Article 6 to amend the Zoning By-Laws of the Town of Natick by changing Residential General (RG) and a portion of Industrial Two (In II) to Residential Single A (RSA) exactly as described in this warrant article.

The proponents are residents of part of the area covered by this article, initiated following issuance of a building permit for a light manufacturing plant adjacent to land in residential use.

Roughly 50% of the area proposed for this zoning change has been zoned for manufacturing or industrial use since Natick's Zoning By-Laws were adopted in 1933. Approximately 50 Acres are in the present Industrial Two (In II) zone proposed for change to Residential Single A (RSA). Over a period of time some residential building has been done along the northerly boundary and in the Industrial Zone.

In 1960 the Planning Board gave consideration to the addition of two portions of the Industrial Zone to Residence General and Residence Single, respectively (Articles 77 & 78 of the 1960 Annual Town Meeting). Strong opposition by the owners of the Industrial area led to a recommendation, at that time, for further study. Subsequently, the use of a portion of this Industrial zone for a Golf Course was provisionally granted by the Board of Appeals. This action resulted in need for continued study of the several interests involved — Residential General, Residential Single, Industrial and Recreational uses. Furthermore, the Town of Framingham has a Sewer Plant occupying prox. 15 Acres of the Industrial Zone which must also be considered.

An area north of Hartford Street, currently in Residential General, is not included in the proposed change to Residential Single and this area, too, should be evaluated in any contemplated zoning change.

Therefore, the Planning Board unanimously recommends that Article 6 be referred to the Planning Board for further study and for a report and recommendation to the next Annual Town Meeting.

PLANNING BOARD

Avery H. Stanton, Secretary

Motion of Finance Committee, that the subject matter of this Article be referred back to the Planning Board for further study and for a report and recommendation to be submitted to the next Annual Town Meeting.

The following substitute motion was made by Jackson Harris, to amend the Zoning By-Laws of the Town of Natick by changing Residential General (RG) and a portion of Industrial Two (In II) to Residential Single A (RSA) as follows:

Beginning at a point 100 ft. north of the center line of the railroad on the Framingham-Natick line and running along the Framingham-Natick line to the center line of Hartford Street;

Thence turning and running easterly along the center line of Hartford Street to the center line intersection of Boden Lane;

Thence turning and running Southerly along the center of Boden Lane to the center line intersection of Braemore Road, thence turning and running easterly along the center line of intersection of Ranger Road;

Thence turning and running Southeasterly along the center line of Ranger Road to land of the Natick Country Club, Inc.

Thence turning and running S70-43-20W 23.20 feet to a point on the side line of Ranger Rd.

Thence running S74-09-40W 118.01 to a point
Thence running S73-30-00W 454.50 to a point
Thence running S24-06-00E 249.02 to a point
on the center line of Beaver Dam Brook,

Thence running westerly 730 feet more or less along the center line of Beaver Dam Brook to the center line of Boden Lane, thence running Southerly along the center line of Boden Lane to a point 100 ft. North of the center line of the Boston and Albany Railroad thence running parallel to the center line of said Boston & Albany Railroad, 100 ft. distant therefrom, westerly to the point of beginning.

Motion of Finance Committee was now put and declared lost.

Motion of Jackson Harris was now put; hand vote, with tellers; yeas, 81; nays, 39; motion was carried.

APPROVAL OF ATTORNEY GENERAL

Boston, Mass., November 6, 1961

The foregoing amendment to Zoning By-Laws is hereby approved.

ARTICLE 8
(Town Accountant)

To see if the Town will vote to appropriate a sum of money from available funds for the purpose of supplementing the Stabilization Fund, created under Article 22 of the Warrant for the Annual Town Meeting of 1961, as authorized by Chapter 40, Section 5B of the General Laws, or otherwise act thereon.

Voted, unanimously, to appropriate the sum of \$51,000.00 for the purpose of supplementing the Stabilization Fund, created under Article 22 of the Warrant for the Annual Town Meeting of 1961; said sum to be appropriated as follows:

"\$40,000.00 from the unencumbered balance of the School Personal Services Appropriation established under Article 9 of the Warrant for the Annual Town Meeting of 1961; \$5,000.00 from the unencumbered balance of the Interest Appropriation established under Article 16 of the Warrant for the Annual Town Meeting of 1961; and \$6,000.00 from Surplus Revenue."

ARTICLE 9
(Board of Selectmen)

To see if the Town will vote to authorize the Board of Selectmen, effective as of January 1, 1962 to secure and execute a blanket form or forms of insurance covering all insurance risks of various Town properties and equipment as based upon the report of the Insurance Committee established under Article 57 of the Warrant for the Annual Town Meeting of 1960; which report was accepted under Article 48 of the Warrant for the Annual Town Meeting of 1961, or otherwise act thereon.

Voted, to authorize the Board of Selectmen, effective January 1, 1962, or as soon thereafter as practicable, to secure and execute, under normal budget procedures, forms of insurance covering all insurance risks of various town properties and equipment, based on current and future requirements as established by the Board of Selectmen, with due consideration to recommendations as to types and limitations expressed by an appointed Insurance Committee.

ARTICLE 10
(Department of Public Works)

To see what sum of money the Town will appropriate by borrowing or otherwise, to widen, to resurface, reconstruct or drain Speen Street from Hartford Street southerly approximately 2,600 feet; such sum or part thereof to be used in conjunction with money contributed by the State and County, or otherwise act thereon.

Voted, unanimously, to appropriate the sum of \$13,450.00 from Surplus Revenue and to authorize the Board of Public Works to widen, to resurface, reconstruct or drain Speen Street from Hartford Street southerly approximately 2600 feet; work to be done under "Chapter 90"; said money to be used in conjunction with money contributed by the State and County.

Meeting dissolved 11:50 P.M.

A Record of the Proceedings of the First and Final Session.

JAMES H. FLEMING
Town Clerk of Natick

I have examined the books and records of the Leonard Morse Hospital, Natick, Massachusetts for the fiscal year ended September 30, 1961, the foregoing "Statement of Income and Expense" and the Investment account at September 30, 1961.

In my opinion the "Statement of Income and Expense" fairly presents the results of operations for the fiscal year ended September 30, 1961 and the Investment account is correct and in agreement with the books of the hospital.

RICHARD H. POTTER, *Town Treasurer*

Accounting Department

Report of Town Accountant

In compliance with Section 61, Chapter 41, General Laws, I submit herewith the annual report of the Accounting Department for the year ended December 31, 1961.

All invoices and payrolls presented during the year by the Town Departments have been examined both for their accuracy and legal requirements before being submitted to the Treasurer for payment. The payments, which were presented on 185 Treasury Warrants, amounted to \$10,268,465.38 for which the Treasury Department issued 51,073 checks.

The Treasurer's cash has been audited and found to be in order. The total receipts during 1961 totaled \$10,549,458.70. The cash balance on hand December 31, 1961 is \$1,143,424.17 plus invested cash of \$500,000.00 for a total of \$1,643,424.17 and is an increase of \$532,500.82 from the balance on hand at the end of 1960.

Monthly notices of appropriation condition were forwarded on State approved forms to all Town officers, committees and boards charged with the expenditure of Town funds. At the time of this report no bills remaining unpaid for 1961 have been submitted to the Town Accountant.

Upon the close of the financial year, statements were compiled in tabulated form showing the amounts appropriated throughout the year and the amounts expended from each appropriation for the year 1961 and the estimates for the year 1962, and copies were forwarded to the Finance Committee.

Again this year and for the 21st consecutive year the departments, collectively, have turned back substantial unexpended appropriation balances, from their operating budgets. The unexpended appropriation balances, exclusive of Sewer and Water, returned to the 1961 Revenue Account amounted to \$92,711.65.

As required by law, under Section 54-A, Chapter 41, General Laws, notice was given to the Assessors of the total 1961 receipts except from taxes, loans, trust funds, federal grants and revolving funds, and the source of such receipts was specified. The actual collection in this group of receipts was \$696,370.15 higher than the estimate used by the Assessors in determining the 1961 tax rate. This excess was due primarily to two sources, namely (a) Motor Vehicle Excise collections consisting of over \$300,000.00 of 1960 levy and over \$450,000.00 of 1961 levy and; (b) School Aid Construction collections consisting of \$238,809.10 for ten completed buildings or additions plus \$131,000.00 for East Natick Addition and \$150,000.00 for Bennett-Hemenway Addition. The collections of the last two items are due to good usage of our newly created Stabilization Fund.

The following recommendations are made: a) That the 1962 authorized borrowing should not be in excess of one-half of our 1962 debt payments of \$702,400.00 or approximately \$350,000.00, so that we will drop our debt into the \$4,000,000.00 to \$5,000,000.00 range which we have not been in since the year 1953. b) That all copies of contracts be filed with the Town Accountant within ten days of signature. c) That all departments submit all bills promptly for payment. d) That all departments complete

the purchasing of outlays and all major items by November 1st and that all purchasing of miscellaneous departmental supplies and materials be completed by December 1st; therefore, by accomplishing this, the result would be for a more even flow of receiving and processing invoices over the latter part of the year and would help to relieve the additional work loads that the offices of the Town Treasurer and Town Accountant are, jointly, forced to face. e) That our newly created Stabilization Fund be supplemented with an appropriation of \$200,000.00 or more each year if possible; keeping in mind that we have at least two major building projects facing us — a new junior high school and an addition to our high school.

Appended to this report the following schedules:

- a) Cash Receipts
- b) Summary of Appropriations and Expenditures
- c) Balance Sheet showing the financial condition of the Town
- d) Deferred Revenue Not Due
- e) Net Funded or Fixed Debt
- f) Trust Funds — Cash and Securities
- g) Debt Statement showing amounts due for Principal and Interest for 1962
- h) Analysis of Revenue and other Accounts

RICHARD E. GOULD, *Town Accountant*
